FEE IN LIEU OF TAX AGREEMENT

THIS FEE IN LIEU OF TAX AGREEMENT (the “*Fee Agreement*”) is made and entered into as of _____, 2019 by and between **GREENVILLE COUNTY, SOUTH CAROLINA** (the “*County*”), a body politic and corporate and a political subdivision of the State of South Carolina (the “*State*”), acting by and through the Greenville County Council (the “*County Council*”) as the governing body of the County, and BMW Manufacturing Co., LLC, a limited liability company organized and existing under the laws of the State of Delaware (the “*Company*”).

RECITALS

1. Title 12, Chapter 44 (the “*FILOT Act*”), Code of Laws of South Carolina, 1976, as amended (the “*Code*”), authorizes the County to (a) induce industries to locate in the State; (b) encourage industries now located in the State to expand their investments and thus make use of and employ manpower, products, and other resources of the State; and (c) enter into a fee agreement with entities meeting the requirements of the FILOT Act, which identifies certain property of such entities as economic development property and provides for the payment of a fee in lieu of tax with respect to such property.

2. The Company and the County have previously entered into a December 20, 1994 fee-in-lieu of tax Lease Agreement (the “*1994 FILOT Agreement*”) and a December 1, 2003 fee-in-lieu of tax Lease Agreement (the “*2003 FILOT Agreement*”), and the Company has exceeded the investment requirements set forth in each of those two FILOT Agreements.

3. The Company (as a Sponsor, within the meaning of the FILOT Act) desires to provide for the acquisition and construction of the Project (as defined herein) to constitute an expansion of the Company’s investments in the County for the manufacture of parts for motor vehicles and related products.

4. Based on information supplied by the Company, the County Council has evaluated the Project based on relevant criteria that include, but are not limited to, the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment, employment to be created or maintained, and the anticipated costs and benefits to the County. Pursuant to Section 12-44-40(H)(1) of the FILOT Act, the County finds that: (a) the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (b) the Project will give rise to no pecuniary liability of the County or any incorporated municipality therein and to no charge against their general credit or taxing powers; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project are greater than the costs.

5. By enactment of an Ordinance on _____, 2019, the County Council has authorized the County to enter into this Fee Agreement with the Company which classifies the Project as Economic Development Property under the FILOT Act and provides for the payment of fees in lieu of taxes, all as further described herein.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows:

ARTICLE I
DEFINITIONS

Section 1.01 Definitions

The terms that this Article defines shall for all purposes of this Fee Agreement have the meanings herein specified, unless the context clearly requires otherwise:

“Administration Expenses” shall mean the reasonable and necessary expenses incurred by the County with respect to this Fee Agreement, including without limitation reasonable attorney fees; provided, however, that no such expense shall be considered an Administration Expense until the County has furnished to the Company a statement in writing indicating the amount of such expense and the reason it has been or will be incurred.

“Economic Development Property” shall mean those items of real and tangible personal property of the Project which are eligible for inclusion as economic development property under the FILOT Act and this Fee Agreement, and selected and identified by the Company or any Sponsor Affiliate in its annual filing of a SCDOR PT-300S or comparable form with the Department (as such filing may be amended from time to time) for each year within the Project Investment Period.

Notwithstanding anything in this Fee Agreement to the contrary, the Project shall not include property which will not qualify for the FILOT pursuant to Section 12-44-110 of the FILOT Act, including without limitation property which has been subject to *ad valorem* taxation in the State prior to commencement of the Project Investment Period; provided, however, the Project may include (a) modifications which constitute an expansion of the real property portion of the Project and (b) the property allowed pursuant to Section 12-44-110(2) of the FILOT Act.

“Project Investment Period” shall mean the period beginning with the first day of any purchase or acquisition of Economic Development Property and ending five (5) years after the Commencement Date; provided, however, that the Company shall be entitled to exercise an option to extend the Project Investment Period for five (5) additional years (so that the Project Investment Period would end ten (10) years after the Commencement Date) by giving written notice to the County and to the Greenville Area Development Corporation (“GADC”), which notice shall also include the anticipated investment by the Company during the additional five (5) years of the Project Investment Period. In order to be effective, such written notice shall be provided by the Company to the County and to the GADC during the fifth (5th) year after the Commencement date.

[End of Article II]

ARTICLE III

COMMENCEMENT AND COMPLETION OF THE PROJECT

Section 3.01 The Project

(a) The Company intends and expects, together with any Sponsor Affiliate, to (i) construct and acquire the Project, and (ii) meet the Contract Minimum Investment Requirement within the Standard Investment Period. The Company anticipates that the first Phase of the Project will be placed in service during the calendar year ending December 31, 2019.

