As such, the parcel is located within a large area that is both currently residential and is expected, in the future, to remain heavily residential. The property is currently a single family residence and is surrounded on three sides by single-family residences, with the fourth side consisting of vacant wooded land.</p> <p><b>SUMMARY:</b> The subject parcel zoned R-S, Residential Suburban is 1.04 acres of property located on Highway 14 approximately 0.65 miles north of the intersection of Highway 14 and Bethel Road. **Zoning Docket from March 18, 2019 Public Hearing**

	<p>The applicant is requesting to rezone the property to O-D, Office District.</p> <p>The applicant states the proposed land use is for a medical office use.</p> <p><b>CONCLUSION:</b></p> <p>The subject site is surrounded by single-family residential zoning and land uses. The <u>Imagine Greenville</u> Comprehensive Plan recommends Residential Use. Staff is of the opinion the requested zoning is not consistent with the surrounding zoning and land uses and could have a significant impact on the surrounding community. The requested zoning is also not consistent with the <u>Imagine Greenville</u> Comprehensive Plan.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to O-D, Office District.</p>
