Staff Report	<p>The subject property is a 0.41 acre parcel, with approximately 255 feet of total road frontage.</p> <p>The subject parcel is currently zoned O-D (Office Development); this application is requesting to rezone the parcel to R-7.5 (Single-Family Residential). The R-7.5 residential districts are established as areas in which the principal use of land is for single-family dwellings and for related recreational, religious, and educational facilities normally required to provide an orderly and attractive residential area. The regulations for these districts are intended to discourage any use which, because of its characteristics, would interfere with the development of or be detrimental to the quiet residential nature of the area included in the districts.</p> <p>The applicant is requesting single family residential classification to build a house.</p>