(b) Pursuant to the FILOT Act and subject to Section 4.02 hereof, the Company and the County hereby agree that the Company and any Sponsor Affiliates shall identify annually those assets which are eligible for FILOT payments under the FILOT Act and this Fee Agreement, and which the Company or any Sponsor Affiliate selects for such treatment by listing such assets in its annual PT-300S form (or comparable form) to be filed with the Department (as such may be amended from time to time) and that by listing such assets, such assets shall automatically become Economic Development Property and therefore be exempt from all *ad valorem* taxation during the Exemption Period. Anything contained in this Fee Agreement to the contrary notwithstanding, the Company and any Sponsor Affiliates shall not be obligated to complete the acquisition of the Project. However, if the Company, together with any Sponsor Affiliates, does not meet the Contract Minimum Investment Requirement within the Standard Investment Period, the provisions of Section 4.02 hereof shall control.

(c) The Company may add to the Land such real property located in the County as the original Land, as the Company, in its discretion, deems useful or desirable, in accordance with Exhibit A to this Fee Agreement.

Section 3.03 Filings and Reports

(a) Each year during the term of the Fee Agreement, the Company and any Sponsor Affiliates shall deliver to the County, the County Auditor, the County Assessor and the County Treasurer a copy of their most recent annual filings with the Department with respect to the Project, not later than thirty (30) days following delivery thereof to the Department.

(b) The Company shall cause a copy of this Fee Agreement, as well as a copy of the completed Form PT-443 of the Department, to be filed with the County Auditor and the County Assessor, the County Administrator and the Department within thirty (30) days after the date of execution and delivery of this Fee Agreement by all parties hereto.

(c) Each of the Company and any Sponsor Affiliates agree to maintain complete books and records accounting for the acquisition, financing, construction, and operation of the Project. Such books and records shall (i) permit ready identification of the various Phases and components thereof; (ii) confirm the dates on which each Phase was placed in service; and (iii) include copies of all filings made by the Company and any such Sponsor Affiliates in accordance with Section 3.03(a) or (b) above with respect to property placed in service as part of the Project.

[End of Article III]

ARTICLE IV

FILOT PAYMENTS

Section 4.01 FILOT Payments

(a) Pursuant to Section 12-44-50 of the FILOT Act, the Company and any Sponsor Affiliates, as applicable, are required to make payments in lieu of *ad valorem* taxes to the County with respect to the Economic Development Property. Inasmuch as the Company anticipates an initial investment of sums sufficient for the Project to qualify for a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the FILOT Act, the County and the Company have negotiated the amount of the FILOT Payments in accordance therewith. The Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of *ad valorem* taxes on all Economic Development Property which comprises the Project and is placed in service, as follows: the Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of *ad valorem* taxes during the Exemption Period with respect to the Economic Development Property or, if there are Phases of the Economic Development Property, with respect to each Phase of the Economic Development Property, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for *ad valorem* taxes. The determination of the amount of such annual FILOT Payments shall be in accordance with the following procedure (subject, in any event, to the procedures required by the FILOT Act):

Step 1: Determine the fair market value of the Economic Development Property (or Phase of the Economic Development Property) placed in service during the Exemption Period using original income tax basis for State income tax purposes for any real property and Improvements without regard to depreciation (provided, the fair market value of real property, as the FILOT Act defines such term, that the Company and any Sponsor Affiliates obtains by construction or purchase in an arms-length transaction is equal to the original income tax basis, and otherwise, the determination of the fair market value is by appraisal) and original income tax basis for State income tax purposes for any personal property less depreciation for each year allowable for property tax purposes, except that no extraordinary obsolescence shall be allowable. The fair market value of the real property for the first year of the Exemption Period remains the fair market value of the real property and Improvements for the life of the Exemption Period. The determination of these values shall take into account all applicable property tax exemptions that State law would allow to the Company and any Sponsor Affiliates if the property were taxable, except those exemptions that Section 12-44-50(A)(2) of the FILOT Act specifically disallows.

Step 2: Apply an assessment ratio of six percent (6%) to the fair market value in Step 1 to establish the taxable value of the Economic Development Property (or each Phase of the Economic Development Property) in the year it is placed in service and in each of the 29 years thereafter or such longer period of years in which the FILOT Act and this Fee Agreement permit the Company and any Sponsor Affiliates to make annual FILOT payments.

