Staff Report	<p>ANALYSIS:</p> <p>The subject parcel is designated as a Regional Corridor. According the <u>Imagine Greenville Comprehensive Plan</u>, these corridors are predominately nonresidential, allowing for tall buildings, tight placement, and any nonresidential use. Additionally, intensity of traffic, speed, and use will likely be the highest in the County along these corridors. Floodplain is not present on this parcel. Currently, the parcel does have access to transit and is served by the Route 6 and Route 2 buses. Route 6 and Route 2 will continue to serve the parcel once the route changes, per the Comprehensive Operations Analysis.</p> <p>SUMMARY:</p> <p>The subject parcel zoned R-12, Single-Family Residential, is 0.39 acres of property located on White Horse Road approximately 0.53 miles south of the intersection of White Horse Road and Easley Bridge Road. The parcel has approximately 78 feet of frontage along White Horse Road. The applicant is requesting to rezone the property to C-1, Commercial.</p> <p>The applicant states the proposed land use is for retail and/or offices.</p> <p>CONCLUSION:</p> <p>The subject site is located along White Horse Road, a seven-lane arterial road. This section of White Horse Road is predominately residential with single-family residences to the north, south and east of the subject site. The site is also surrounded by R-10 and R-12, Single-Family Residential zoning. Staff is of the opinion that the existing zoning and land uses are appropriate based on the surrounding zoning and land use.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to C-1, Commercial.</p>
