Staff Report	<p>Over the past year and a half, community residents, stakeholders, planners, and public officials participated in a series of meetings to create the New Washington Heights Community Plan.</p> <p>The New Washington Heights Community Plan is a statement of the community's vision and seeks to address both the immediate concerns and long-term goals of the community. The plan provides direction for community leaders, stakeholders, and the development and serves as a guide for where and how future development should occur.</p> <p>Therefore staff is requesting that the Planning and Development Committee forward the New Washington Heights Community Plan to County Council for consideration and initiation as an amendment to the County's Comprehensive Plan.</p>