Step 3: Use (i) a millage rate during the Exemption Period equal to the legally levied cumulative property tax millage rates applicable on June 30, 2018 against (ii) the taxable value (see Step 2 above) to (iii) determine the amount of the FILOT Payments due during the Exemption Period on the applicable payment dates. In this connection, the parties acknowledge and agree that the Project will be located on several sites, some or many of which may be located in different millage rate districts, so that different millage rates will apply to different portions of the Project.

(b) In the event that a final order of a court of competent jurisdiction from which no further appeal is allowable declares the FILOT Act and/or the herein-described FILOT Payments invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions to reform such payments so as to effectuate most closely the intent thereof (without increasing the amount of incentives being afforded herein) and so as to afford the Company and any Sponsor Affiliates with the benefits to be derived herefrom, the intention of the County being to offer the Company and such Sponsor Affiliates a strong inducement to locate the Project in the County. If the Economic Development Property is deemed to be subject to *ad valorem* taxation, this Fee Agreement shall terminate, and the Company and any Sponsor Affiliates shall pay the County regular *ad valorem* taxes from the date of termination, but with appropriate reductions equivalent to all tax exemptions which are afforded to the Company and such Sponsor Affiliates. Any amount determined to be due and owing to the County from the Company and such Sponsor Affiliates, with respect to a year or years for which the Company or such Sponsor Affiliates previously remitted FILOT Payments to the County hereunder, shall (i) take into account all applicable tax exemptions to which the Company or such Sponsor Affiliates would be entitled if the Economic Development Property was not and had not been Economic Development Property under the Act; and (ii) be reduced by the total amount of FILOT Payments the Company or such Sponsor Affiliates had made with respect to the Project pursuant to the terms hereof.

Section 4.02 Failure to Achieve Minimum Investment Requirement

(a) In the event the Company, together with any Sponsor Affiliates, fails to meet the Contract Minimum Investment Requirement by the end of the Standard Investment Period, this Fee Agreement shall terminate and the Company and such Sponsor Affiliates shall pay the County an amount which is equal to the excess, if any, of (i) the total amount of *ad valorem* taxes as would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the items of property comprising the Economic Development Property were not Economic Development Property, but with appropriate reductions equivalent to all tax exemptions and abatements to which the Company and such Sponsor Affiliates would be entitled in such a case, through and including the end of the Standard Investment Period, over (ii) the total amount of FILOT payments the Company and such Sponsor Affiliates have made with respect to the Economic Development Property (such excess, a “*Deficiency Amount*”) for the period through and including the end of the Standard Investment Period. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Standard Investment Period. Once the Company has reached the Contract Minimum Investment Requirement during the Standard Investment Period, the Company shall have met this requirement, and is not required to maintain the Contract Minimum Investment Requirement, but the Company shall be required, at all times, to meet the FILOT Act Minimum Investment Requirement in order to continue the benefits of this Fee Agreement.

(b) As a condition to the FILOT benefit provided herein, the Company agrees to provide the County Administrator, the County Assessor, the County Auditor and the County Treasurer with an annual certification as to investment in the Project. Such certification shall be in substantially the form attached hereto as Exhibit B, and shall be due no later than the May 1 following the immediately preceding December 31 of each year during the Standard Investment Period.

Section 4.03 Removal of Equipment

Subject, always, to the other terms and provisions of this Fee Agreement, the Company and any Sponsor Affiliates shall be entitled to remove and dispose of components of the Project from the Project in its sole discretion with the result that said components shall no longer be considered a part of the Project and, to the extent such constitute Economic Development Property, shall no longer be subject to

the terms of this Fee Agreement. Economic Development Property is disposed of only when it is scrapped or sold or removed from the Project. If it is removed from the Project, it is subject to *ad valorem* property taxes to the extent the Property remains in the State and is otherwise subject to *ad valorem* property taxes.

Section 4.04 FILOT Payments on Replacement Property

If the Company or any Sponsor Affiliate elects to replace any Removed Components and to substitute such Removed Components with Replacement Property as a part of the Economic Development Property, or the Company or any Sponsor Affiliate otherwise utilizes Replacement Property, then, pursuant and subject to the provisions of Section 12-44-60 of the FILOT Act, the Company or such Sponsor Affiliate shall make statutory payments in lieu of *ad valorem* taxes with regard to such Replacement Property in accordance with the following:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest Economic Development Property subject to the Fee, whether real or personal, which is disposed of in the same property tax year in which the Replacement Property is placed in service. Replacement Property qualifies as Economic Development Property only to the extent of the original income tax basis of Economic Development Property which is being disposed of in the same property tax year. More than one piece of property can replace a single piece of Economic Development Property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to annual payments calculated as if the exemption for Economic Development Property were not allowable. Replacement Property is entitled to treatment under the Fee Agreement for the period of time remaining during the Exemption Period for the Economic Development Property which it is replacing; and

(ii) The new Replacement Property which qualifies for the FILOT shall be recorded using its income tax basis, and the calculation of the FILOT shall utilize the millage rate and assessment ratio in effect with regard to the original property subject to the FILOT.

