SECTION 3.02. No Warranties by County. The Company acknowledges that it has examined the Land and so much of the other property constituting the Project as is in existence on the date of execution and delivery hereof, as well as title thereto, prior to the making of this Agreement, and knows the condition and state thereof as of the day of the execution hereof, and accepts the same in said condition and state and subject to any existing encumbrances; that no warranties or representations as to the condition or state thereof have been made by representatives of the County; and that the Company in entering into this Agreement is relying solely upon its own examination thereof and of any portion of the Project acquired subsequent to the date hereof. ARTICLE IV

INVESTMENT BY COMPANY IN PROJECT; MAINTENANCE AND MODIFICATION OF PROJECT

SECTION 4.01. Acquisition by Construction and Purchase of Project.

(a) The Company hereby agrees to expend upon the Cost of the Project the sum of not less than One Hundred Million Dollars (\$100,000,000) of otherwise taxable investment (excluding the cost of acquiring the Existing Property) prior to the Threshold Date. The Company shall use its best efforts to cause such acquisition as promptly as is, in the Company's sole judgment, practicable.

(b) The Company shall retain title to the Project throughout the Term of this Agreement.

SECTION 4.02. Maintenance of Project. The Company at its own expense during the Term of this Agreement will keep and maintain the Project in good operating condition. The Company will promptly make, or cause to be made, all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, that are necessary to keep the Project in good and lawful order and in good operating condition (wear and tear from reasonable use excepted) whether or not such repairs are due to any laws, rules, regulations, or ordinances hereafter enacted which involve a change of policy on the part of the government body enacting the same.

SECTION 4.03. Modification of Project.

(a) As long as no event of default exists hereunder, the Company shall have the right at any time and from time to time during the Term hereof to undertake any of the following:

(i) The Company may, at its own expense, add to the Project all such real and personal property as the Company in its discretion deems useful or desirable; provided, however, such real and personal property is located in the same taxing district as the Project. The Company may add Land to the Project by delivering to the County a new EXHIBIT "A" to this Agreement reflecting such addition.

(ii) In any instance where the Company in its discretion determines that any items included in the Project have become inadequate, obsolete, worn out, unsuitable, undesirable,

or unnecessary for operations at the Project, the Company may remove such items or portions from the Project and sell, trade in, exchange, or otherwise dispose of them (as a whole or in part) without the consent of the County. The Company may sell, lease, or otherwise dispose of any portion of the Land, in which event the Company shall deliver to the County, within 30 days thereafter, a new EXHIBIT "A" to this Agreement.

(b) No release of Project property effected under the provisions of Section 7.01 or 7.02 hereof or of this Section 4.03 shall entitle the Company to any abatement or diminution of the amounts payable by the Company hereunder except the FILOT Payments as specified in Section 5.01(d) hereof.

SECTION 4.04. Records and Reports. The Company agrees to maintain such books and records with respect to the Project as will permit the identification of those portions of the Project placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto and its computations of all FILOT Payments made hereunder, and as will comply with all reporting requirements of the State and the County applicable to property subject to FILOT Payments under the FILOT Act, including without limitation the reports, and copies thereof to be filed with the specified County officials required by Section 12-44-90 of the Code or any successor provision (collectively, "Filings") Specifically, the following shall be provided:

(a) Each year during the Term hereof, the Company shall deliver to the Greenville County Auditor, the Greenville County Assessor and the Greenville County Treasurer a copy of its most recent annual filings with the Department of Revenue with respect to the Project at the same time as delivery thereof to the Department of Revenue.

(b) The Company shall cause a copy of this Agreement, as well as a copy of the completed Form PT-443 required by the Department of Revenue, to be filed within thirty (30) days after the date of execution and delivery hereof to the auditor, assessor and treasurer of the County and each county which is a party to the Park Agreement, and with the Department of Revenue, and shall update such Form PT-443 from time to time to the extent that the information therein is no longer accurate.

Notwithstanding any other provision of this Section 4.04, the Company may designate with respect to any Filings delivered to the County segments thereof that the Company believes contain proprietary, confidential, or trade secret matters. To the extent permitted by law, the County shall use its best efforts to conform with all reasonable, lawful, written requests made by the Company with respect to maintaining the confidentiality of such designated segments.

