- Does your district meet minimum communication requirements? **Y** / N
- Does your district meet Narrow Band Requirements? **Y** / N
- Does your district house an EMS vehicle? **Y** / N

For the following questions, please provide the more detailed information necessary to understand the complexities for your district. You may attach separate sheets as necessary to fully answer the questions.

1. Please describe any businesses or structures which require special equipment or represent potentially dangerous calls. **Hwy 418 is potentially very dangerous due to the types of materials which are transported there at high speeds through populated areas. Ralph Chandler middle school has waste water treatment.**

2. Please list any mutual aid agreements or operational or resource sharing agreements your district participates in with other fire districts. **All neighboring fire departments share a mutual aid agreement with Canebrake: Dunklin, Fountain Inn, Greenpond, Simpsonville, and South Greenville. Canebrake also participates in Statewide mutual aid.**

3. Please describe how, if at all, the requested millage increase will impact your district's ISO ratings. **This increase will allow Canebrake to maintain the recent upgrade to ISO rating of 3. The primary use of funding will be to add paid staff to allow around the clock coverage, as well as to prepare for construction of a new station which would accommodate firemen and EMS in the building at night.**

4. Please describe the tax-exempt properties in your district and the services you provide to these entities. **There are two schools, Fork Shoals Elementary and Ralph Chandler Middle School. Canebrake provides fire prevention training, fire drills, and community fire programs to these schools as well as to the five Churches in the District.**

Please assign a priority rating to your millage increase request from the following options: 1

Priority 1: Without the increase, we cannot continue to provide the level of service that we are giving currently. Our ISO ratings would be affected negatively. The need is dire. The district wide rating of 3 would not be maintained, and Canebrake would return to a rating of 5. This increase will allow Canebrake to be excellent in every aspect of fire protection and keep up with the growth in this District.

Priority 2: Without the increase, we cannot purchase needed equipment to improve the level of service we are currently giving. ISO ratings may or may not be improved. This priority level also allows for needed specialty equipment to be acquired.

Priority 3: Without the increase, we can continue to provide excellent service to our district, but the increase will allow us to improve our operation in an exemplary way. ISO ratings may potentially be improved.

Opportunity for Council person(s) statement:

I, _____, County Council representative to this fire district, **Support / Do Not Support** this request.

I, _____, County Council representative to this fire district, **Support / Do Not Support** this request.

I, _____, County Council representative to this fire district, **Support / Do Not Support** this request.

Please include with your application the following documents:

- A formal letter from the Commission stating the intentions to either maintain or increase millage;
- Last year's financial audit;
- A five-year plan (spreadsheet) showing projected revenues as well as operating and capital expenditures;
- Any background information necessary to justify the need of a millage increase; and
- A signed resolution from the governing body approving the operating/capital plan and millage increase.

All applications should be mailed or emailed to:
Greenville County Finance Committee
Attn: John Hansley, Deputy County Administrator
301 University Ridge, Suite 2400
Greenville, SC 29601
