

## COMMUNITY PROJECT ACCOUNT (Small, De Minimus Public Projects)

## **APPLICATION**

1) Name of Project: Aviation Park at Greenville Downtown Airport
Check Project Type:
☐ Nonrecurring community requests for infrastructure:
□ Roads
□ <b>Lights</b>
☐ Sewer and drainage
Public buildings and grounds
☐ Infrastructure related studies
X Contributions to local governments in Greenville County for community projects
2) Amount of Funds Requested: \$ 10,000
3) Project Sponsor Organization: Greenville Airport Commission
Mailing Address: 100 Tower Drive
Greenville, SC 29607-2631
4) Contact Person:
Name Joe Frasher Title_ Airport Director
Telephone 242-4777 Alt. Telephone No
Email_joe@greenvilledowntownairport.com Fax No. 242-4870
Council Representative(s) Norris
5) Project Timeline ~ Beginning: <u>in process</u> Ending: <u>MONTH/DAY/YEAR</u> MONTH/DAY/YEAR
6) Date Funds are Needed: May 25, 2013

## **Greenville Airport Commission**

**Greenville Downtown Airport** 

April 9, 2013

Mr. Joseph Kernell County Administrator County of Greenville 301 University Ridge, Suite 2400 Greenville, SC 29601

Dear Mr. Kernell:

The Greenville Airport Commission recently received a \$10,000 grant from the City of Greenville to help add playground equipment for school aged children (5 to 12 years old) to the new community aviation themed park at the Greenville Downtown Airport. Our City Council liaison, David Sudduth, has spoken at length about this project with County Council members Jim Burns and Liz Seman. From their conversation, it was recommended that we reach out to you to inquire if the county would be willing to match the City's \$10,000 grant to help complete this regional project.

The park was conceived to fill a need since over 10,000 school children a year used to tour GSP before 9/11. They can no longer do that due to security changes. Our airport receives many inquiries from large groups that would like to come out to the airport for tours. Unfortunately, we have not always been able to accommodate large groups due to the size of our facilities. The Greenville County School System usually requires 80-100 children to justify bus usage for a field trip. Once the park is completed, we will be able to host groups of most any size. The park will be free to use and open to the public.

Our region has attracted numerous aviation companies and Boeing is expanding in our state. Many of these high tech companies are having a difficult time finding skilled workers. We believe that exposure to aviation may inspire kids to become pilots or enter career fields such as engineering, air traffic control, aircraft maintenance, or CNC Machinist. All of these are high paying local jobs that will need to be filled. Many local individuals and companies have donated to the park project and we have held several fundraisers. Attached is a "Road Map Plan Budget" that shows the grants and other money that we have received so far and how we plan to raise the additional funds needed to complete the park.

With the funds that have been raised so far, the educational amphitheater, irrigation system, grass, fencing, paved exercise "Perimeter Taxiway" and walking "Runways"

have been completed. In June, aviation themed playground equipment will be added for children 2-5 years old, along with a multi-age use swing set and an airplane shaped climbing structure.

A 15-foot cross section of a Boeing 737 fuselage is in the process of being transformed into a handicapped accessible park entrance. Teacher and student volunteers from the Greenville Tech aircraft maintenance school are doing this work free of charge. Enclosed are photos that show the park in its current state of completion, the fuselage, the park's overall design rendering and the playground equipment that will be added. The park is located at 21 Airport Road Extension, Greenville, SC 29607.

We are now applying for grants, planning more fundraisers and seeking financial help to add aviation themed playground equipment for school aged children 5 to 12 years old and a picnic pavilion. We have fundraisers planned for May 4<sup>th</sup> (Party Down for the Playground) and for May 25<sup>th</sup> (Take Flight 5K).

We hope that we can count on Greenville County to help complete the park. Please let us know if you have questions or need additional information. We appreciate all you do for Greenville County as our region continues to impress with planned growth and forward thinking leaders.

Thank you for your consideration.

Sincerely yours,

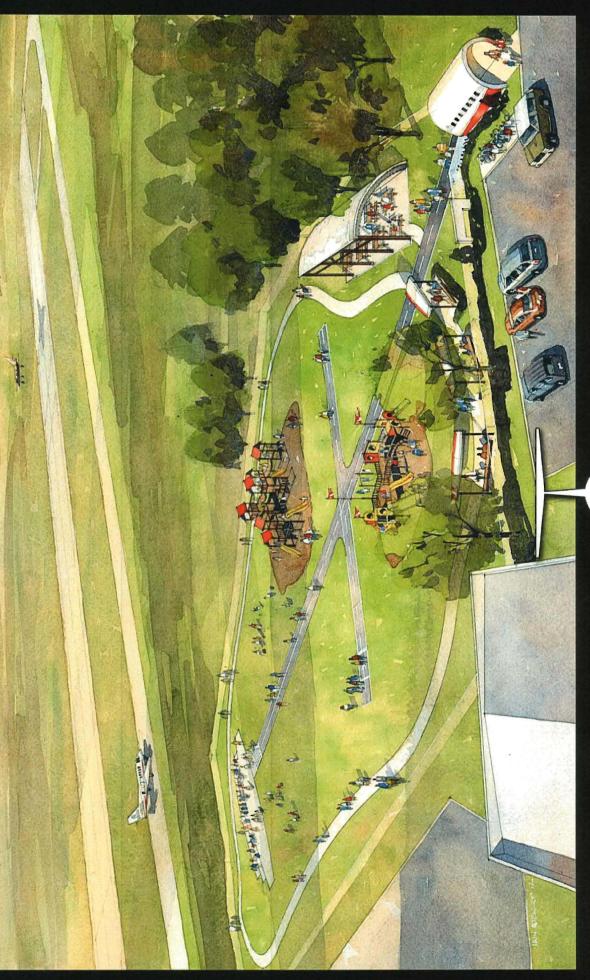

**GREENVILLE AIRPORT COMMISSION** 

Joseph R. Frasher, A.A.E.

Airport Director
