Staff Report	<p>ANALYSIS: There has been an existing industrial and warehouse use on the site and to the east and west of the subject site as far back as 1997. Sulphur Springs Road is a four lane highway with a speed limit of 40 miles per hour. This section of Sulphur Springs Road has I-1 Industrial and S-1 Services zoning on both sides. There are still a good number of residential homes located in the S-1, Services zoned parcels along this section of road. The White Horse Road Green Link Bus line also serves this area.</p> <p>SUMMARY: The subject parcel zoned I-1, Industrial, is 1.71 acres of property located on Sulphur Springs Road approximately 0.4 miles west of the intersection of Old Buncombe Road and Sulphur Springs Road. The parcel has approximately 145 feet of frontage along Sulphur Springs Road. The applicant is requesting to rezone the property to S-1, Services.</p> <p>The applicant states the proposed land use is for metal fabrication.</p> <p>CONCLUSION: The subject site is surrounded by I-1, Industrial and S-1, Services with a service garage and warehouses to the east, south and west of the parcel.. Staff is of the opinion the surrounding zoning is consistent with the requested rezoning to S-1. Staff believes a rezoning to S-1, would have little impact on the surrounding area.</p> <p>Based on these reasons staff recommends approval of the requested rezoning to S-1, Services.</p>
