**BE IT ORDAINED BY THE COUNTY COUNCIL OF GREENVILLE COUNTY, SOUTH CAROLINA IN MEETING DULY ASSEMBLED:**

**ARTICLE I**

**FINDINGS OF FACT**

Section 1.01 Recitals and Statement of Purpose.

As an incident to the enactment of this ordinance (the “*Ordinance*”) and the issuance of the Bonds (as defined below) provided for herein, the County Council of Greenville County (“*County Council*”), the governing body of Greenville County, South Carolina (the “*County*”), finds that the facts set forth in this **Article I** exist, and the following statements are in all respects true and correct:

(A) The County is a body politic and corporate and a political subdivision organized under the laws of the State of South Carolina (the “*State*”) and as such, possesses all general powers granted by the Constitution and laws of the State to political subdivisions, including the power to own and operate a recreation system.

(B) Greenville County Recreation District, South Carolina (the “*District*”) was created pursuant to Act No. 1329 of the Acts and Joint Resolutions of the General Assembly of the State for the year 1968, as amended. The District was governed by the Greenville County Recreation Commission (the “*Commission*”). The District previously owned and operated a system (the “*System*”) for the provision of recreation services and facilities to residents of the District. On June 11, 2013, the Commission adopted a resolution, pursuant to Section 6-11-2028 of the Code of Laws of South Carolina, 1976, as amended, dissolving the District and transferring all assets and liabilities to the County.

(C) On June 18, 2013 the County Council adopted a resolution accepting the transfer of all assets and liabilities of the District to the County and on September 3, 2013 enacted an ordinance assuming the indebtedness of the District all effective on September 30, 2013.

(D) Heretofore, in compliance with applicable constitutional and statutory provisions, the System has been continuously operated by the County.

(E) The System is operated on a July 1 through June 30 fiscal year basis.

(F) Article X, Section 14 of the Constitution of the State of South Carolina 1895, as amended, provides that a political subdivision may incur indebtedness payable solely from a revenue-producing project which source does not involve revenues from any tax or license. Pursuant to Title 6, Chapter 21, Code of Laws of South Carolina 1976, as amended (the “*Enabling Act*”), the County may issue revenue bonds to defray the cost of making additions and improvements to the System.

(G) The County currently has outstanding the following series of bonds assumed from the District and secured by a pledge of the revenues of the System:

(i) \$3,980,000 of the \$4,685,000 original principal amount Greenville County, South Carolina Recreation System Revenue Bond, Series 2013, dated September 23, 2013 (the “*Series 2013 Bond*”). The Series 2013 Bond is intended to be refunded by a Series of Bonds issued hereunder.

(H) The County Council is therefore enacting this Ordinance to authorize the issuance of Bonds payable from revenues of the System, from time to time, and to provide a mechanism for the ordering of pledges and liens created to secure such Bonds.

- (9) The redemption price or redemption prices and the redemption date or redemption dates and other terms of redemption (if any) applicable to any of the Bonds of such Series for such payments, or the manner of determining such dates and prices and the officials authorized to make such determinations;
- (10) The Trustee, the Registrar, Paying Agent if any, and custodian, if any, for such Bonds, and the escrow agent if such Bonds are advance refunding Bonds;
- (11) The form or forms of the Bonds of such Series;
- (12) The manner of numbering and lettering, and the denomination or denominations of the Bonds of such Series;
- (13) Whether the Bonds of such Series shall be issued in book-entry form pursuant to **Section 4.18** hereof;
- (14) Whether such Series of Bonds will be subject to a Reserve Requirement and if subject to one, that such Reserve Requirement has been or will be met;

- (17) Any other provisions or funds deemed advisable by the County for the Bonds and any other applicable redemption requirement for the Bonds of such Series and the method of satisfying the same and not in conflict with or in substitution for the provisions of the Bond Ordinance.

Section 4.02 Conditions to Issuance of Bonds of a Series.

All Bonds shall be issued in compliance with the following provisions of this **Section 4.02**:

(1) Bonds shall be stated to mature and/or have mandatory or sinking fund redemptions on such day or days in the years and amounts prescribed by or approved as provided in the Series Ordinance.

(2) Bonds shall bear interest at the rates and on the occasions prescribed by or approved as provided in the Series Ordinance.

(3) Bonds shall be issued for a purpose or purposes set forth in **Section 4.01(A)** hereof.

(4) There shall exist, on the occasion of the issuance of the Bonds, no default in the payment of the principal of or interest on any Bonds or any Junior Lien Bonds then Outstanding.

(5) Unless on the date of delivery of such Series of Bonds there shall be on deposit in each Debt Service Reserve Fund the amount equal to the applicable Reserve Requirement, there shall be deposited in such Debt Service Reserve Funds such amounts as may be necessary to make the value of the moneys and securities in each Debt Service Reserve Fund equal to the applicable Reserve Requirement, unless:

(a) the Series Ordinance and any previous Series Ordinances shall have provided for successive monthly payments beginning in the first month following the date of the issuance of the Bonds of any such Series in substantially equal monthly amounts (the “*Monthly Series Payments*”) so that by the end of twelve (12) months from the date of issuance of such Series of Bonds there shall be in the applicable Debt Service Reserve Fund an amount equal to the applicable Reserve Requirement with respect to such Bonds;

(b) there shall be no unremedied defaults of any Monthly Series Payments required to have been made; and

(c) each Debt Service Reserve Fund is funded in an amount equal to the applicable Reserve Requirement with respect to each Series of Bonds, other than Bonds issued pursuant to Series Ordinances described in (a) above.

(6) Except in the case of the initial series of Bonds issued hereunder and Bonds issued for the purpose of refunding any Bonds and which meet the test prescribed in **Section 4.02(7)** hereof:

The County must obtain a certificate of an Accountant addressed to the County and the Trustee that Gross Revenues of the System for the Fiscal Year next preceding the Fiscal Year in which such additional Bonds are to be issued shall have been equal to at least two hundred percent (200%) of the average annual debt service on all Bonds then Outstanding and the additional Bonds then proposed to be issued (with adjustments, if any, for any Bonds that will be discharged upon the issuance of such additional Bonds). “*Average annual debt service*” on the Bonds, as of any date, shall be determined by dividing the sum of the Annual Principal and Interest Requirement for each Fiscal Year for each Series of Bonds then Outstanding by the respective number of such Fiscal Years and then adding the respective quotients. For purposes of calculating Gross Revenues under this **Section 4.02(6)**, actual revenues shall be adjusted upward or downward so as to be stated on the basis of the fee schedules that have been adopted and will be effective during the period starting on the date of issuance of such additional Bonds.

