

Thanks Ms Jennings

I appreciate everything you have done to help assist me in my homeownership process, but to be honest I think you are an amazing person who stood by me from the beginning until the end. You have taught me so much in this year especially about believing in myself and pushing forward and not giving up.

I know at times I have been a pain in the butt, but you responded to every call, every email, and every visit to your office.

May the Lord continue to bless you and your family and the all the workers at Greenville Human Relations to continue helping those who like me become homeowners.

I will let you know as soon as we close I promise.

☐ GOD BLESS YOU ALL ☐
