**BUDGET NARRATIVE**

List items under each Budget Category heading. Explain exactly how each item in your budget (both grantor and match) will be utilized. It is important that the necessity of these items, as they relate to the operation of the project, be established. Dollar amounts DO NOT have to be provided

**Equipment:**

1 - Mobile Data Terminal - The terminal is used to communicate calls for service between the Crime Scene Officers and the Greenville County Sheriff's Office and Greenville City Police Department Dispatch. The terminal will be used in a vehicle assigned to supervisors which currently does not have a terminal.

2 - Installed Vehicle Radio - This radio is used in conjunction with the mobile data terminal detailed above,

**Other:**

1 - Portable Two-Way radios - Allows for constant radio communications between Forensic Division Officers and the agency communication centers.

2 - Cellular Mobile Data Card - This cards allows communication for the mobile data terminal across a cellular network to interface with the agency communication centers.

3 - Semi-Automatic Handguns - These weapons will be replacements for those currently issued to commissioned police officers in the Forensic Division. The current weapons will be traded toward the upgrade of new weapons.

4 - Permanent Vehicle Mount for Mobile Data Terminal - This permanently installed mount for the MDT will provide a means of installing the MDT in the vehicle preventing it from being loose in the vehicle. The mount will also provide power to the MDT while in the mount.

5 - The holsters for the above weapons will be replaced due to their condition and the fact there are better security type holsters available which weren't available 14 years ago when the current holsters were purchased.

6 - Mobile Data Terminal Installation - This item is for the professional installation of the MDT in the vehicle.

7 - Vehicle Two-Way Radio Installation - This item is for the professional installation of the permanently mounted two-way vehicle installed in the vehicle.

8 - Cellular Mobile Data/Air Card - This item installs in the MDT and allows for data transmission required for the operation of the Mobile Data Terminal.

9 - South Carolina Sales Tax of 6% - Applied to all purchases.

Contractual Services:

- 1 - MDT Mobile Data/Air Card Annual Service - This is to provide one year of service for the mobile data/air card required for the operation of the Mobile Data Terminal (MDT).
- 2 - Repair Warranty Contract on Installed Vehicle Two-Way Radio - This item is for a service contract on the above installed vehicle two-way radio.
- 3 - South Carolina Sales Tax of 6% - Applies to all purchases.