(7) In lieu of compliance with **Section 4.02(6)** hereof, in the case of Bonds issued for the purpose of refunding any Bonds, the Annual Principal and Interest Requirements of the refunding Bonds shall not exceed the Annual Principal and Interest Requirements of the Bonds to be refunded for any Fiscal Year until a time subsequent to the last maturity of Bonds not refunded and which remain Outstanding following the issuance of the refunding Bonds.

(8) If any Series of Bonds shall contain Variable Rate Bonds:

(a) The Series Ordinance shall provide for and specify a maximum interest rate on (i) such Bonds and (ii) any reimbursement obligation to a liquidity provider for such Bonds;

(b) The liquidity provider for such Bonds shall be rated in one of the highest two short-term rating categories by either Moody's Investors Service or Standard & Poor's Rating Services; and

(c) Any accelerated principal payments or any interest computed at a rate in excess of that on such Bonds due to the liquidity provider for such Bonds pursuant to any reimbursement agreement with such liquidity provider shall be subordinate to the payment of debt service on all Bonds; provided, however, if either of the tests referred to in **Sections 4.02(6)** or **4.02(7)** of this Bond Ordinance is calculated (and met) assuming such accelerated principal payment and such excess interest amount to the liquidity provider, then such accelerated principal payment and excess interest amount may be on a parity with the payment of debt service on all Bonds.

Section 4.03 Reliance on Certificates.

Each of the County and any purchaser of any Bonds shall be entitled to rely upon certificates of Accountants and certificates of any Insurance Consultant made in good faith, pursuant to any provision of this Bond Ordinance.

Section 4.04 Execution of Bonds.

(A) Unless otherwise prescribed by any Series Ordinance, the Bonds shall be executed in the name of and on behalf of the County by the Chairman of County Council and the County Administrator, and the same shall be attested by the Clerk. Such officers may employ facsimiles of their signatures.

(B) In case any officer whose signature or facsimile signature shall appear on the Bonds shall cease to be such officer, such signatures or such facsimiles shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office.

Section 4.05 Authentication.

Only such Bonds as shall have endorsed thereon a certificate of authentication duly executed by the Registrar shall be entitled to any right or benefit under the Bond Ordinance. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Registrar, and such executed certificate of the Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under the Bond Ordinance.

Section 4.06 Medium of Payment.

The Bonds shall be payable with respect to principal, interest and premium, if any, in lawful money of the United States of America.

Section 4.07 Mutilated, Lost, Stolen or Destroyed Bonds.

In the event any Bond is mutilated, lost, stolen or destroyed, the County may execute and the Registrar may authenticate a new Bond of the same Series of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and to the Registrar evidence of such loss, theft or destruction satisfactory

to the County and the Registrar together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the City may pay the same. The County may charge the Holder or owner of such Bond with their reasonable fees and expenses in this connection.

Section 4.08 Transfer and Registry; Persons Treated as Owners.

(A) As long as any Bonds shall be Outstanding, the County shall cause books for the registration and for the transfer of Bonds to be kept. Such books shall be kept by the Registrar for any particular Series of Bonds. The transfer of each Bond may be registered only upon the registration books of the County kept for that purpose by the Holder thereof in person or by his duly authorized attorney upon surrender thereof and an assignment with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or his duly authorized attorney. Upon the registration or transfer of any Bond, the County shall cause to be issued, subject to the provisions of **Section 4.11** hereof, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, maturity and interest rate as the surrendered Bond.

(B) The County, the Registrar or any Paying Agent may deem and treat the person in whose name any Bond shall be registered upon the registration books of the County as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium (if any) and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or, upon his order, shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid; and none of the County, the Registrar or any Paying Agent shall be affected by any notice to the contrary.

Section 4.09 Date and Payment Provisions.

Unless otherwise provided in any Series Ordinance with respect to Bonds issued thereunder, each Bond of a Series shall be authenticated on such dates as they shall, in each case, be delivered. Each Bond shall bear interest from the Date of Issue if no interest has yet been paid; otherwise from the last date to which interest has been paid and which date is on or prior to the date of such Bond's authentication.

Section 4.10 Interchangeability of Bonds.

Bonds of a Series, upon surrender thereof at the office of the Registrar for the Bonds of such Series with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder or his duly authorized attorney, may, at the option of the Holder and upon payment by such Holder of any charges made pursuant to **Section 4.11** hereof, be exchanged for an equal aggregate principal amount of Bonds of such Series of like maturity and interest rate of any other authorized denominations.

Section 4.11 Regulations With Respect to Exchanges and Transfer.

In all cases in which the privilege of exchanging or transferring Bonds is exercised, the County shall execute and the Registrar shall authenticate and deliver, Bonds in accordance with the provisions of the Bond Ordinance. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled and destroyed and shall not be reissued, and a counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Registrar to the County. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of the Bond Ordinance. There shall be no charge to the Holder for such exchange or transfer of Bonds except that the Registrar may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer. Neither the County nor the Registrar shall be required to register, transfer or exchange Bonds of a Series after the Record Date for such Series until the next succeeding Bond Payment

Date for such Series or to register, transfer or exchange any Bonds called for redemption after the mailing of any notice of redemption of such Bond.

Section 4.12 Cancellation and Destruction of Mutilated, Paid or Surrendered Bonds.

Upon the surrender of mutilated Bonds pursuant to **Section 4.07** hereof, or Bonds paid or surrendered, the same shall be cancelled and destroyed and shall not be reissued, and a counterpart of the certificate evidencing such destruction shall be furnished by the Registrar to the County. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of the Bond Ordinance.

Section 4.13 Notice of Redemption.

If any of the Bonds, or portions thereof, are called for redemption, the County shall give notice to the Holders of any Bonds to be redeemed of the redemption of such Bonds, or portions thereof. Notice of each redemption of Bonds is required to be mailed by first class mail, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds to be redeemed, at the address of such owner recorded on the bond register and to be otherwise given in accordance with, among others, the following requirements:

(1) notices must contain, at a minimum, the complete official name of the Bonds, CUSIP number, if any, Bond numbers, principal amount of each Bond to be redeemed (if less than all), publication date, redemption date, redemption price, redemption agent's name and address with contact person and phone number, date of the Bonds, interest rate, maturity date and the place or places where amounts due will be payable;

(2) a second notice to registered owners of the Bonds must be mailed by the means specified above to any registered owner of Bonds who has not presented Bonds for redemption 60 days after the redemption date;

(3) notice of redemptions effected by advance refundings must also be given in accordance with the above requirements at least thirty (30) days but no more than sixty (60) days prior to the actual redemption date; and

(4) the obligation of the County to give the notice required by this **Section 4.13** shall not be conditioned upon the prior payment to the Trustee of money or the delivery to the Trustee of Authorized Investments sufficient to pay the redemption price of the Bonds to which such notice relates or the interest thereon to the redemption date.

