JUDICIAL PROGRAM ENHANCEMENTS

SOLICITOR'S OFFICE - DRUG COURT

Drug Court	<u>\$134,764</u>
Total	\$134,764

The Solicitor's Office is requesting \$134,764 for the continuation of the Adult and Juvenile Drug Court programs.

The Adult Drug Court is a multi-phase program that incorporates intensive substance abuse treatment, judicial supervision, and random drug testing. The program targets nonviolent offenders charged with felony drug or drug related crimes. Referrals to the program must be approved by the Solicitor's Office. If deemed eligible, offenders must plead guilty in Court and a sentence will be imposed. The sentence will be suspended under the condition that the offender completes the Drug Court program. Each phase of the program requires individual, group, and family therapy sessions as well as community support groups. As the participant demonstrates progress by completing treatment goals, the participant is advanced to the next phase of the program. In the event that the participant fails to adhere to the program requirements, sanctions are given by the presiding judge. Successful completion of the program will result in the satisfaction of the sentence. Non-compliance with program requirements will result in the offender serving the original sentence imposed.

The Juvenile Drug Court is a multi-phase program that incorporates intensive substance abuse treatment, judicial supervision and random drug testing. The program targets non-violent juvenile offenders between the ages of 12-16 with a substance abuse diagnosis. All referrals must be approved by the Solicitor's Office. Each phase of the program requires individual, group, and family therapy sessions as well as community support groups. As the participant demonstrates progress by completing treatment goals, he/she is advanced to the next phase of the program. In the event that the participant fails to adhere to the program requirements, sanctions are given by the presiding judge. Successful completion of the program will result in the dismissal of the charge(s). Non-compliance with program requirements will result in the offender returning to court for prosecution.

The funding will be used for contractual services for drug testing and counseling services.
