I hereby state that to the best of my professional knowledge, information and belief, the survey shown herein was made in accordance with the Minimum Standards Manual for the Practice of Land Surveying in South Carolina and meets or exceeds the requirements for a Class "B" survey as specified therein.

Except as specifically shown or stated on this plat, this survey does not purport to reflect any of the following which may be applicable to the subject real estate, including, but not limited to, easements, rights, or interests that were in use at the time of the survey, or any other facts that on accurate and current title search may disclose. The survey does not constitute a title search by the Surveyor.
 Wallace & Associates does not warrant the existence or nonexistence of administrative records or areas that may be affected by historical mistakes in the survey file.

This survey is not a true and valid print of the original document unless it bears an original signature and raised embossed seal of the Surveyor.