Section 4.05 Reductions in Payment of Taxes Upon Diminution in Value; Investment Maintenance Requirement

In the event of a Diminution in Value of the Economic Development Property, the Payment in Lieu of Taxes with regard to the Economic Development Property shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of the Economic Development Property as determined pursuant to Step 1 of Section 4.01(a) hereof; *provided, however*, that if at any time subsequent to the end of the Standard Investment Period, the total value of the Project remaining in the County based on the original income tax basis thereof (that is, without regard to depreciation), is less than the FILOT Act Minimum Investment Requirement, then beginning with the first payment thereafter due hereunder and continuing until the Termination Date, the Project shall no longer be entitled to the incentive provided in Section 4.01, and the Company and any Sponsor Affiliate shall therefore commence to pay regular *ad valorem* taxes thereon, calculated as set forth in Section 4.01(b) hereof.

[End of Article IV]

ARTICLE V

PARTICULAR COVENANTS AND AGREEMENTS

Section 5.01 Cessation of Operations

Notwithstanding any other provision of this Fee Agreement, each of the Company and any Sponsor Affiliates acknowledges and agrees that County's obligation to provide the FILOT incentive may end with respect to a particular site described on Exhibit A to this Fee Agreement, and this Fee Agreement may be terminated by the County with respect to such site, at the County's sole discretion, if the Company ceases operations at such site. For purposes of this Section, "ceases operations" means with respect to a particular site either (i) the removal by BMW of all or virtually all of its equipment from that site or (ii) the cessation of production and shipment of products from such site for a continuous period of twelve (12) months. The provisions of Section 4.02 hereof relating to retroactive payments shall apply, if applicable, if this Fee Agreement is terminated in accordance with this Section prior to the end of the Standard Investment Period. Each of the Company and any Sponsor Affiliates agrees that if this Fee Agreement is terminated pursuant to this subsection, that under no circumstance shall the County be required to refund or pay any monies to the Company or any Sponsor Affiliates.

Section 5.02 Rights to Inspect

The Company agrees that the County and its authorized agents shall have the right at all reasonable times and upon prior reasonable written notice to enter upon and examine and inspect the Project. The County and its authorized agents shall also be permitted, at all reasonable times and upon prior reasonable written notice, to have access to examine and inspect the Company's South Carolina property tax returns, as filed. The aforesaid rights of examination and inspection shall be exercised only upon such reasonable and necessary terms and conditions as the Company shall prescribe, and shall be subject to the provisions of Section 5.03 hereof.

Section 5.03 Confidentiality

The County acknowledges and understands that the Company and any Sponsor Affiliates may utilize confidential and proprietary processes and materials, services, equipment, trade secrets, and techniques (herein "Confidential Information"). The County agrees that, except as required by law, neither the County nor any employee, agent, or contractor of the County shall disclose or otherwise divulge any Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by law. Each of the Company and any Sponsor Affiliates acknowledge that the County is subject to the South Carolina Freedom of Information Act, and, as a result, must disclose certain documents and information on request, absent an exemption. In the event that the County is required to disclose any Confidential Information obtained from the Company or any Sponsor Affiliates to any third party, the County agrees to provide the Company and such Sponsor Affiliates with as much advance notice as is reasonably possible of such requirement before making such disclosure, and to cooperate reasonably with any attempts by the Company and such Sponsor Affiliates to obtain judicial or other relief from such disclosure requirement.

Section 5.04 Limitation of County’s Liability

Anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder, including for the payment of money, shall not be deemed to constitute a pecuniary liability or a debt or general obligation of the County; provided, however, that nothing herein shall prevent the Company from enforcing its rights hereunder by suit for *mandamus* or specific performance.

Section 5.05 Mergers, Reorganizations and Equity Transfers

Each of the Company and any Sponsor Affiliates acknowledges that any mergers, reorganizations or consolidations of the Company and such Sponsor Affiliates may cause the Project to become ineligible for negotiated fees in lieu of taxes under the FILOT Act absent compliance by the Company and such Sponsor Affiliates with the Transfer Provisions; provided that, to the extent provided by Section 12-44-120 of the FILOT Act or any successor provision, any financing arrangements entered into by the Company or any Sponsor Affiliates with respect to the Project and any security interests granted by the Company or any Sponsor Affiliates in connection therewith shall not be construed as a transfer for purposes of the Transfer Provisions. Notwithstanding anything in this Fee Agreement to the contrary, it is not intended in this Fee Agreement that the County shall impose, and this Fee Agreement does not impose, transfer restrictions with respect to the Company, any Sponsor Affiliates or the Project as are any more restrictive than the Transfer Provisions or than the provisions of Section 5.09 hereof, whichever are less.

