APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/non-potable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to Public Works, Planning and Development Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Applicant's Name Matthew D Pugh Phone Number 864-561-4929
Street Address 2618 East Georgia Road Simpsonville, SC 29681
Mailing Address (if different) _____

Subject: Water Main Extension Request - E Georgia Road, Simpsonville

Re: 2618 E Georgia Road
Simpsonville, SC
PIN 0551010102300

Dear Mr. Pugh:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 800 feet along E Georgia Road to serve the property. The applicant is required to advance funds for a water main installation at \$30 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 800 feet at \$30.00 per foot for a total of \$24,000. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.
