THIS INDUCEMENT AGREEMENT (this “*Agreement*”) made and entered into as of _____, 2019 by and between **GREENVILLE COUNTY, SOUTH CAROLINA**, a body politic and corporate and a political subdivision of the State of South Carolina (the “*County*”), and [Project Fiber], a _____ (the “*Company*”).

WITNESSETH:

ARTICLE I RECITATION OF FACTS

Section 1.1. As a means of setting forth the matters of mutual inducement which have resulted in the making and entering into of this Agreement, the following statements of fact are herewith recited:

(a) The County, by and through its County Council, is authorized and empowered by the provisions of Title 12, Chapter 44 (the “*FILOT Act*”), Title 4, Chapter 1 (the “*Multi-County Park Act*”), Code of Laws of South Carolina 1976, as amended (the “*Code*”), to allow for the payment of certain fees in lieu of *ad valorem* taxes with respect to industrial properties; to issue special source revenue bonds, or in the alternative, to provide special source revenue credits against payment in lieu of taxes for reimbursement in respect of investment in certain infrastructure serving the County or the project, including improved or unimproved real estate and personal property, including machinery and equipment, used in the manufacturing or industrial enterprise (collectively, “*Infrastructure*”); through all such powers the industrial development of the State of South Carolina (the “*State*”) will be promoted and trade developed by inducing new industries to locate in the State and by encouraging industries now located in the State to expand their investments and thus utilize and employ manpower and other resources of the State and benefit the general public welfare of the County by providing services, employment, recreation or other public benefits not otherwise provided locally.

(b) The Company requested that the County assist in the acquisition, construction and installation of land, buildings, improvements, fixtures, machinery, equipment, furnishings and other real and/or tangible personal property to constitute a data processing facility in the County (collectively, the “*Project*”), which will result in (i) an expected investment by the Company in the Project of approximately \$10,000,000, but not less than \$7,500,000 (the “*FILOT Investment Target*”), and the expected creation by the Company of at least five (5) net new, full-time, jobs (with benefits) with respect thereto (the “*Jobs Creation Target*”), all by December 31 of the fifth year after the first year in which any portion of the Project is first placed in service (the “*FILOT Investment Period*”); and (ii) an expected aggregate investment by the Company and Company’s tenants (the “*Project Tenants*”) in taxable personal property at the Project facility (the “*SSRC Investments*”) of at least \$20,000,000 in non-exempt investment by December 31 of the fifth year after the first year which any portion of the Project is first placed in service, of at least \$30,000,000 in non-exempt investment by December 31 of the seventh year after the first year which any portion of the Project is first placed in service, of at least \$40,000,000 in non-exempt investment by December 31 of the eighth year after the first year which any portion of the Project is first placed in service, of at least \$50,000,000 in non-exempt investment by December 31 of the tenth year after the first year which any portion of the Project is first placed in service (collectively, the “*SSRC Investment Targets*”).

(c) Pursuant to the authority of Section 4-1-170 of the Multi-County Park Act and Article VIII, Section 13 of the South Carolina Constitution, the County will use its best efforts to place the site of the Project in a multi-county industrial and business park (the “*Park*”) established by the County pursuant to

qualifying agreement with Greenville County or other adjoining county in the State (the “*Park Agreement*”).

(d) The County has determined after due investigation that the Project would be aided by the availability of the assistance which the County might render through applicable provisions of the FILOT Act and the Multi-County Park Act as economic development incentives, and the inducements offered, will, to a great degree, result in the Project locating in the County. Pursuant to this determination, the Company and the County have agreed to negotiate for payments in lieu of *ad valorem* taxes as authorized by the FILOT Act, and the Company and the County have agreed as set forth in the Fee Agreement, pursuant to Section 4-1-175 of the Multi-County Park Act, that the Company and the Project Tenants would be afforded certain credits as described herein against their payments in lieu of taxes in respect of the Company’s investment in qualified Infrastructure within the meaning and purposes of Section 4-29-68 of the Code.

(e) The County has given due consideration to the economic development impact of the Project, and as a preliminary matter, based on representations by the Company, hereby finds and determines that (i) the Project is anticipated to benefit the general public welfare of the County by providing service, employment, recreation or other public benefits not otherwise provided locally, (ii) the Project will give rise to no pecuniary liability of the County or any incorporated municipality or a charge against the general credit or taxing power of either, (iii) the purposes to be accomplished by the Project, i.e., economic development, retention of jobs, and addition to the tax base of the County, are proper governmental and public purposes, (iv) the inducement of the location of the Project within the County and State is of paramount importance and (v) the benefits of the Project will be greater than the costs. The County, therefore, has agreed to effect the issuance and delivery of this Agreement, pursuant to the FILOT Act, the Multi-County Park Act and a Resolution of the County Council dated _____, 2019, and on the terms and conditions set forth.