Section 5.06 Indemnification Covenants

(a) Notwithstanding any other provisions in this Fee Agreement or in any other agreements with the County, the Company agrees to indemnify, defend and save the County, its County Council members, elected officials, officers, employees, servants and agents (collectively, the “Indemnified Parties”) harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project or the Land by the Company or any Sponsor Affiliate, their members, officers, shareholders, employees, servants, contractors, and agents during the Term, and, the Company further, shall indemnify, defend and save the Indemnified Parties harmless against and from all claims arising during the Term from (i) any condition of the Project, (ii) any breach or default on the part of the Company or any Sponsor Affiliate in the performance of any of its obligations under this Fee Agreement, (iii) any act of negligence of the Company or any Sponsor Affiliate or its agents, contractors, servants, employees or licensees, (iv) any act of negligence of any assignee or lessee of the Company or any Sponsor Affiliate, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the Company or any Sponsor Affiliate, or (v) any environmental violation, condition, or effect with respect to the Project. The Company shall indemnify, defend and save the County harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon notice from the County, the Company shall defend it in any such action, prosecution or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld).

(b) If any of the Indemnified Parties should incur any pecuniary liability covered by Sponsor’s indemnification obligation as set forth in subsection (a) above, then in such event the Company shall indemnify, defend and hold them harmless against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Company shall defend them in any such action or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld); provided, however, that such indemnity shall not

apply to the extent that any such claim is attributable to (i) the grossly negligent acts or omissions or willful misconduct of the County, its agents, officers or employees, or (ii) any breach of this Fee Agreement by the County.

(c) Notwithstanding anything in this Fee Agreement to the contrary, the above-referenced covenants insofar as they pertain to costs, damages, liabilities or claims by any Indemnified Party resulting from any of the above-described acts of or failure to act by the Company or any Sponsor Affiliate, shall survive any termination of this Fee Agreement.

Section 5.07 Qualification in State

Each of the Company and any Sponsor Affiliates warrant that it is duly qualified to do business in the State, and covenants that it will continue to be so qualified so long as it operates any portion of the Project.

Section 5.08 No Liability of County's Personnel

All covenants, stipulations, promises, agreements and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the County and shall be binding upon any member of the County Council or any elected official, officer, agent, servant or employee of the County only in his or her official capacity and not in his or her individual capacity, and no recourse shall be had for the payment of any moneys hereunder against any member of the governing body of the County or any elected official, officer, agent, servants or employee of the County and no recourse shall be had against any member of the County Council or any elected official, officer, agent, servant or employee of the County for the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon except solely in their official capacity.

Section 5.09 Assignment, Leases or Transfers

The County agrees that the Company and any Sponsor Affiliates may at any time (a) transfer all or any of their rights and interests under this Fee Agreement or with respect to all or any part of the Project, or (b) enter into any lending, financing, leasing, security, or similar arrangement or succession of such arrangements with any financing or other entity with respect to this Fee Agreement or all or any part of the Project, including without limitation any sale-leaseback, equipment lease, build-to-suit lease, synthetic lease, nordic lease, defeased tax benefit or transfer lease, assignment, sublease or similar arrangement or succession of such arrangements, regardless of the identity of the income tax owner of such portion of the Project, whereby the transferee in any such arrangement leases the portion of the Project in question to the Company or any Sponsor Affiliate or operates such assets for the Company or any Sponsor Affiliate or is leasing the portion of the Project in question from the Company or any Sponsor Affiliate. In order to preserve the FILOT benefit afforded hereunder with respect to any portion of the Project so transferred, leased, financed, or otherwise affected: (i) except in connection with any transfer to an Affiliate of the Company or of any Sponsor Affiliate, or transfers, leases, or financing arrangements pursuant to clause (b) above (as to all of which such transfers the County hereby consents), the Company and any Sponsor Affiliates, as applicable, shall obtain the prior consent or subsequent ratification of the County which consent or subsequent ratification may be granted by the County in its sole discretion; (ii) except when a financing entity which is the income tax owner of all or part of the Project is the transferee pursuant to clause (b) above and such financing entity assumes in writing the obligations of the Company or any Sponsor Affiliate, as the case may be, hereunder, or when the County consents in writing, no such transfer shall affect or reduce any of the obligations of the Company and any Sponsor Affiliates hereunder; (iii) to the extent the transferee or financing entity shall become obligated to make FILOT Payments hereunder, the transferee shall assume the then current basis of, as the case may

