Staff Report	<p>ANALYSIS:</p> <p>The property is designated as Commercial in the South Greenville Area Plan. There is no transit in the area but when the routes change per the Comprehensive Operations Analysis (COA), Route 10 will go along this property at White Horse Road.</p> <p>SUMMARY:</p> <p>The subject parcel zoned C-2, Commercial, is 2.14 acres of property located on White Horse Road approximately 0.13 miles northwest of the intersection of White Horse Road and Augusta Road. The parcel has approximately 200 feet of frontage along White Horse Road and approximately 200 feet of frontage along Whiller Drive. The applicant is requesting to rezone the property to S-1, Services.</p> <p>The applicant states the proposed land use is for a construction office and industrial service.</p> <p>CONCLUSION:</p> <p>The subject site abuts mainly commercial zoning with some single-family residential and service zoning. The surrounding land uses consist of auto sales, service garage, single-family residential, vacant land, a mobile home park and offices. Staff is of the opinion the current zoning of C-2, Commercial is appropriate for this area based on the surrounding land uses and zoning. The requested rezoning to S-1, Services is also not consistent with the South Greenville Area Plan</p>

	<p>recommending Commercial as the appropriate land use.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to S-1, Services.</p>