ARTICLE II UNDERTAKINGS ON THE PART OF THE COUNTY

The County agrees as follows:

Section 2.1. The County, subject to the limits set forth herein, agrees to enter into a Fee in Lieu of Tax and Special Source Revenue Credits Agreement with the Company with respect to the Project (the “*Fee Agreement*”) and a Special Source Revenue Credit Agreement with the Company with respect to the SSRC Investments (the “*SSRC Agreement*”).

Section 2.2. The Fee Agreement and SSRC Agreement will be executed at such time and upon such mutually acceptable terms as the Company shall request, subject to the provisions of Sections 2.7 and 4.2 herein.

Section 2.3. The terms and provisions of the Fee Agreement shall be substantially in the form generally utilized in connection with the FILOT Act, as to be agreed upon by the County and the Company. The Fee Agreement shall contain, in substance, the following provisions:

(a) The term of the Fee Agreement will be for a period of thirty (30) years, following the last year of the FILOT Investment Period.

(b) The Fee Agreement shall provide that, in the performance of the agreements contained therein on the part of the County, such agreement will not give rise to any pecuniary liability of the

County and shall not create a charge against the general credit or taxing power of the County, the State or any incorporated municipality.

(c) The Fee Agreement shall contain a provision requiring the Company to make payments in lieu of taxes to the County for a period of thirty (30) years after each year of the capital investment made under the Fee Agreement during the FILOT Investment Period. The amounts of such payments shall be determined by using (i) an assessment ratio of 6%; (ii) a fixed millage rate of 349.6 mills (that is, the cumulative millage rate in effect at the site of the Project for all taxing entities as of June 30, 2019); and (iii) the fair market value of the Project property as determined by the South Carolina Department of Revenue in accordance with the FILOT Act. For purposes of computing the amount of such fee, in accordance with the terms of Section 12-44-50(2) of the FILOT Act, the property shall be allowed all applicable property tax exemptions except the exemption allowed under Section 3(g) of Article X of the Constitution of the State of South Carolina and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(d) The Company may dispose of and replace property subject to fee in lieu of tax payments, as set forth in Section 12-44-60 of the FILOT Act; the fee with respect to such replacement property shall be calculated in accordance with the provisions of said Section 12-44-60.

(e) The Fee Agreement will provide a special source revenue credit against payments in lieu of taxes by the Company for its real property to reimburse the Company in respect of its investment in Infrastructure pertaining to the Project, and in these respects, the Company shall be entitled to claim an annual special source revenue credit equal to 20% of each year's payments in lieu of taxes for real property (the "**Real Property SSRC**") pursuant to the Park Agreement, to be calculated and applied after any amount due the non-host county, with respect to the Project (that is, with respect to investment made by the Company under the Fee Agreement during the FILOT Investment Period) for ten (10) consecutive years.

(f) Notwithstanding anything herein to the contrary, under no circumstances shall the Company be entitled to claim or receive any abatement of *ad valorem* taxes for any portion of investment in the Project for which a special source revenue credit is taken.

(g) In no event shall the aggregate amount of any special source revenue credits claimed by the Company under the Fee Agreement exceed the amount expended by it with respect to the Infrastructure at any point in time.

(h) Should the Company fail to meet the FILOT Investment Target by the end of the FILOT Investment Period, the Company shall be liable for the difference between the amount of payments in lieu of taxes actually paid pursuant to the Fee Agreement (taking into account all Real Property SSRC infrastructure credits actually received) and the amount of *ad valorem* taxes which would have been due and payable with respect to the Project had the Fee Agreement not been entered into, with interest at the rate payable for late payment of taxes. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the FILOT Investment Period.

Section 2.4. The County hereby permits the planning, design, acquisition, construction and carrying out of the Project to commence prior to the execution and delivery of the Fee Agreement. Contracts for construction and for purchase of machinery, equipment and personal property deemed necessary under the Fee Agreement or that are otherwise permitted under the FILOT Act may be let by the Companies, in their sole discretion.