ARTICLE V

PAYMENTS IN LIEU OF TAXES AND INFRASTRUCTURE IMPROVEMENT CREDITS

SECTION 5.01. Payments in Lieu of Taxes.

(a) In accordance with the FILOT Act, the parties hereby agree that, during the Term of the Agreement, the Company shall pay with respect to the Project annually a fee in lieu of taxes (a “FILOT”) in the amount calculated as set forth in paragraph (b) below, on or before January 15 of the year following the first calendar year after the close of the accounting period regularly employed by the Company for income tax purposes and in which accounting period a portion of the Project was first placed in service, and at the places, in the manner, and subject to the penalty assessments prescribed by the County or the Department of Revenue for *ad valorem* property taxes.

(b) Subject to (b)(ii) below, the FILOT Payment due with respect to each property tax year shall equal the sum of (i) with respect to any portion of the Project consisting of Non-Economic Development Property (subject to the \$10,000,000 limitation in (b)(iii) below), a payment equal to the taxes that would otherwise be due on such Non-Economic Development Property were it taxable; (ii) with respect to those portions of the Project (other than Non-Economic Development Property) placed in service during the Investment Period, for each of the 30 consecutive years following the year in which such portion of the Project is placed in service, a Negotiated FILOT Payment calculated each year as set forth in paragraphs (c) through (e) below; and (iii) with respect to increments of the Project constituting Economic Development Property after such 30-year period, a payment equal to the *ad valorem* property taxes that would otherwise be due on such property were it taxable, with appropriate reductions with respect to the property described in clauses (i) and (ii) above, similar to the tax exemption, if any, which would be afforded to the Company if *ad valorem* property taxes were paid, only to the extent permitted by the FILOT Act for Economic Development Property. For the purposes of clause (ii) above, there shall be excluded any Released Property and any other portion of the Project which ceases to qualify for a FILOT hereunder or under the FILOT Act.

(i) The Existing Property shall be included in the Project and subject to the Negotiated FILOT Payment at the same time the Project (excluding the cost of the acquisition of the Existing Property) is first placed in service and shall be subject to the Negotiated FILOT Payments for 30 consecutive years. For example, if the Commencement Date is December 31, 2015, the Existing Property will be included on a Form PT-300 Schedule S for the 2015 tax year and will be subject to the Negotiated FILOT Payment for the 2016 fee in lieu of tax bill (which would be due and payable on or before January 15, 2017). Prior to the first year the Existing Property is subject to the Negotiated FILOT Payment, the Existing Property shall be subject to *ad valorem* property taxes.

(ii) So long as the Company invests at least Forty-Five Million Dollars (\$45,000,000) in the Project (excluding the cost of the acquisition of the Existing Property) before the end of the Investment Period, the Existing Property shall be included in the Project and subject to the FILOT. In the event that the Corporation fails to invest at least Forty-Five Million Dollars (\$45,000,000) in the Project (excluding the cost of the acquisition of the Existing Property) before the end of the Investment Period, the Existing Property shall thereafter be excluded from the Project and subject to *ad valorem* property taxes and the Company shall pay to the County the difference between the amount of *ad valorem* property taxes that would have been paid on the Existing Property if such property had not been

subject to this Agreement and the amount paid with respect to the Existing Property pursuant to this Agreement, with interest thereon at the rate provided by law for late payment of taxes, but without penalty for late payment of taxes and such payment shall be due within 120 days after the end of the Investment Period.

(iii) Notwithstanding the foregoing, the net amount of the fair market value of the Existing Property in excess of Ten Million Dollars (\$10,000,000) after taking into account, for Equipment, depreciation allowable for property tax purposes, shall be subject to *ad valorem* property taxes. For example, if the reported fair market value of the Existing Property based on the original income tax basis for the State income tax purposes without regard to depreciation for the cost of the Land plus the depreciated value of the Equipment based on the original income tax basis for the State income tax purposes less depreciation allowable for property tax purposes is less than Ten Million Dollars (\$10,000,000), then all of the Existing Property shall be subject to the Negotiated FILOT Payments; if however, the fair market value of the Existing Property, subject to depreciation for the Equipment, is in excess of Ten Million Dollars (\$10,000,000), then Ten Million Dollars (\$10,000,000) of the Existing Property shall be subject to the Negotiated FILOT Payments and the net amount in excess of Ten Million Dollars (\$10,000,000) shall be subject to *ad valorem* property taxes.