Any Series Ordinance providing for the issuance of Bonds consisting of contractual obligations not in the form of an instrument or providing for Bonds in bearer form may provide alternative methods for delivery of notice of redemption. In the event there is a single Holder for a Series of Bonds, notice may be given in any manner agreeable to such Holder.

Provided sufficient funds for such redemption are on deposit with the Trustee, all Bonds so called for redemption shall cease to bear interest on the specified redemption date and shall no longer be deemed to be Outstanding hereunder. If said money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 4.14 Cancellation of Bonds Which have been Redeemed.

All Bonds which have been redeemed shall be cancelled and destroyed by the Registrar and shall not be reissued, and a counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Registrar to the County. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of the Bond Ordinance.

Section 4.15 Selection of Bonds to be Redeemed.

In the event of redemption of less than all of the Bonds of a Series of any maturity, the Bonds or portions of Bonds to be redeemed, shall be selected by lot by the County; provided, however, that the portion of any Bond of a denomination which is larger than the minimum denomination for the Bonds of such Series shall be in the principal amount of such minimum denomination or a multiple thereof, and that, in selecting portions of such Bonds for redemption, the County shall treat each such Bond as representing that number of Bonds of minimum denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by the amount of the minimum denomination; provided further that, if less than all of the beneficial interests in a Bond of a single maturity registered in the name of a Securities Depository or a Securities Depository Nominee are to be redeemed, the beneficial interests to be redeemed shall be selected by lot by the Securities Depository. If there shall be drawn for redemption less than all of a Bond, the County shall execute and the Registrar shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, Bonds of the same Series in any authorized denomination.

Section 4.16 Bonds Issued as Taxable Obligations.

Notwithstanding anything in this Bond Ordinance to the contrary, the County may from time to time, pursuant to one or more Series Ordinances, provide for the issuance of Bonds the interest on which may be includable in gross income of the Holders of such Bonds for federal income taxation purposes. In such event, such Bonds may, at the option of the County, be issued as coupon bonds, payable to bearer, as provided in the applicable Series Ordinance. Such Series Ordinance shall provide such rules and regulations with respect to the ownership, transfer and substitution of such Bonds as are not inconsistent with the other provisions of this Bond Ordinance.

Section 4.17 Security for Payments of the Bonds; Priority of Lien.

The Bonds shall be payable solely from and shall be secured by a pledge of the Gross Revenues of the System. Such pledge securing the Bonds shall at all times and in all respects be and remain superior to pledges made and given to secure any other Bonds or other obligations payable from the revenues of the System and which are issued hereafter. In order to further secure the payment of the principal and interest due on the Bonds, a statutory lien upon the System, as authorized by the Enabling Act, is hereby provided. The Bonds shall not constitute an indebtedness of the County within the meaning of any provision, limitation or restriction of the Constitution or the laws of the State, other than those provisions authorizing indebtedness payable solely from a revenue-producing project not involving revenues from any tax or license; and the faith, credit and taxing power of the County are expressly not pledged therefor. The County is not obligated to pay any of the Bonds or the interest thereon except from the revenues of the System as provided in this Ordinance.

Section 4.18 Bonds in Book-Entry Form.

Notwithstanding any other provision of this Bond Ordinance with respect to the form of Bonds to the contrary, a Series Ordinance may provide for the issuance of one or more Series of Bonds solely in

fully registered form registrable to a Securities Depository, a Securities Depository Nominee or the beneficial owner of the Bonds. The Series Ordinance may further provide that such Series of Bonds shall be evidenced by one or more certificates or by a system of book entries in form satisfactory to the County Administrator and to provide for payment, redemption, notices and like provisions in a manner consistent with such system of registration.

Section 4.19 Waiver of Certain Provisions.

Notwithstanding anything in this Bond Ordinance to the contrary, whenever all of the debt issued or all of the obligations incurred by the County under a Series Ordinance are acquired by and are held by a single entity, that single entity, at its sole option, may waive any provision or requirement of this Bond Ordinance that relates separately to the governance of such Series and is for the protection and benefit of such single entity only and not for the protection or benefit of any other Holder or Holders of Bonds.

(A) It is hereby determined that the rates for services and facilities furnished by the System shall, until otherwise revised, be as now established. Said rates and charges are determined to be sufficient to meet the requirements of the Bond Ordinance but they shall be revised by the County Council whenever necessary in order that they shall at all times be maintained on a basis sufficient to meet the requirements of the Bond Ordinance. The County specifically covenants and agrees to maintain rates and charges for all services furnished by the System which shall at all times be sufficient:

(1) To maintain the Debt Service Funds and thus provide for the punctual payment of the principal of and interest on the respective Series of Bonds;

(2) To maintain any Debt Service Reserve Funds in the manner prescribed herein and in any applicable Series Ordinances;

(3) To provide, along with the *ad valorem* taxes and local hospitality taxes, for the payment of the expenses of administration and operation and such expenses for maintenance of the System as may be necessary to preserve the same in good repair and working order;

(6) To discharge all obligations imposed by the Enabling Act and by the Bond Ordinance and the Series Ordinances; and

(7) To provide for the punctual payment of the principal of and interest on all Junior Lien Bonds that may from time to time hereafter be Outstanding;

(B) The County Council covenants and agrees that it will, at all times, prescribe and maintain and thereafter collect rates and charges for the services and facilities furnished by the System that, together with other income, are reasonably expected to yield annual Gross Revenues in the current Fiscal Year equal to at least the sum of (i) one hundred twenty-five percent (125%) of the Annual Principal and Interest Requirement for all Series of Bonds Outstanding in such Fiscal Year, plus (ii) one hundred percent (100%) of the principal and interest on Junior Lien Bonds, or the capital costs pursuant to the provisions of long-term contracts that the County Council has entered into in order to provide recreational and related services, due in such Fiscal Year, plus (iii) one hundred percent (100%) of any required payment into a Debt Service Reserve Fund due in such Fiscal Year; and, promptly upon any material change in the circumstances that were contemplated at the time such rates and charges were most recently reviewed, but not less frequently than once in each Fiscal Year, shall review the rates and charges for its services and shall promptly revise such rates and charges as necessary to comply with the foregoing requirement. Prior to the beginning of each Fiscal Year, the County Council shall adopt an Annual Budget including amended fee schedules for such Fiscal Year that shall set forth in reasonable detail the estimated revenues and operating expenses and other expenditures of the System for such Fiscal Year and

that shall include the amount to be deposited during such Fiscal Year in the Depreciation and Contingent Fund. The County Council may at any time adopt an amended Annual Budget for the remainder of the then current Fiscal Year.

