Re: Brandon Community Plan

Brandon Community Plan

Over the past two years, community residents, stakeholders, planners, and public officials participated in a series of meetings to create the Brandon Community Plan.

The Brandon Community Plan is a statement of the community's vision, and seeks to address both the immediate concerns and long-term goals of the community. The plan provides direction for community leaders, stakeholders, and the development community and serves as a guide for where and how future development should occur.

Therefore, staff is requesting that the Planning and Development Committee forward the Brandon Community Plan to County Council for consideration and initiation as an amendment to the County's Comprehensive Plan.

A copy of the plan is located on the Greenville County Planning website at <http://www.greenvillecounty.org/apps/LongRangePlanning/uploads/CommunityPlan5.pdf>.
