Staff Report	<p>ANALYSIS: The subject property is part of the <u>Imagine Greenville</u> Comprehensive Plan and is designated as <i>Residential Land Use 2</i> which prescribes 3 to 6 units per acre. Additionally, the subject property is part of the <u>Imagine Greenville</u> Comprehensive Plan, designated as a <i>Neighborhood Corridor</i>. Neighborhood Corridors are predominately residential but do allow for some limited nonresidential use. Floodplain is not present on the subject parcels. There is also no public transportation serving this site; and no sidewalks along the subject parcels.</p> <p>SUMMARY: The subject parcel zoned R-20, Single-family Residential, is 3.3 acres of property located on both Locust Hill Road and North Buncombe Road approximately 0.6 miles northwest of the intersection of North Buncombe Road and Wade Hampton Boulevard. The parcel has approximately 200 feet of frontage along North Buncombe Road and approximately 355 feet of frontage along Locust Hill Road. The applicant is requesting to rezone the property to C-3, Commercial.</p> <p>The applicant states the proposed land use is for an auction house and office.</p> <p>CONCLUSION: The subject site is surrounded by R-20, Single-Family Residential zoning and land uses to the north, east and south. There is also a beautician shop zoned C-1, Commercial to the west of the site along with along with a restaurant and a child day care center along this area of Locust Hill Road.</p> <p>Staff has concerns that the requested C-3, Commercial zoning could allow for more intense uses such as, an automobile service facility, mini-warehouses, landscape business, sign painting and manufacturing and a pawn shop. Staff is of the opinion that the requested zoning of C-3 is not appropriate based on the surrounding zoning and land uses.</p> <p>Based on these reasons staff recommends denial of the requested rezoning to C-3, Commercial.</p>