### JUNIOR LIEN BONDS AND CAPITAL LEASE FINANCINGS

#### Section 6.01 Right to Issue Junior Lien Bonds; Accession Thereof to Status of Bonds.

Notwithstanding that Bonds may be Outstanding, the County may, at any time, and without limitation and free of all conditions issue Junior Lien Bonds, in such amount as it may from time to time determine, payable from the revenues of the System, provided that the pledge of revenues and any lien upon the System granted for the protection of said Junior Lien Bonds, shall at all times be and remain subordinate and inferior in all respects to the pledges of revenues and liens upon the System made or authorized for the Bonds.

By proceedings authorizing the issuance of Junior Lien Bonds, the County may provide for the accession of such Junior Lien Bonds to the status of Bonds provided all of the conditions set forth in subparagraphs (1) through (7) are met. Any such subsequent proceedings adopted by the County Council providing for such accession shall make the findings provided in subparagraphs (1) through (4) and state whether and to what extent a Debt Service Reserve Fund shall be established as set forth in subparagraph (5).

(1) The Junior Lien Bonds were issued for a purpose or purposes set forth in **Section 4.01(A)** hereof.

(2) There shall exist on the date of accession (a) no default in the payment of the principal of or interest on any Bonds or any Junior Lien Bonds then Outstanding and (b) no default in the performance of any duties required under the provisions of the Bond Ordinance and (c) no amount owed by the County with respect to the full funding of a Debt Service Reserve Fund, either by way of cash or reimbursement of any other funding mechanism, except in accordance with **Section 4.02(5)(a)** hereof.

(3) There shall be deposited in the Debt Service Fund for such Series of newly-acceded Bonds the amounts which would have been required under the provisions of **Section 8.02** hereof to be accumulated therein on the date of accession if said Junior Lien Bonds had originally been issued as Bonds.

(4) On the date of accession, the earnings test prescribed by **Section 4.02(6)** hereof shall have been met.

(5) In the event such proceedings require a Reserve Requirement to be maintained for such Series of newly-acceded Bonds, then in such event, there shall be on deposit on the date of accession in a Debt Service Reserve Fund an amount equal to the Reserve Requirement established for such Junior Lien Bonds which are being acceded to the status of Bonds.

(6) The County shall obtain an opinion of Bond Counsel to the effect that (a) the Bond Ordinance and the proceedings authorizing such Junior Lien Bonds have been duly adopted and are in full force and effect; (b) the Junior Lien Bonds have been duly and lawfully authorized and executed by the County and are valid and binding upon, and enforceable against, the County (except to the extent that the enforceability thereof may be limited by the operation of bankruptcy, insolvency and similar laws affecting rights and remedies of creditors); and (c) the Bond Ordinance creates the valid pledge which it purports to create of the revenues and of moneys and securities on deposit in any of the funds established hereunder subject to the application thereof to the purposes and on the conditions permitted by the Bond Ordinance.

(7) In the event such Junior Lien Bonds were issued with variable rates, the provisions of **Section 4.02(8)** hereof shall have been met.

Section 6.02 Capital Lease Financings.

The County shall have at all times the right to enter into capital leases or other lease financing agreements secured by a lien on the property, plant, and equipment comprising a part of the System; provided, however, that the aggregate principal amount of such obligations outstanding at any time shall not exceed fifteen percent (15%) of the property, plant, and equipment of the System less accumulated depreciation as shown on the audited balance sheet of the System for the most recent Fiscal Year for which audited financial statements are available.

Section 6.03 Right to Issue Special Facilities Bonds.

The County shall have at all times the right to enter into contracts, leases or other agreements pursuant to which it will agree to construct, operate and pay the costs of Special Facilities to be financed by its issuance of Special Facilities Bonds, subject to the following conditions:

(a) It shall have been determined to the satisfaction of the County that the rents, revenues or receipts to be derived from the Special Facilities shall be at least equal to the principal, interest and any reserve requirements contained in the ordinance authorizing such Special Facilities Bonds and to pay all operation, maintenance and other costs and expenses applicable to such Special Facilities; and

(b) The revenues derived from Special Facilities need not be deposited in the General Revenue Fund, and may be pledged to secure Special Facilities Bonds; but no debt service or other costs or expense related to any Special Facilities may be paid from System revenues deposited in the General Revenue Fund except pursuant to **Section 8.07** hereof.

For purposes of this **Section 6.03**, the term “*Special Facilities*” shall include all or a portion of recreational and related facilities and rights to all or a portion of the use of, or the capacity available from, any such facilities.

## ARTICLE VII

### ESTABLISHMENT OF FUNDS

#### Section 7.01 Requirement for Special Funds.

For so long a time as any sum remains due and payable by way of principal or interest on Bonds, the following funds or accounts relating to the revenues of the System shall be established and maintained, and deposits shall be made therein in the manner herein required.

#### Section 7.02 The General Revenue Fund.

(A) There shall be established and maintained a fund or account designated as the General Revenue Fund. This Fund is currently existing as the general fund of the System. This account shall be so maintained as to accurately reflect the Gross Revenues of the System.

(B) Except as otherwise specifically directed or permitted herein, all Gross Revenues of the System shall be deposited in accordance with and in the manner prescribed by **Article VIII** hereof into this fund. Money in the General Revenue Fund shall be withdrawn and made use of only in the manner and in the order of priority specified in **Article VIII** hereof. So long as the County establishes, from an accounting standpoint, proper records of receipts and disbursements for the General Revenue Fund, the General Revenue Fund may be used for the purposes of the Operation and Maintenance Fund, subject to the order of priority specified in **Article VIII** hereof.

#### Section 7.03 The Debt Service Funds.

(A) There shall be established and maintained a Debt Service Fund for each Series of Bonds Outstanding. The Debt Service Funds are intended to provide for the ratable payment of the principal of, redemption premium, if any, and interest on Bonds of the respective Series as the same respectively fall due. Payments into these Funds shall be made in the manner prescribed by the Bond Ordinance, including the applicable provisions of **Article VIII**, and, except as herein provided, all money in each Debt Service Fund shall be used solely to pay the principal of and interest on the Bonds of the respective Series, and for no other purpose.

(B) Each Debt Service Fund shall be held in trust by a Trustee and to that end shall be kept in its complete custody and control and withdrawals from each Debt Service Fund shall be made only by such Trustee who shall transmit to each Bondholder, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the Bonds of that respective Series.