be, the Company or any Sponsor Affiliates (or prior transferee) in the portion of the Project transferred; (iv) the Company or applicable Sponsor Affiliate, transferee or financing entity shall, within sixty (60) days thereof, furnish or cause to be furnished to the County and the Department a true and complete copy of any such transfer agreement; and (v) the Company, the Sponsor Affiliates and the transferee shall comply with all other requirements of the Transfer Provisions.

The County further agrees that the County Council can provide any required consent by a resolution of County Council. Except as otherwise required by the FILOT Act or this Fee Agreement (including any requirements to obtain the County's consent contained in this Fee Agreement), a transaction or an event of sale, assignment, leasing, sale-leaseback, transfer of an interest herein, disposal, or replacement of all or part of the Project shall not be or cause a termination of this Fee Agreement in whole or in part or be a basis for increasing the FILOT Payments due hereunder. Subject to County consent when required under this Section, and at the expense of the Company or any Sponsor Affiliate, as the case may be, the County agrees to take such further action or execute such further agreements, documents, and instruments as may be reasonably required to effectuate the assumption by any such transferee of all or part of the rights of the Company or such Sponsor Affiliate under this Fee Agreement and/or any release of the Company or such Sponsor Affiliate pursuant to this Section.

Each of the Company and any Sponsor Affiliates acknowledges that such a transfer of an interest under this Fee Agreement or in the Project may cause all or part of the Project to become ineligible for the FILOT benefit afforded hereunder or result in penalties under the FILOT Act absent compliance by the Company and any Sponsor Affiliates with the Transfer Provisions.

Section 5.10 Administration Expenses

The Company agrees to pay any Administration Expenses to the County when and as they shall become due, but in no event later than the date which is the earlier of any payment date expressly provided for in this Fee Agreement or the date which is forty-five (45) days after receiving written notice from the County, accompanied by such supporting documentation as may be necessary to evidence the County's or Indemnified Party's right to receive such payment, specifying the nature of such expense and requesting payment of same; provided, however, that Administration Expenses shall not exceed \$6,000 in total for all work related to (i) the drafting, review, and negotiation of this Fee Agreement, any related Ordinances, (ii) all other negotiations, agreements and documents between the County and the Company relating to any of the foregoing, and (iii) the implementation of all matters contemplated herein or therein on the part of the County.

Section 5.11 Priority Lien Status

The County's right to receive FILOT payments hereunder shall have a first priority lien status pursuant to Sections 12-44-90(E) and (F) of the FILOT Act and Chapters 4, 49, 51, 53, and 54 of Title 12 of the Code.

Section 5.12 Interest; Penalties

In the event the Company or any Sponsor Affiliate should fail to make any of the payments to the County required under this Fee Agreement, then the item or installment so in default shall continue as an obligation of the Company or such Sponsor Affiliate until the Company or such Sponsor Affiliate shall have fully paid the amount, and the Company and any Sponsor Affiliates agree, as applicable, to pay the same with interest thereon at a rate, unless expressly provided otherwise herein and in the case of FILOT payments, of 5% per annum, compounded monthly, to accrue from the date on which the payment was

due and, in the case of FILOT payments, at the rate for non-payment of *ad valorem* taxes under State law and subject to the penalties the law provides until payment.

Section 5.13 Sponsor Affiliates

The Company may designate from time to time any Sponsor Affiliates pursuant to the provisions of Sections 12-44-30(20) and 12-44-130 of the FILOT Act, which Sponsor Affiliates shall join with the Company and make investments with respect to the Project, or participate in the financing of such investments, and shall agree to be bound by the terms and provisions of this Fee Agreement pursuant to the terms of a written joinder agreement with the County and the Company, in form reasonably acceptable to the County. The County hereby expressly consents to the future designation by the Company of BMW of North America, LLC and/or SB Acquisitions, LLC as Sponsor Affiliates, without the need to obtain future consent from the County with respect to such designation. The Company shall provide the County and the Department with written notice of any Sponsor Affiliate designated pursuant to this Section within ninety (90) days after the end of the calendar year during which any such Sponsor Affiliate has placed in service any portion of the Project, in accordance with Section 12-44-130(B) of the FILOT Act.

