Dear Mr. Hansley,

Attached to this letter is the proposed 2017-2018 budget for Donaldson Center Fire Service Area. This budget is very similar to that of previous years with adjustments we feel are necessary. This budget was reviewed and approved unanimously by the Board of Fire Control Commissioners for Donaldson Center on April 13, 2017.

We are requesting that you review our budget. We are requesting our current millage rate will need to be increased to maintain a reserve per section 6-1-32OD SC Code.

Thank you for your consideration in this matter.

Respectfully,