(c) (i) The Negotiated FILOT Payment with respect to any property tax year shall be calculated in accordance with subparagraph (c)(ii) below.

(ii) The Negotiated FILOT Payments shall be calculated with respect to each property tax year based on (1) the fair market value of the Land and improvements to real property and Equipment included within the Project (including the Existing Property) theretofore placed in service (less, for Equipment, depreciation allowable for property tax purposes), (2) a millage rate of 248.7 mils, and (3) an assessment ratio of 6%. Such fair market value must be that determined in accordance with Section 12-44-50(A)(1)(c)(i) of the FILOT Act. All such calculations shall take into account all deductions for depreciation or diminution in value allowed by the Code or by the tax laws generally, as well as tax exemptions which would have been applicable if such property were subject to *ad valorem* property taxes, except the exemption allowed pursuant to Section 3(g) of Article X of the Constitution of the State and the exemption allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code. The assessment ratio and millage rate set forth herein shall remain fixed for the duration of this Agreement.

(d) The Negotiated FILOT Payments are to be recalculated (i) to reduce such payments in the event the Company disposes of any part of the Project within the meaning of Section 12-44-50(B) of the Code, as provided in Section 4.03 hereof, by the amount thereof applicable to the Released Property; provided, however, that any disposal of Released Property need not result in a recalculation of the Negotiated FILOT Payments unless the Company so elects, and further provided that no such disposal shall reduce the value of the Project property subject to payments under Section 5.01(b) hereof to less than Two Million, Five Hundred Thousand Dollars (\$2,500,000) (excluding the cost of the acquisition of the Existing Property), without regard to depreciation; or (ii) to increase

such payments in the event the Company adds property (other than Replacement Property) to the Project.

(e) To the extent that the Infrastructure Improvement Credit is used as payment for Equipment, and Equipment is removed from the Project at any time during the life of the FILOT, the amount of the FILOT due on said Equipment for the year in which said Equipment was removed from the Project also shall be due for the two years immediately following the removal. In these regards:

(i) To the extent that any payment amounts were used for both real property and Equipment or infrastructure and Equipment, all amounts will be presumed to have been first used for Equipment.

(ii) If Equipment is removed from the Project but is replaced with qualifying Replacement Property, then the Equipment will not be considered to have been removed from the Project.

(f) Upon the Company's installation of any Replacement Property for any portion of the Project removed under Section 4.03 hereof and sold, scrapped, or disposed of by the Company, such Replacement Property shall become subject to Negotiated FILOT Payments, to the extent permitted by the FILOT Act.

(g) In the event that the Company has not invested at least Two Million, Five Hundred Thousand Dollars (\$2,500,000) of otherwise taxable investment in the Project (excluding the cost of acquiring the Existing Property) before the Threshold Date, the portions of the Project previously subject to Negotiated FILOT Payments shall revert retroactively to normal *ad valorem* tax treatment, and the Company shall pay to the County, within 120 days after the Threshold Date, the difference between the total amount of fees actually paid to the County pursuant to this Agreement (taking into account all Infrastructure Improvement Credits received) and the total amount of the normal *ad valorem* tax payments which would have been paid, if any (a "Deficiency"), which such Deficiency shall be subject to interest at the rate provided in Section 12-54-25 of the Code (or any successor provision). To the extent permitted by applicable law, with respect to personal property, the Deficiency shall be calculated based on the assumption that the Deficiency in the capital investment consists of equipment which is subject to depreciation at the rate of eleven percent (11%) per annum with a salvage value of ten percent (10%) throughout the term of this Agreement.

(h) In the event that the Company's investment in the Project based on an income tax basis without regard to depreciation at any time falls below Two Million, Five Hundred Thousand Dollars (\$2,500,000) (excluding the cost of the acquisition of the Existing Property), the Project shall thereafter be subject to normal *ad valorem* tax treatment.

(i) If taxes on real and personal property shall be replaced, in whole, with an alternate revenue source, or abolished in the County or in the State, the Company may terminate this Agreement immediately without further obligation.

Section 5.02. Infrastructure Improvement Credits.