Section 2.5. The terms and provisions of the SSRC Agreement shall be substantially in the form generally utilized in connection with the Multi-County Park Act and Section 4-29-68 of the Code, as to be agreed upon by the County and the Company. The SSRC Agreement shall contain, in substance, the following provisions:

(a) The SSRC Agreement shall provide for annual special source revenue credits against payments in lieu of taxes for personal property of the Company and the Project Tenants in the amount of fifty (50%) percent of the annual fee in lieu of taxes due for personal property (the “**Personal Property SSRC**”) for a period of ten (10) consecutive years beginning the year following the first year which any portion of the Project is first placed in service and running through the tenth year after the first year which any portion of the Project is first placed in service (the “**SSRC Period**”). In the event that the Company and Project Tenants collectively invest in excess of \$200,000,000 in personal property at the Project by the end of the SSRC Period, the SSRC Period shall be extended an additional five (5) years.

(b) Notwithstanding anything herein to the contrary, under no circumstances shall the Company or the Project Tenants be entitled to claim or receive any abatement of *ad valorem* taxes for any portion of investment in the Project for which a special source revenue credit is taken.

(c) In no event shall the aggregate amount of any special source revenue credits claimed by the Company and the Project Tenants under the SSRC Agreement exceed the amount expended by the Company with respect to the Infrastructure at any point in time.

(d) Should the Company and the Project Tenants fail to collectively meet the SSRC Investment Targets set out in Section 1.1(b) above, the Personal Property SSRC shall terminate. For the avoidance of doubt, the investments in personal property by the Company shall qualify for and be included in both the FILOT Investment Target and the SSRC Investment Targets.

Section 2.6. Subject to the matters contained herein, the Fee Agreement and the SSRC Agreement will be executed at such time and upon such mutually acceptable terms as the parties shall agree.

Section 2.7. Notwithstanding anything in this Agreement to the contrary, the authorization by the County of the Fee Agreement and the SSRC Agreement is subject to compliance by the County with the provisions of the Home Rule Act regarding the enactment of ordinances and shall not constitute a general obligation or indebtedness of the County nor a pledge of the full faith and credit or the taxing power of the County. Further, the County will perform such other acts and adopt such other proceedings, consistent with this Agreement, as may be required to faithfully implement this Agreement and will assist, in good faith and with all reasonable diligence, with such usual and customary governmental functions as will assist the successful completion of the Project by the Company. The County has made no independent legal or factual investigation regarding the particulars of this Agreement or the transaction contemplated hereunder and, further, executes this Agreement in reliance upon the representations by the Company that the Agreement and related documents comply with all laws and regulations, particularly those pertinent to industrial development projects in the State.

ARTICLE III UNDERTAKINGS ON THE PART OF THE COMPANY AND THE PROJECT TENANTS

Section 3.1. Except with respect to the Fee Agreement and the SSRC Agreement, the County will have no obligation to assist the Company in finding any source of financing for all or any portion of

the property constituting the Project and the Company and the Project Tenants may endeavor to finance the Project to the extent required to finance the cost of the acquisition and installation of the Project.

Section 3.2. If the Project proceeds as contemplated:

(c) The Company agrees to hold the County harmless from all pecuniary liability including, without limitation, environmental liability, and to reimburse the County for all expenses to which the County might be put in the fulfillment of its obligations under this Agreement and in the negotiation and implementation of its terms and provisions, including reasonable legal expenses and fees;

ARTICLE IV GENERAL PROVISIONS

Section 4.1. THIS AGREEMENT AND THE SPECIAL SOURCE CREDITS PROVIDED FOR HEREUNDER ARE LIMITED OBLIGATIONS OF THE COUNTY PROVIDED BY THE COUNTY SOLELY FROM THE NET FEE PAYMENTS RECEIVED AND RETAINED BY THE COUNTY, AND DO NOT AND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION (OTHER THAN THE PROVISIONS OF ARTICLE X, SECTION 14(10) OF THE SOUTH CAROLINA CONSTITUTION) OR STATUTORY LIMITATION, AND DO NOT AND SHALL NEVER CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE COUNTY OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER. All commitments of the County and the Company hereunder are subject to the condition that the County and the Company agree on mutually acceptable terms and conditions of all documents, the execution and delivery of which are contemplated by the provisions hereof, and the adoption by the County Council of an ordinance authorizing the execution and delivery of such documents and approving the terms thereof. If the parties enter into the Fee Agreement and the SSRC Agreement, each party shall perform such further acts and adopt such further proceedings as may be required to faithfully implement its undertakings pursuant to such agreements.

Section 4.3.
