8) Project Description: (Attach additional pages if necessary)

- a. **General Description:** This project includes encapsulating existing interior walls at Slater Hall with sheetrock and painting them.
- b. **Benefit project will provide the Community:** This project will abate the existing lead paint in the building creating a safer environment for residents who regularly use the hall. It will dramatically improve the appearance and usability of this historic structure.
- c. **Additional Comments:** There is a great need in Slater for indoor space for community functions ranging from youth programs, summer day camps, and special family events. Over the past seven years the Recreation District has partnered with an active citizens committee to make several much needed improvements to the building and its campus expanding programming options. Each improvement increases the value of the building to the Slater community and raises morale and commitment of a community which highly values the hall, its history, and the many benefits it brings to families.