(a) Commencing with the first Negotiated FILOT Payment by the Company after the date of this Agreement, and continuing for fourteen (14) annual Negotiated FILOT Payments thereafter (for a total of fifteen (15) annual Negotiated FILOT Payments), the County shall hereby provide an Infrastructure Improvement Credit equal to forty-five percent (45%) of the Negotiated FILOT Payments made by the Company on behalf of the Project pursuant to the Park Agreement, subject to the limitation that, as of any date during the term of this Agreement, the cumulative dollar amount expended by the Company on the Cost of the Infrastructure shall equal or exceed the cumulative dollar amount of the Infrastructure Improvement Credits received by the Company. Prior to the first year's Infrastructure Improvement Credit to be credited against the Company's FILOT Payments as provided in this Section 5.02(a) and each year thereafter, the Company shall certify the cumulative total amount of the Cost of the Infrastructure as of December 31 of the year to which such FILOT Payments relate. For example, should the Company elect to apply the Infrastructure Improvement Credit against its 2016 fee in lieu of tax bill (which would be due and payable on or before January 15, 2017), the Company shall certify the cumulative total amount of the Cost of the Infrastructure as of December 31, 2015. The form of such certification is attached hereto as Exhibit "B". The Company shall re-certify the cumulative amount of the Cost of the Infrastructure if, in any year in which an Infrastructure Improvement Credit is to be applied, the cumulative amount of the Infrastructure Improvement Credits will exceed the cumulative amount of the Cost of Infrastructure as previously certified. THIS AGREEMENT AND THE CREDITS PROVIDED FOR HEREUNDER ARE LIMITED OBLIGATIONS OF THE COUNTY PROVIDED BY THE COUNTY SOLELY FROM THE NEGOTIATED FILOT PAYMENTS RECEIVED AND RETAINED BY THE COUNTY, AND DO NOT AND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION (OTHER THAN THE PROVISIONS OF ARTICLE X, SECTION 14(10) OF THE SOUTH CAROLINA CONSTITUTION) OR STATUTORY LIMITATION, AND DO NOT AND SHALL NEVER CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE COUNTY OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER. THE FULL FAITH, CREDIT, AND TAXING POWER OF THE COUNTY ARE NOT PLEDGED FOR THE CREDITS.

(b) The Company shall not claim or be entitled to any abatement of *ad valorem* property taxes to which it might otherwise be entitled with respect to any property for which an Infrastructure Improvement Credit is provided by the County.

(c) In the event that the Company has invested at least Ninety Million Dollars (\$90,000,000) in the Project (excluding the cost of acquiring the Existing Property) prior to the Threshold Date, the Company shall be entitled to receive the Infrastructure Improvement Credits equal to forty-five percent (45%) for the first five (5) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property) and also for the remaining ten (10) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property).

(d) In the event that the Company has not invested at least Ninety Million Dollars

(\$90,000,000) in the Project (excluding the cost of acquiring the Existing Property), but has invested at least Seventy Million Dollars (\$70,000,000) in the Project (excluding the cost of acquiring the Existing Property) prior to the Threshold Date, the Company shall be entitled to receive the Infrastructure Improvement Credits equal to forty-five percent (45%) for the first five (5) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property) and thirty-five percent (35%) for the remaining ten (10) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property).

(e) In the event that the Company has not invested at least Seventy Million Dollars (\$70,000,000) in the Project (excluding the cost of acquiring the Existing Property), but has invested at least Fifty Million Dollars (\$50,000,000) in the Project (excluding the cost of acquiring the Existing Property) prior to the Threshold Date, the Company shall be entitled to receive the Infrastructure Improvement Credits equal to forty-five percent (45%) for the first five (5) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property) and twenty-five percent (25%) for the remaining ten (10) years of the Negotiated FILOT Payments for the Project (including the Negotiated FILOT Payments for the qualifying Existing Property).

(f) In the event that the Company has not invested at least Fifty Million Dollars (\$50,000,000) in the Project (excluding the cost of acquiring the Existing Property) prior to the Threshold Date, the Infrastructure Improvement Credits shall terminate.

ARTICLE VI

PAYMENT OF EXPENSES BY COMPANY

SECTION 6.01. Payment of Administration Expenses. The Company will pay to the County from time to time amounts equal to the Administration Expenses of the County promptly upon written request therefor, but in no event later than 45 days after receiving written notice from the County specifying the nature of such expenses and requesting payment of the same.