(C) Money in each Debt Service Fund shall be invested and reinvested at the written direction of the County Administrator or his designee in Authorized Investments, maturing not later than the date on which such money is required to pay the interest and/or the principal and interest next maturing. All earnings from such investments shall be added to and become a part of such Debt Service Fund, but shall be credited against payments that would otherwise be made to that Debt Service Fund pursuant to the provisions of **Section 8.03** hereof.

#### Section 7.04 The Debt Service Reserve Funds.

(A) Each Series Ordinance may create a Debt Service Reserve Fund for the Series of Bonds authorized thereby. Any such Debt Service Reserve Fund shall be for the equal and ratable benefit only of Bonds of that Series. Each such Debt Service Reserve Fund is intended to insure the timely payment of

the principal of, and premium, if any, and interest on, that Series of Bonds, and to provide for the redemption of such Bonds prior to their stated maturities. Any Debt Service Reserve Fund shall be maintained in an amount equal to the Reserve Requirement established by the Series Ordinance for such Series of Bonds. Money in a Debt Service Reserve Fund shall be used for the following purposes, and for no other:

- (1) To prevent a default in the payment of the principal of or interest on that Series of Bonds, by reason of the fact that money in its Debt Service Fund is insufficient for such purposes;
- (2) To pay the principal of, interest on, and redemption premium of Bonds of that Series in the event that all Outstanding Bonds of that Series be redeemed as a whole; or
- (3) To effect partial redemption of Bonds of that Series; provided that subsequent to said partial redemption, the market value of the cash and securities in the Debt Service Reserve Fund shall be not less than the Reserve Requirement.

The requirements for and provisions governing any Debt Service Reserve Fund in the remainder of the Bond Ordinance shall, in references to “the Debt Service Reserve Fund,” “the Reserve Requirement,” the “Debt Service Fund(s)” and “the Bonds,” be deemed to refer to each such Debt Service Reserve Fund created by a Series Ordinance, and in each case to the respective Reserve Requirement and Debt Service Fund for the respective Series of Bonds, and to Bonds only of that respective Series and not to any other Bonds.

(B) Each Debt Service Reserve Fund shall be kept in the complete custody and control of the Trustee. Withdrawals therefrom shall be made only by the Trustee who shall transmit to the Bondholders of the applicable Series, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the applicable Series of Bonds.

(C) If a Debt Service Reserve Fund is funded by monies of the County and not from Bond proceeds and the Bondholders of such Series of Bonds subsequently eliminate the requirement to maintain such Debt Service Reserve Fund, then such monies, at the direction of the County, shall be deposited into an account designated by the County to be used for any lawful purpose of the County, provided however, that the Trustee receive an opinion of Bond Counsel to the effect that such action will not be adverse to the Holders of such Series of Bonds.

(D) Money in a Debt Service Reserve Fund shall be invested and reinvested by the Trustee at the written direction of the County Administrator or his designee in Authorized Investments. Subject to the remaining provisions of this paragraph (C), the earnings from such investments shall be added to and become a part of such Debt Service Reserve Fund. If as of any date of calculation, the value of the securities and money in a Debt Service Reserve Fund shall exceed its Reserve Requirement, such excess shall either be used to effect partial redemption of Bonds of that Series, or shall be removed from such Debt Service Reserve Fund and transferred into the Debt Service Fund with respect to the Bonds of that Series, as directed by the County Administrator in writing.

(E) Notwithstanding anything in this Bond Ordinance to the contrary, the County, in lieu of the deposit of moneys into a Debt Service Reserve Fund, may satisfy the applicable Reserve Requirement by causing to be credited to such Fund an irrevocable and unconditional surety bond, line of credit, letter of credit or insurance policy payable to the Trustee or the Paying Agent for the benefit of the Holders of the Bonds of the applicable Series in an amount which together with other moneys on deposit in such Debt Service Reserve Fund is equal to such Reserve Requirement. The details of such surety bond, line of credit, letter of credit or insurance policy shall be provided in the applicable Series Ordinance.

Section 7.05 The Operation and Maintenance Fund.

(A) There shall be established and maintained an Operation and Maintenance Fund. This fund is intended to provide for the payment of all expenses (except those expenses to be paid by *ad valorem* taxes or local hospitality taxes) incurred in connection with the administration and operation of the System, including, without limiting the generality of the foregoing, such expenses as may be reasonably necessary to preserve the System in good repair and working order, the fees and charges of the Trustee or custodian of any fund, the costs of audits required hereunder, and the premiums for all insurance and fidelity bonds required hereby.

(B) Withdrawals from the Operation and Maintenance Fund shall be made by or on the order of the County Administrator in accordance, as nearly as may be practicable, with the Annual Budget then in effect.

Section 7.06 The Depreciation and Contingent Fund.

(A) There shall be established and maintained a Depreciation and Contingent Fund held and administered by the County Administrator. This fund shall be maintained in an amount to be established not less frequently than annually by the County Administrator in order to provide a reasonable reserve for depreciation of the System, for contingencies and for improvements, betterments and extensions of the System.

(B) Money in this fund shall be used solely:

- (1) For the purpose of restoring depreciated or obsolete items of the System;
- (2) For improvements, betterments and extensions to the System, other than for those things which are reasonably necessary to maintain the System in good repair and working order;
- (3) To defray the cost of unforeseen contingencies;
- (4) To prevent defaults of Bonds and Junior Lien Bonds; and

(C) Withdrawals from this Fund shall be made by or on order of the County Administrator.

Section 7.07 The Capitalized Interest Account.

There may be established a capitalized interest account to provide for the payment of interest on the Bonds of a particular Series. Any such account shall be created by the Series Ordinance relating to the issuance of the Bonds of such Series. The Series Ordinance shall provide for the disposition of any earnings from the investment of the funds in any such capitalized interest account.

Section 7.08 Investments of Fund.

Whenever, in the opinion of the County Administrator, it becomes desirable to invest money in any of the funds established by this **Article VII** (other than the Debt Service Reserve Funds, the Debt Service Funds and any capitalized interest account for which provisions are made above) the County Administrator may make Authorized Investments. Earnings resulting from the investment of money in a particular fund shall be deposited into the General Revenue Fund (i) except as provided in **Sections 7.03, 7.04 and 7.07** hereof and (ii) unless the County Administrator shall have determined pursuant to the Annual Budget that any such earnings on amounts in the Depreciation and Contingent Fund shall remain

## ARTICLE VIII

### DISPOSITION OF REVENUES

#### Section 8.01 Deposits to General Revenue Fund; Dispositions Therefrom.

The Gross Revenues of the System except that money the disposition of which is controlled by other provisions of the Bond Ordinance are declared to be a part of the General Revenue Fund and shall from time to time be promptly deposited in a bank or depository in an account which will reflect the fact that they are a part of the General Revenue Fund. The dispositions from the General Revenue Fund required by the remaining Sections of this **Article VIII** shall be made on or before the fifteenth day of each month following the delivery of the first Series of Bonds issued pursuant to the Bond Ordinance. Payments from the General Revenue Fund shall be made in the order of priority established by the sequence of the remaining Sections of this **Article VIII**.

