Staff Report	<p>The subject parcel zoned R-12, Single-Family Residential, is 1.21 acres of property located on Old Spartanburg Road approximately 0.45 miles southwest of the intersection of Old Spartanburg Road and Brushy Creek Road. The parcel has approximately 260 feet of frontage along Old Spartanburg Road. The applicant is requesting to rezone the property to R-M10, Multifamily Residential.</p> <p>The applicant states the proposed land use is for townhomes.</p> <p>The subject site is located along Old Spartanburg Road, a four lane state maintained road. To the north of the subject site, across Old Spartanburg Road, R-M5, Multifamily Residential zoning is present with a max of 5 units per acre. On the same side of the requested rezoning along Old Spartanburg Road, a recreational facility zoned R-12, Single family Residential with a max of 3.6 units per acre is present to the west and south of the subject site. To the east of the subject site is a residential development, Eastgate Village, which is zoned PD, Planned Development with a density of 2.73 units per acre. Staff is of the opinion the requested R-M10, Multifamily Residential rezoning with a max of 10 units per acre would not be consistent with the abutting densities. The requested rezoning is also not consistent with the Greenville County Comprehensive Plan which recommends Residential Land Use 2 with a density of 3 to 6 units per acre.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to R-M10, Multifamily Residential.</p>					
Staff Report	<p>On October 16, 2017, the applicant requested an amendment to the requested zoning from R-M10 to R-M6 and that the docket be sent back to Planning Commission.</p>					
County Council	<p>On October 17, 2017, County Council returned the docket back to P&D Committee.</p>