DEFAULT

Section 6.01 Events of Default

The following shall be “Events of Default” under this Fee Agreement, and the term “Event of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Company or any Sponsor Affiliate to make the FILOT Payments described in Section 4.01 hereof, or any other amounts payable to the County under this Fee Agreement when due, which failure shall not have been cured within thirty (30) days following receipt of written notice thereof from the County; provided, however, that the Company and any Sponsor Affiliates shall be entitled to all redemption rights granted by applicable statutes; or

(b) A representation or warranty made by the Company or any Sponsor Affiliate hereunder which is deemed materially incorrect when deemed made; or

(c) Failure by the Company or any Sponsor Affiliate to perform any of the terms, conditions, obligations, or covenants hereunder (other than those under (a) above), which failure shall continue for a period of thirty (30) days after written notice from the County to the Company and such Sponsor Affiliate specifying such failure and requesting that it be remedied, provided if by reason of “*force majeure*” as hereinafter defined such entity is unable in whole or in part to carry out any such covenant, condition or agreement or unless the Company or such Sponsor Affiliate shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the Company or such Sponsor Affiliate is diligently pursuing corrective action; or

(d) Failure by the County to perform any of the terms, conditions, obligations, or covenants hereunder, which failure shall continue for a period of thirty (30) days after written notice from the Company to the County specifying such failure and requesting that it be remedied, unless the County shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the County is diligently pursuing corrective action.

The term “*force majeure*” as used herein shall mean circumstances not reasonably within the control of the parties, such as, without limitation, acts of God; strikes, lockouts or other industrial disturbances; war; acts of public enemies; mobilization or military conscription on a large scale; order of any kind of the government of the United States or any State, or any civil or military authority other than the County Council; insurrections; riots, landslides; earthquakes; fires; lightning; storms; droughts; floods, requisitions, confiscation, or commandeering of property; fuel restrictions; general shortages of transport, goods or energy.

Section 6.02 Remedies Upon Default

(a) Whenever any Event of Default by the Company or any Sponsor Affiliate (the “*Defaulting Entity*”) shall have occurred and shall be continuing, the County may take any one or more of the following remedial actions as to the Defaulting Entity, only:

(i) terminate this Fee Agreement; or

(ii) take whatever action at law or in equity may appear necessary or desirable to collect the amounts due hereunder.

In no event shall the Company or any Sponsor Affiliate be liable to the County or otherwise for monetary damages resulting from the Company's (together with any Sponsor Affiliates) failure to meet the Contract Minimum Investment Requirement other than as expressly set forth in Section 4.02 of this Fee Agreement.

In addition to all other remedies provided herein, the failure to make FILOT payments shall give rise to a lien for tax purposes as provided in Section 12-44-90 of the FILOT Act. In this regard, and notwithstanding anything in this Fee Agreement to the contrary, the County may exercise the remedies that general law (including Title 12, Chapter 49 of the Code) provides with regard to the enforced collection of *ad valorem* taxes to collect any FILOT payments due hereunder.

(b) Whenever any Event of Default by the County shall have occurred or shall be continuing, the Company and any Sponsor Affiliate may take one or more of the following actions:

(i) bring an action for specific enforcement;

(ii) terminate this Fee Agreement as to the acting party; or

(iii) in case of a materially incorrect representation or warranty, take such action as is appropriate, including legal action, to recover its damages, to the extent allowed by law.

Section 6.03 Reimbursement of Legal Fees and Expenses and Other Expenses

Upon the occurrence of an Event of Default hereunder by the Company or any Sponsor Affiliate, should the County be required to employ attorneys or incur other reasonable expenses for the collection of payments due hereunder or for the enforcement of performance or observance of any obligation or agreement, the County shall be entitled, within thirty (30) days of demand therefor, to reimbursement of the reasonable fees of such attorneys and such other reasonable expenses so incurred.

Section 6.04 No Waiver

No failure or delay on the part of any party hereto in exercising any right, power, or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or remedy preclude any other or further exercise thereof or the exercise of any other right, power, or remedy hereunder. No waiver of any provision hereof shall be effective unless the same shall be in writing and signed by the waiving party hereto.

Section 7.02 Binding Effect

This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Company and any Sponsor Affiliates, the County, and their respective successors and assigns. In the event of the dissolution of the County or the consolidation of any part of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises, and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency, or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 7.03 Counterparts

This Fee Agreement may be executed in any number of counterparts, and all of the counterparts taken together shall be deemed to constitute one and the same instrument.

Section 7.04 Governing Law

This Fee Agreement and all documents executed in connection herewith shall be construed in accordance with and governed by the laws of the State.

