APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/non-potable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to Public Works, Planning and Development Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Applicant's Name JOSH WYATT Phone Number 864 884/2890
Street Address 40 FINLEY RD TRAVELERS REST, SC 29690
Mailing Address (if different) PO BOX 88 SLATER, SC 29683

To whom it may concern,

I am writing in concerns of a need for a public water source on Finley Road Travelers Rest, SC. Finley Road is located between Keeler Mill Road and Frank Brown Road in Travelers Rest, SC.

It would be very beneficial for the fire department to have hydrants, as well as safe reliable water for the residents, in this growing area of Greenville County. Although there is water on Keeler Mill Road and Frank Brown Road, water is needed for fire and life safety on Finley Road.

If you have any questions or concerns about this request, feel free to contact me. Thank you for your time in this very important matter.

Sincerely,

Chief Lee Kelly

Re: Finley Road
Travelers Rest, SC
Tax Map 0511020101000

Dear Mrs. Gucker:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 800 feet along Finley Road to serve the property. The applicant is required to advance funds for a water main installation at \$30 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 800 feet at \$30.00 per foot for a total of \$24,000.00. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

Sincerely,
Elise Harris
