Greenville, SC 29601

Dear Members of Greenville County Council,

I regret to inform County Council that one member of the Greenville County Historical Preservation Commission should be removed for non-participation. Tom Riddle has not been in attendance at any meetings for over a year. After having personally contacted him several times by email and face-to-face with no attendance, the Historic Preservation Commission wishes to fill his seat with someone who will contribute to this valuable work. Therefore, HPC requests that County Council replace Tom for the coming year.

Thank you for your help in this matter.

Respectfully,