SECTION 6.02. Defaulted Payments. In the event the Company should fail to make any of the payments required under this Agreement, the item or installment so in default shall continue as an obligation of the Company until the amount in default shall have been fully paid. If any such default relates to its obligations to make FILOT Payments or payments of Administration Expenses hereunder, the Company agrees to pay the same with interest thereon at the rate per annum provided by the Code for late payment of *ad valorem* property taxes together with any penalties provided by the Code for late payment of *ad valorem* property taxes or for non-payment of FILOT Payments.

ARTICLE VII

CASUALTY AND CONDEMNATION

SECTION 7.01. Damage and Destruction. If all or any part of the Project shall be lost, stolen, destroyed, or damaged, the Company in its discretion may repair or replace the same. If the Company shall determine to repair or replace the Project, the Company shall forthwith proceed with such rebuilding, repairing, or restoring and shall notify the County upon the completion thereof. In the event any insurance proceeds are not sufficient to pay in full the costs of such rebuilding, repair, or restoration, the County shall not have any responsibility to complete the work thereof or pay that portion of the costs thereof in excess of the amount of said proceeds. Except as set forth in Section 7.03 hereof, the Company shall not by reason of any such damages or destruction or the payment of any excess costs be entitled to any reimbursement from the County or any abatement or diminution of the amounts payable hereunder.

SECTION 7.02. Condemnation. In the event that title to or the temporary use of the Project, or any part thereof, shall be taken in condemnation or by the exercise of the power of eminent domain, there shall be no abatement or reduction in the payments required to be made by the Company hereunder except as set forth in Section 7.03 hereof. The Company shall promptly notify the County, as to the nature and extent of such taking and, as soon as practicable thereafter, notify the County whether it has elected to restore the Project. If it shall be determined to restore the Project, the Company shall forthwith proceed with such restoration, and shall notify the County, upon the completion thereof.

SECTION 7.03. Adjustments in the Event of Damage and Destruction or Condemnation. In the event that the Project or any portion thereof is damaged or destroyed, lost or stolen, or the subject of condemnation proceedings, which damage, destruction, loss, theft and/or condemnation would substantially impair the operating ability of the Project or such portion thereof, the parties hereto agree that the FILOT Payments required pursuant to Section 5.01 hereof shall be abated in the same manner and in the same proportion as if *ad valorem* property taxes were payable with respect to the Project, subject, always, to the requirements of Section 5.01 hereof.

ARTICLE VIII

PARTICULAR COVENANTS AND AGREEMENTS

SECTION 8.01. Use of Project for Lawful Activities. The Company is hereby granted and shall have the right during the Term of this Agreement to occupy and use the Project for any lawful purpose authorized pursuant to the FILOT Act.

SECTION 8.02. Right to Inspect. The Company agrees that the County and its authorized agents shall have the right at all reasonable times and upon prior reasonable notice to enter upon and examine and inspect the Project and to have access to and examine and inspect all the Company's books and records pertaining to the Project. The County and its authorized agents shall also be permitted, at all reasonable times and upon prior reasonable notice, to examine the plans and specifications of the Company with respect to the Project. The aforesaid rights of examination and inspection shall be exercised only upon such reasonable and necessary terms and conditions as the

Company shall prescribe, which conditions shall be deemed to include, but not be limited to, those necessary to protect the Company's trade secrets and proprietary rights. In no way shall this requirement of confidentiality be deemed to apply to or restrict the rights of the United States Government and the State or its political subdivisions in the exercise of their respective sovereign duties and powers.

SECTION 8.03. Limitation of Pecuniary Liability for County. Anything herein to the contrary notwithstanding: (a) the Project shall not give rise to any pecuniary liability of the County or charge against its general credit or taxing powers; and (b) the County may require as a condition to the participation by it with the Company in any contests or in obtaining any license or permits or other legal approvals a deposit by the Company of such amount as reasonably determined by the County to be appropriate to assure the reimbursement to the County of the costs incurred by it in such participation, with any amount of such deposit in excess of such costs to be returned to the Company; provided, however, that nothing herein shall prevent the Company from enforcing its rights hereunder by suit for *mandamus* or specific performance or any other remedy available at law or in equity.

