In addition to CFK I have also participated in several adopt a road volunteer projects.

Describe your understanding of the role of a member of the board or commission to which you are applying _____

As a commissioned member of the Greater Greenville Sanitation District it would be my responsibility to advise on the best practices for the collection of refuse, garbage and trash disposal. The district's operations are funded through a tax millage and collection fees, both of which must be approved by Greenville County Council.

What specific skills do you believe you could contribute as a member of this board or commission? _____

As a Litter Coordinator I understand the negative impacts of litter and know how to prevent it. I have attended many community meetings in the district and have seen first hand the problems they face. A big issue is with E-waste. I would suggest we schedule quarterly e-waste pickup days which would save the county a lot of time and money. In addition to the above I would also use my experience from the ARMY as a logistics coordinator to ensure we are operating the most efficient way possible.
