SUMMARY:

The subject parcel zoned R-20, Single-Family Residential, is 2 acres of property located on Rockcrest Drive approximately 1 mile northwest of the intersection of Saint Mark Road and Wade Hampton Boulevard. The parcel has approximately 35 feet of frontage along Rockcrest Drive.

The applicant states the proposed land use is for farm animals. The current zoning of R-20 allows for a limited number of horses and chickens, but does not allow for farm animals such as goats and cows. Staff has spoken with the applicant about other possible rezoning such as R-20A and R-S. R-20A has a building limitation of a 100 foot setback from any residential property. R-S, Residential Suburban does not have building setback limitations such as the 100 foot setback in R-20A and it also permits farm animals which has led the applicant to request R-S, Residential Suburban zoning.

CONCLUSION:

The subject site is surrounded by vacant land and R-20, Single-Family Residential zoning. The Imagine Greenville Comprehensive Plan recommends three to six units per parcel. The requested rezoning would not be consistent with the surrounding zoning or the future land use map. Staff also has concerns about the creation of spot zoning in an area surrounded by R-20, Single-Family Residential zoning.

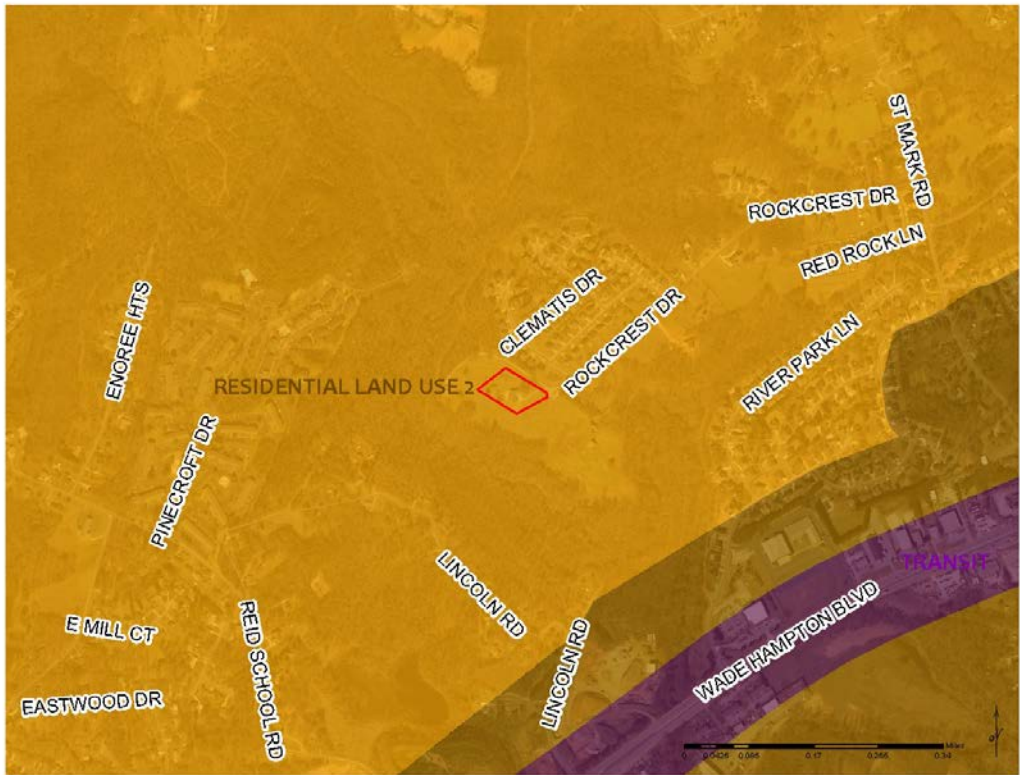

Based on these reasons staff recommends denial of the requested rezoning to R-S, Residential Suburban.
