

Post 466 Welcome Packet

Dear Prospective Explorer and Family,

Thank you for expressing an interest in EMS Explorer Post 466!

EMS Career Exploring is a co-ed worksite-based program that gives individuals the opportunity to explore the dynamics of pre-hospital, emergency based care. The areas of focus for this post will be: life skills and education, citizenship and leadership experiences, and career opportunities.

Meetings are held twice a month at Greenville County EMS, located at 301 University Ridge Bldg. B Greenville, SC 29601. Each meeting Explorers will learn basic skills and receive hands on training experience. Examples of basic skills taught: trauma assessment, rope rescues, BVM ventilation, and bleeding control.

Each year Explorers will have the opportunity to apply their knowledge of the skills in both local and regional competitions. Our main event, is competing at Winterfest, a regional competition held in Gatlinburg, TN.

If you are ready to join, please fill out your Boy Scouts application and this welcome packet.