Section 7.05 Headings

The headings of the articles and sections of this Fee Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Fee Agreement.

Section 7.06 Amendments

The provisions of this Fee Agreement may only be modified or amended in writing by any agreement or agreements entered into between the parties.

Section 7.07 Further Assurance

From time to time, and at the expense of the Company and any Sponsor Affiliates, the County agrees to execute and deliver to the Company and any such Sponsor Affiliates such additional instruments as the Company or such Sponsor Affiliates may reasonably request and as are authorized by law and reasonably within the purposes and scope of the FILOT Act and this Fee Agreement to effectuate the purposes of this Fee Agreement.

Section 7.08 Invalidity; Change in Laws

In the event that the inclusion of property as Economic Development Property or any other issue is unclear under this Fee Agreement, the County hereby expresses its intention that the interpretation of this Fee Agreement shall be in a manner that provides for the broadest inclusion of property under the terms of this Fee Agreement and the maximum incentive permissible under the FILOT Act, to the extent not inconsistent with any of the explicit terms hereof. If any provision of this Fee Agreement is declared illegal, invalid, or unenforceable for any reason, the remaining provisions hereof shall be unimpaired, and such illegal, invalid, or unenforceable provision shall be reformed to effectuate most closely the legal, valid, and enforceable intent thereof and so as to afford the Company and any Sponsor Affiliates with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Company and any Sponsor Affiliates the strongest inducement possible, within the provisions of the FILOT Act, to locate the Project in the County. In case a change in the FILOT Act or South Carolina laws eliminates or reduces any of the restrictions or limitations applicable to the Company and any Sponsor Affiliates and the FILOT incentive, the parties agree that the County will give expedient and full consideration to reformation of this Fee Agreement, and, if the County Council so decides, to provide the Company and any Sponsor Affiliates with the benefits of such change in the FILOT Act or South Carolina laws.

Section 7.09 Termination by Company

The Company is authorized to terminate this Fee Agreement at any time with respect to all or part of the Project upon providing the County with thirty (30) days' written notice; *provided, however*, that (i) any monetary obligations existing hereunder and due and owing at the time of termination to a party

hereto (including without limitation any amounts owed with respect to Section 4.02 hereof); and (ii) any provisions which are intended to survive termination shall survive such termination. In the year following such termination, all property shall be subject to *ad valorem* taxation or such other taxation or fee in lieu of taxation that would apply absent this Agreement. The Company's obligation to make FILOT Payments under this Fee Agreement shall terminate in the year following the year of such termination pursuant to this section.

Section 7.10 Entire Understanding

This Fee Agreement expresses the entire understanding and all agreements of the parties hereto with each other, and neither party hereto has made or shall be bound by any agreement or any representation to the other party which is not expressly set forth in this Fee Agreement or in certificates delivered in connection with the execution and delivery hereof.

Section 7.11 Waiver

Either party may waive compliance by the other party with any term or condition of this Fee Agreement only in a writing signed by the waiving party.

Section 7.12 Business Day

In the event that any action, payment, or notice is, by the terms of this Fee Agreement, required to be taken, made, or given on any day which is a Saturday, Sunday, or legal holiday in the jurisdiction in which the person obligated to act is domiciled, such action, payment, or notice may be taken, made, or given on the following business day with the same effect as if given as required hereby, and no interest shall accrue in the interim.

Section 7.13 Leased Equipment

The parties hereto agree that, to the extent that applicable law allows or is revised or construed to allow the benefits of the FILOT Act, in the form of FILOT Payments to be made under Section 4.01(a), to be applicable to personal property to be installed in the buildings and leased to but not purchased by Company and any Sponsor Affiliate from one or more third parties under any form of lease, including but not limited to a lease entered into in connection with a sale-leaseback arrangement, then such personal property shall, at the election of the Company and any Sponsor Affiliate, be subject to FILOT Payments to the same extent as the Equipment covered by this Fee Agreement. The parties hereto further agree that this Fee Agreement may be interpreted as may be necessary or appropriate in order to give proper application of this Fee Agreement to such tangible personal property without such construction constituting an amendment to this Fee Agreement, and thus not requiring any additional action by the County Council. The County Administrator, after consulting with the County Attorney, shall be and hereby is authorized to apply such interpretations, if any, as may be necessary or appropriate in connection therewith.

[End of Article VII]

IN WITNESS WHEREOF, the County, acting by and through the County Council, has caused this Fee Agreement to be executed in its name and behalf by the County Administrator and to be attested by the Clerk of the County Council; and the Company has caused this Fee Agreement to be executed by its duly authorized officer, all as of the day and year first above written.