SECTION 8.04. Indemnification. The Company releases the County including the members of the governing body of the County, and the elected officials, employees, officers, and agents of the County (herein collectively referred to as the "Indemnified Parties") from, agrees that Indemnified Parties shall not be liable for, and agrees to hold Indemnified Parties harmless against, any loss or damage to property or any injury to or death of any person or any liability whatsoever, including without limitation, liability under any environmental or other regulatory laws, that may be occasioned by any cause whatsoever pertaining to this Agreement, the Project, or the use thereof except for that occasioned by grossly negligent or intentional acts of an Indemnified Party. The Company further agrees to indemnify and save harmless Indemnified Parties against and from any and all costs, liabilities, expenses, including, but not limited to, attorney's fees, and claims arising from the performance of an Indemnified Party of any obligations of the County under this Agreement or any breach or default on the part of the Company in the performance of any covenant or agreement on the part of the Company to be performed pursuant to the terms of this Agreement or arising from any act or negligence of, or failure to act by, the Company, or any of its agents, contractors, servants, employees, or licensees, and from and against all cost, liability, and expenses, including, but not limited to, attorney's fees, incurred in or in connection with any such claim or action or proceeding brought thereon.

Notwithstanding the fact that it is the intention of the Indemnified Parties hereto that none of them shall incur any pecuniary liability by reason of the terms of this Agreement, any related agreements or the undertakings required of the County hereunder by reason of the performance of any act requested of the County by the Company, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if any Indemnified Party shall incur any such pecuniary liability, then in such event the Company shall indemnify and hold them harmless against all claims by or on behalf of any person, firm, or corporation or other legal entity arising out of the same and all costs and expenses, including, but not limited to, attorney's fees, incurred in connection with any such claim or in connection with any action or proceeding brought thereon. If any action, suit, or proceeding is brought against any

Indemnified Party, such Indemnified Party shall promptly notify the Company and the Company shall have the sole right and duty to assume, and shall assume, the defense thereof, at its expense, with full power to litigate, compromise, or settle the same in its sole discretion; provided the Company shall obtain the prior written consent of the County to settle any such claim unless such claim is for monetary damages for which the Company has the ability to, and does, pay. Notwithstanding the foregoing, if the Indemnified Party is the County, in the event the County reasonably believes there are defenses available to it that are not being pursued or that the counsel engaged by the Company reasonably determines that a conflict of interest exists between the County and the Company, the County may, in its sole discretion, hire independent counsel to pursue its own defense, and the Company shall be liable for the reasonable cost of such counsel.

The indemnity specified in this Section 8.04 shall be in addition to any heretofore extended by the Company to any Indemnified Party and shall survive the termination of this Agreement with respect to liability arising out of any event or act occurring prior to such termination.

SECTION 8.05. Obligations of County Representatives. All covenants, stipulations, promises, agreements, and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements, and obligations of the County and not of any member of the County Council or any elected official, officer, agent, servant, or employee of the County in his individual capacity, and, absent bad faith, no recourse shall be had for the payment of any moneys hereunder or the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon against any member of the governing body of the County or any elected official, officer, agent, servant, or employee of the County.

ARTICLE IX

TRANSFERS; FINANCING ARRANGEMENTS

SECTION 9.01. Transfers of Interest in Agreement and Economic Development Property; Transfers of Equity Interests; Financing Arrangements. The Transfer Provisions shall apply to this Agreement and the Economic Development Property, except as otherwise provided in this Agreement. Pursuant to the Transfer Provisions, the County's prior approval or subsequent ratification of the transfer of this Agreement or any Economic Development Property to which this Agreement relates may be evidenced by a letter or other writing of the County Administrator. To the extent permitted by the FILOT Act, the County approves that equity interests in the Company may be transferred (directly or through merger, consolidation or other reorganization) to another Person at any time, with or without notice to the County; provided, however, that in the event of such a transfer, the Company shall maintain its legal existence and duly perform and comply with the terms of this Agreement. Pursuant to the Transfer Provisions, the Company may enter into lending, financing, security, leasing, or similar arrangements, or succession of such arrangements, with a financing entity concerning all or part of the Project at any time. Any release of liability of the Company in connection with any transfer shall be subject to the County's consent, not to be unreasonably withheld, and the County's consent to such release may be evidenced by a resolution adopted by the County Council of the County to that effect.

SECTION 9.02. Relative Rights of County and Financing Entities as Secured Parties.

