Re: *ASPCA \$500 Scholarship to attend a Shelter Medicine Conference*

Greenville County Animal Care has requested \$500 in grant funding from the ASPCA to send one employee to the ASPCA Cornell Maddie's Shelter Medicine Conference at Cornell University July 28-30, 2017. The grant also includes free registration to the conference. The funds will be used to offset travel costs for the conference attendee.

This grant funding request does not require a matching grant from the County.