#### Section 8.02 Payments for the Bonds.

Provision shall be made for the payment of principal of, premium, if any, and interest on the Bonds without priority of any one over any other. To that end:

(1) There shall be deposited into each Debt Service Fund the monthly fraction of the aggregate amount of interest to become due on the respective Series of Bonds on the next ensuing interest payment date (or the monthly amount due, if interest is payable monthly); provided, however, that if provision has been made for the payment of all or part of the next installment of interest to become due on any Bonds, pursuant to any other provision of the Bond Ordinance, or any Series Ordinance, or by reason of investment earnings, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly.

(2) There shall be deposited into each Debt Service Fund the monthly fraction of the Principal Installment of the respective Series of Bonds next becoming due and payable (or the monthly amount due, if principal is payable monthly), so that on each principal maturity date, the amount of principal to be paid shall have been accumulated and be on hand; provided, however, that if provision has been made for the payment of all or part of the next installment of principal to become due on the respective Series of Bonds, pursuant to any other provision of the Bond Ordinance, or any Series Ordinance, or by reason of investment earnings, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly.

(3) If, on the occasion when the deposits required by paragraphs (1) and (2) of this **Section 8.02**, are to be made, the sum total of the deposits required thereby plus previous monthly deposits and the remaining deposits to be made prior to the next succeeding principal and interest payment dates, will be less than the sum required to effect the payment of the next succeeding installment of either principal or interest, or both on the respective Series of Bonds, as the case may be, a sum equal to such deficiency shall be added to the deposits so to be made.

#### Section 8.03 Deposits for the Debt Service Reserve Funds – Valuation.

Deposits shall next be made in the amounts required by this **Section 8.03** into the respective Debt Service Reserve Funds. The market value of the cash and securities in each Debt Service Reserve Fund shall be calculated as of each Bond Payment Date (such calculation to be made within forty-five (45) days after such Bond Payment Date) in order to determine if the Debt Service Reserve Fund contains the Reserve Requirement therefor, and the extent to which payments therefor or withdrawals must be made therefrom, and the timing thereof, pursuant to the Bond Ordinance and the respective Series Ordinances.

Unless a Debt Service Reserve Fund is being funded pursuant to Section **4.02(5)(a)** of the Bond Ordinance or then contains in cash and securities an amount at least equal to its Reserve Requirement, there shall be paid into such Debt Service Reserve Fund on the last Business Day of each of the twelve (12) months following a determination of a deficiency in such Debt Service Reserve Fund one-twelfth (1/12) of the amount necessary to re-establish in such Debt Service Reserve Fund its Reserve Requirement; provided, however, nothing herein shall preclude the County from fully re-establishing such Reserve Requirement in a more timely fashion than as so prescribed. The value of any Authorized Investments in a Debt Service Reserve Fund shall be calculated as follows:

(1) except for Authorized Investments described in (2) or (3) below, the bid price published by a nationally recognized pricing service selected by the Trustee in its sole discretion;

(2) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest; and

(3) as to any investment not valued by the nationally recognized pricing selected by the Trustee or not specified in (2) above: the value thereof established by prior agreement between the County and the Trustee.

Section 8.04 Deposits for Operations and Maintenance Fund.

There shall be deposited in the Operation and Maintenance Fund the amount necessary for the ensuing month for the payment of all expenses (except those expenses paid by *ad valorem* taxes or local hospitality taxes) expected to be incurred in connection with the administration and operation of the System, including, without limiting the generality of the foregoing, such expenses as may be reasonably necessary to preserve the System in good repair and working order, the fees and charges of the Trustee, custodian, if any, and the Registrar or any Paying Agent, the costs of audits required hereunder, and the premiums for all insurance and fidelity bonds required by the Bond Ordinance. Such payments shall be made by or on the order of the County Administrator in accordance, as nearly as may be practicable, with the Annual Budget then in effect.

Section 8.05 Deposits for the Depreciation and Contingent Fund.

There shall be deposited into the Depreciation and Contingent Fund that sum which is one-twelfth (1/12) of the sum which has been currently determined by the County Administrator to be the estimated requirement therefor for the then current Fiscal Year.

Section 8.06 Payments for Junior Lien Bonds.

Provision shall then be made for the payment of any other indebtedness which is junior and subordinate to the Bonds in the order of priority contemplated by the proceedings authorizing their issuance.

Section 8.07 Use of Surplus Money.

All money remaining after making the payments required by **Sections 8.02 to 8.06**, shall be disposed of for any lawful purpose in such manner as the County Administrator shall from time to time determine.

## ARTICLE IX

### AGREEMENT TO FURNISH INFORMATION WITH RESPECT TO SYSTEM

#### Section 9.01 Keeping Records.

The County recognizes that those who may from time to time hereafter be Bondholders will, throughout the life of the Bonds, require full information with respect to the System, the fiscal affairs of the System, and all matters incident to each. To that end the County covenants and agrees that it will install and thereafter at all times maintain proper books of records and accounts, separate and distinct from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the System, and all revenues and receipts derived therefrom, directly or indirectly. Such books and records shall be kept in such fashion as to reveal in detail:

- (A) The number of users, to the extent possible, who may from time to time make use of the System;
- (B) The Gross Revenues of the System and the source from whence derived;
- (C) All expenses incurred in the operation of the System suitably identified as to purpose;
- (D) [Reserved];
- (E) All expenditures made from the several funds established by the Bond Ordinance, and Series Ordinances authorizing the issuance of the Bonds; and
- (F) The fees schedules that may from time to time be in force.

#### Section 9.02 Audit Required.

The County further covenants and agrees that so long as any Bonds are Outstanding, it will, not later than one hundred eighty (180) days after the close of each Fiscal Year, cause to be made and completed by the Accountants, an audit of the records, books and accounts pertaining to the System, made in accordance with generally accepted accounting practices, showing, among other things, Gross Revenues, any other revenues used by the County for the operation of the System, and operational and maintenance expenses of the System. The cost of such audit shall be treated as a part of the cost of operating and maintaining the System.

[End of Article IX]

**ARTICLE X**  
**INSURANCE**

Section 10.01 Insurance.