The parties acknowledge that the County's right to receive FILOT Revenues hereunder shall have a first priority lien status pursuant to Section 12-44-90 of the Code, and Chapters 4 and 54 of Title 12 of the Code. The County consents and agrees that its rights under this Agreement, except for its rights to receive FILOT Revenues, Administration Expenses and indemnification pursuant to Section 8.04 hereof, shall be subordinate to the rights of the secured party or parties under any financing arrangements undertaken by the Company with respect to the Project pursuant to Section 9.01 hereof, such subordination to be effective without any additional consent or action on the part of the County; provided, however, that the County hereby agrees, at the Company's expense, to execute such agreements, documents, and instruments as may be helpful or reasonably required by such secured party or parties to effectuate or document such subordination. The County hereby authorizes the then current County Administrator to execute such agreements, documents, and instruments as necessary or useful therefor.

ARTICLE X

TERM; TERMINATION

SECTION 10.01. Term. Unless sooner terminated pursuant to the terms and provisions herein contained, this Agreement shall be and remain in full force and effect for a term commencing on the date on which the Company executes this Agreement, and ending at midnight on the last day of the property tax year in which the last Negotiated FILOT Payment is due hereunder. The County's rights to receive indemnification and payment of Administration Expenses pursuant hereto shall survive the expiration or termination of this Agreement.

SECTION 10.02. Termination. The Company may terminate this Agreement at any time, in which event the Project may be subject to *ad valorem* property taxes from the date of termination. This Agreement shall automatically terminate (subject to the provisions of Section 5.01(g) hereof) if the Company fails to invest at least Two Million, Five Hundred Thousand Dollars (\$2,500,000.00) (excluding the cost of the acquisition of the Existing Property) in the Project by the Threshold Date, or if the FILOT Act and/or the FILOT are declared invalid or unenforceable.

ARTICLE XI

EVENTS OF DEFAULT AND REMEDIES

SECTION 11.01. Events of Default by Company. Any one or more of the following events (herein called an "Event of Default", or collectively "Events of Default") shall constitute an Event of Default by the Company:

(a) if default shall be made in the due and punctual payment of any FILOT Payments, indemnification payments under Section 8.04 hereof, or Administration Expenses or any

other amount payable hereunder, which default shall not have been cured within 30 days following receipt of written notice thereof from the County; or

(b) if default shall be made by the Company in the due performance of or compliance with any of the terms hereof, including payment, other than those referred to in the foregoing paragraph (a), and such default shall continue for 90 days after the County shall have given the Company written notice of such default, the Company shall fail to proceed promptly to cure the same.

SECTION 11.02. Remedies on Event of Default by Company. Subject to Section 11.01 hereof, upon the occurrence of any Event of Default, the County may exercise any one or more of the following remedies, any of which may be exercised at any time during the periods permitted under the following clauses:

(i) declare immediately due and payable FILOT Payments, Administration Expenses, or any other amounts due hereunder;

(ii) terminate this Agreement by delivery of written notice to the Company not less than 30 days prior to the termination date specified therein;

(iii) have access to and inspect, examine, and make copies of the books, records, and accounts of the Company pertaining to the construction, acquisition, or maintenance of the Project; or

(iv) take whatever action at law or in equity as may appear necessary or desirable to collect the amounts then due and thereafter to become due or to enforce observance or performance of any covenant, condition, or agreement of the Company under this Agreement.

SECTION 11.03. Application of Moneys Upon Enforcement of Remedies. Any moneys received by the County upon enforcement of its rights hereunder shall be applied as follows: first, to the reasonable costs associated with such enforcement proceedings; second, to pay Administration Expenses; and third, to pay the FILOT.

SECTION 11.04. Default by County. Upon the default of the County in the performance of any of its obligations hereunder, the Company may take whatever action at law or in equity as may appear necessary or desirable to enforce its rights under this Agreement, including without limitation a suit for *mandamus* or specific performance.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01. Rights and Remedies Cumulative. Each right, power, and remedy of the County or of the Company provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Agreement or now or hereafter existing at law or in equity, in any jurisdiction where such rights, powers, and remedies are sought to be enforced, and the exercise or the failure to exercise by the County or by the Company of any one or more of the rights, powers, or remedies provided for in this Agreement or now or hereafter existing by law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the County or by the Company of any or all such other rights, powers, or remedies.