(A) The County covenants and agrees that so long as any Bonds are Outstanding:

(1) That it will insure and at all times keep the System insured against physical loss or damage with a responsible insurance company or companies, authorized and qualified under the laws of the State, to assume the risks insured against, in such amount as private corporations engaged in similar endeavors would customarily insure for;

(2) That it will secure adequate fidelity bonds (blanket or individual) of a surety company doing business in the State, indemnifying the County against defalcation of all persons handling money derived from the System or signing checks on any bank accounts relating to the System;

(3) That all premiums on all bonds or insurance policies shall be deemed a part of the cost of operating and maintaining the System;

(4) That all insurance policies shall be open to the inspection of any Bondholder at any reasonable time; and

(5) That all money received by the County as a consequence of any defalcation, covered by any fidelity bond, shall be used to restore the fund depleted by the defalcation. All sums received by the County from insurance with respect to the System may, to the extent necessary, be applied to the repair and replacement of the damaged or destroyed property, but, in the event that such money is not used for such purposes, then the same shall be deposited in the Depreciation and Contingent Fund.

(B) Insurance required by this **Section 10.01** may be provided through the South Carolina Insurance Reserve Fund. The County may obtain or adopt alternative risk management programs which an Insurance Consultant determines to be reasonable, including, without limitation, self-insurance in whole or in part individually or in connection with other institutions, participation in programs of captive insurance companies, participation with other governmental entities in mutual or other cooperative insurance or other risk management programs, participation in state or federal insurance programs, taking advantage of state or federal laws now or hereafter in existence limiting liability, or establishing or participating in other alternative risk management programs; all as may be approved by the Insurance Consultant as reasonable and appropriate risk management by the County. If the County shall be self-insured for any coverage, the County shall obtain a report of an Insurance Consultant stating whether the anticipated funding of any self-insurance fund is actuarially sound, and if not, the required funding to produce such result and such coverage shall be reviewed by the Insurance Consultant not less frequently than annually. Any self-insurance program shall be subject to annual review by the Insurance Consultant who shall provide a written report to the County which shall include recommendations relating to such self-insurance program.

(C) All costs and expenses of providing the insurance required by this **Section 10.01** shall be payable solely from the revenues of the System.

## ARTICLE XI

### ADDITIONAL COVENANTS

#### Section 11.01 Additional Covenants to Secure Bonds.

The County further covenants and agrees:

(A) That neither the System, nor any part thereof, nor any of the revenues derived from the System, have been or will be hypothecated, mortgaged, otherwise pledged or encumbered, save and except as herein disclosed and provided for;

(B) That, where applicable, it will permit no free service to be rendered, or use to be made of the services and facilities of the System, and, where applicable, for the services and facilities of the System used by the County, the reasonable cost and value of such services and facilities shall be paid as such services accrue. (C) That, where applicable, it will permit no user to receive any service afforded by the System, unless a proper account is established and charges are levied against such account for services rendered, and such user shall become obligated to pay for the service rendered at the appropriate fee according to the fee schedule then in force;

(D) That it will permit, so long as there are any Bonds Outstanding, any Bondholder to inspect the System and all records and accounts thereof under reasonable terms and conditions and after reasonable notice has been given;

(E) That it will not make any use of the proceeds of any Series of Bonds other than Bonds issued pursuant to **Section 4.16** hereof which, if such use had been reasonably expected on the date of the issuance of the Bonds of such Series, would have caused such Bonds or any other Bonds to be “*arbitrage bonds*” within the meaning of Section 148 of the Code and will observe and not violate the requirements of Section 148 of the Code;

(F) That so long as there are any Bonds Outstanding, it will perform all duties with reference to the System required by the Constitution and statutes of the State; and

(G) That it will not pledge, mortgage or otherwise encumber the System or any part thereof, or any revenues therefrom, except in the manner herein authorized, and it will not sell, lease or dispose of any portion of the System, necessary or useful (as determined by the County Council) in the operation of the System, until all Bonds shall be paid in full, or unless and until provision shall have been made for the payment of all Bonds and the interest thereon in full, and that it will maintain in good condition and operate the System. If pursuant to this paragraph anything belonging to the System which is not deemed by the County Council to be necessary or useful therefor shall be sold or disposed of, the proceeds of such sale or disposition shall be deposited at the direction of the County Council in either of the Depreciation and Contingent Fund or in the General Revenue Fund.

(ii) Second: To the payment to the persons entitled thereto of the unpaid Principal Installments (and redemption premiums, if any) of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal (plus redemption premium, if any) due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any differences as to the respective rates of interest specified in the Bonds; and

(3) To the payment of necessary Operation and Maintenance Expenses;

(4) For the purposes and to the respective funds set forth in **Article VIII** hereof.

#### Section 13.05 Remedies Not Exclusive.

No remedy by the terms of this Bond Ordinance conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Bond Ordinance or existing at law or in equity or by statute (including the Enabling Act) on or after the date hereof.

#### Section 13.06 Remedies Vested in Trustee.

All rights of action (including the right to file proof of claims) under this Bond Ordinance or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of **Section 13.04** hereof, any recovery of judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

#### Section 13.07 Majority of Bondholders Control Proceedings.

If an Event of Default shall have occurred and be continuing, notwithstanding anything in this Bond Ordinance to the contrary, the Holders of at least a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Bond Ordinance or for the appointment of a receiver or any other proceedings hereunder, provided that such direction is in accordance with law and the provisions of this Bond Ordinance (including indemnity to the Trustee) and, in the sole judgment of the

Trustee, is not unduly prejudicial to the interests of the Bondholders not joining in such direction and provided further that nothing in this **Section 13.07** shall impair the right of the Trustee in its discretion to take any other action under this Bond Ordinance which it may deem proper and which is not inconsistent with such direction by Bondholders.

Section 13.08 Individual Bondholder Action Restricted.

(A) No Holder of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Bond Ordinance or for the execution of any trust hereunder or for any remedy under this Bond Ordinance unless:

(1) An Event of Default has occurred of which the Trustee has knowledge in accordance with **Section 14.05(L)** hereof; and:

(2) The Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in this Bond Ordinance or to institute such action, suit or proceeding in its own name; and

(3) Such Bondholders shall have offered the Trustee reasonable indemnity; and

(4) The Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceedings in its own name for a period of sixty (60) days after receipt by it of such request and offer of indemnity.

(B) No one or more Holders of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Bond Ordinance or to enforce any right hereunder except in the manner herein provided and for the equal benefit of the Holders of all Bonds Outstanding.

(C) Nothing contained in this Bond Ordinance shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond:

(1) to receive payment of the principal of or interest on such Bond on the due date thereof; or

(2) to institute suit for the enforcement of any such payment on or after such due date.

Section 13.09 Termination of Proceedings.

In case any proceeding taken by the Trustee or any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bondholders, the County, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Section 13.10 Waiver and Non-waiver of Event of Default.

(A) No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this **Article XIII** to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(B) The Trustee may waive any Event of Default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Bond Ordinance, or before the completion of the enforcement of any other remedy under this Bond Ordinance.

(C) Notwithstanding anything contained in this Bond Ordinance to the contrary, the Trustee, upon the written request of the Holders of at least a majority of the aggregate principal amount of Bonds then Outstanding (including, if more than one Series of Bonds shall at the time be Outstanding, the Holders of a majority in principal amount of all Bonds then Outstanding of each such Series), shall waive any Event of Default hereunder and its consequences; provided, however, that except under the circumstances set forth in **Section 13.02(B)** hereof or **Section 13.10(B)**, a default in the payment of the principal of, premium, if any, or interest on, any Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all Bonds at the time Outstanding.

(D) In case of any waiver by the Trustee of an Event of Default hereunder, the County, the Trustee and the Bondholders shall be restored to their former positions and rights under this Bond Ordinance, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with this **Section 13.10**.

Section 13.11 Notice of Defaults.

(D) No provision of this Bond Ordinance or any Series Ordinance, as applicable, shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this subsection shall not be construed to limit the effect of subsection (B) of this **Section 14.05**;

(2) the Trustee is not liable for any error of judgment made in good faith by an authorized agent or officer of the Trustee, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts;

(E) The Trustee may rely and is protected in acting or refraining from acting upon any ordinance, resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(F) Any request, direction, order or demand of the County under this Bond Ordinance or any Series Ordinance, as applicable, shall be sufficiently evidenced by a written certificate of the County (unless other evidence thereof is specifically prescribed).

(G) Whenever in the administration of this Bond Ordinance or any Series Ordinance, as applicable, the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence thereof is specifically prescribed) may, in the absence of bad faith on its part, rely upon a written certificate of the County.

(H) The Trustee may consult with legal counsel and the written advice of such legal counsel or an opinion of legal counsel shall be full and complete authorization and protection for any action taken, suffered or omitted by it in good faith and in accordance with such advice or opinion.

(I) The Trustee is under no obligation to exercise any of the rights or powers vested in it by this Bond Ordinance or any Series Ordinance, as applicable, at the request or direction of any of the Bondholders unless such holders have offered to the Trustee security or indemnity satisfactory to the Trustee as to its terms, coverage, duration, amount and otherwise with respect to the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction, and the provision of such indemnity shall be mandatory for any remedy taken upon direction of the holders of twenty-five (25%) in aggregate principal amount of the Bonds.

(J) The Trustee is not required to make any inquiry or investigation into the facts or matters stated in any ordinance, resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee determines to make such further inquiry or investigation, it is entitled to examine the books, records and premises of the System, in person or by agent or attorney.

(K) The Trustee may execute any of its trusts or powers or perform any duties under this Bond Ordinance or any Series Ordinance, as applicable, either directly or by or through agents or attorneys, and may in all cases pay, subject to reimbursement by the County, such reasonable compensation as it deems proper to all such agents and attorneys reasonably employed or retained by it, and the Trustee shall not be responsible for any misconduct or gross negligence of any agent or attorney appointed with due care by it.

(L) The Trustee is not required to take notice or deemed to have notice of any default or Event of Default hereunder, except Events of Default under Sections 13.01(A)(1) and 13.01(A)(2), unless an authorized agent of the Trustee has actual knowledge thereof or has received notice in writing of such default or Event of Default from the County or from the holders of at least twenty-five (25%) in aggregate principal amount of the Outstanding Bonds, and in the absence of any such notice, the Trustee may conclusively assume that no such default or Event of Default exists.

(M) The Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Bond Ordinance or any Series Ordinance, as applicable.

(N) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of Bonds, each representing less than a majority in aggregate principal amount of the Bonds then Outstanding, pursuant to the provisions of this Bond Ordinance or any Series Ordinance, as applicable, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

(O) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Bond Ordinance or any Series Ordinance, as applicable, shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Bond Ordinance or any Series Ordinance, as applicable, and final payment of the Bonds.

(P) The permissive right of the Trustee to take the actions permitted by this Bond Ordinance or any Series Ordinance, as applicable, shall not be construed as an obligation or duty to do so.

(Q) The Trustee shall have no responsibility for any information in any offering memorandum or other disclosure material distributed with respect to the Bonds, and the Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(R) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholder may be entitled to take with like effect as if it were not Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the County and may act as depository, trustee or agent for any committee of Bondholders secured hereby or other obligations of the County as freely as if it were not Trustee. The provisions of this subsection shall extend to affiliates of the Trustee.

(S) Whether or not expressly so provided, every provision of this Bond Ordinance or any Series Ordinance, as applicable, relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this **Section 14.05**.

(T) The County hereby covenants and agrees:

(1) to pay to the Trustee compensation for all services rendered by it hereunder and under the other agreements relating to the Bonds to which the Trustee is a party in accordance with terms agreed to from time to time, and, subsequent to default, in accordance with the Trustee's then-current fee schedule for default administration (the entirety of which compensation shall not be limited by any provision of law regarding compensation of a trustee of an express trust); and

(2) to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Bond Ordinance, as supplemented, any other agreement relating to the Bonds to which it is a party or in complying with any request by the County or any rating service with respect to the Bonds, including the reasonable compensation, expenses and disbursements of its agents and counsel, except any such expense, disbursement or advance attributable to the Trustee's gross negligence or bad faith.

In the event the Trustee incurs expenses or renders services in any proceedings under Bankruptcy Law relating to the County, the expenses so incurred and compensation for services so rendered are intended to constitute expenses of administration under Bankruptcy Law.

As security for the performance of the obligations of the County under this **Section 14.05**, the Trustee shall have a lien prior to the lien securing the Bonds, which it may exercise through a right of setoff, upon all property or funds held or collected by the Trustee pursuant to this Bond Ordinance, as supplemented. The obligations of the County to make the payments described in this **Section 14.05** shall survive discharge of this Bond Ordinance, as supplemented, the resignation or removal of the Trustee and payment in full of the Bonds.

Section 14.06 Trustee May Rely on Notices, etc.

The Trustee shall at all times be protected in acting upon any notice, ordinance, resolution, request, consent, order, certificate, statement, opinion, bond, or other paper or document believed to be genuine and to have been signed by the proper party or parties.

(B) Provided that an Event of Default shall not have occurred and be continuing, the Trustee may be removed at any time by the County.
