The Corporation hereby affirms that such covenants are intended to benefit the County and may be enforced by it upon the failure of the Trustee to do so.

**ARTICLE III
LEASE OF THE REAL PROPERTY,
ACQUISITION OF THE PROJECT FACILITIES; RENT**

SECTION 3.1. *Transfer of the 2020 Facilities and Lease of the Real Property.* For and in consideration of the agreement of the Corporation to provide funds to improve the Project Facilities, acquire the 2020 Real Property and acquire and construct the Ancillary Facilities through acquisition, renovations, expansions, construction, furnishing and equipping of new facilities, the County hereby demises and leases to the Corporation and the Corporation hereby leases from the County the Real Property for the Base Lease Term for the rentals and other consideration set forth in **Section 3.4** hereof and in accordance with the provisions of this Base Lease. The County hereby conveys the 2020 Facilities to the Corporation, and the Corporation hereby accepts such conveyance from the County.

SECTION 3.2. *Purchase of the Project Facilities.* Pursuant to the terms of the Facilities Agreement, the Corporation will acquire, construct, renovate and equip the Project Facilities and will convey title to the Project Facilities to the County, but subject to the terms of the Trust Agreement and the reservation of certain rights under this Base Lease.

SECTION 3.3. *Assignments, Subleases and Mortgages.* Except as contemplated by the Trust Agreement or permitted by the Facilities Agreement, the Corporation may not (i) mortgage or otherwise encumber or assign its rights under this Base Lease, (ii) mortgage or otherwise encumber, or lease, assign, transfer or otherwise dispose of its interest in the Real Property or the Project Facilities or any portion thereof or (iii) remove, modify or alter the Real Property or the Project Facilities, without the consent of the County.

Pursuant to the Facilities Agreement, the County, at its discretion, may lease or sublease less than a substantial portion of the Real Property to third parties. If the Facilities Agreement terminates prior to

the termination of such lease or sublease, the Corporation hereby agrees to assume the role of lessor in the place of the County until the termination of this Base Lease, at which point the County will again resume the role of lessor under such lease or sublease.

SECTION 3.4. *Rent and Other Consideration.* In consideration for the leasing of the Real Property to the Corporation hereunder, the Corporation agrees (i) to pay to the County the sum of _____ Dollars and ___/100 (\$_____) on the closing date of the Series 2020 Notes as a prepayment of the Base Lease Rent for the term of the Base Lease and Conveyance Agreement and (ii) to fulfill its obligations with respect to the Project Facilities as provided in the Facilities Agreement.

SECTION 3.5. *Taxes and Insurance.* The County shall pay and have responsibility for all taxes on and insurance of the Real Property and the Project Facilities for so long as this Base Lease shall remain in force, except as provided in **Section 4.1(b)** herein. All insurance shall provide that the proceeds shall be payable to the County, the Corporation or the Trustee as their interests may appear.

SECTION 3.6. *Granting of Easements and Rights of Way, Release and Substitutions of Property.* From time to time during the term hereof and so long as there is not an existing Event of Default under the Facilities Agreement and there has not occurred an Event of Nonappropriation that has not been waived by the Trustee, the Corporation, at the request of the County, may execute such instruments as are necessary to provide for the granting of easements or rights of way for road construction, utilities or in such other instances as the County certifies are not inconsistent or incompatible with the continued use of the balance of the Real Property for their intended purposes. Such instruments may include a termination of this Base Lease with respect to such portion of the Real Property as is affected thereby or an acceptance or acknowledgment of the right of the grantee of any such easement or right-of-way to continue to use such property notwithstanding the exercise of any rights or remedies afforded to the Corporation hereunder or under the Facilities Agreement. Any request from the County hereunder shall be accompanied by copies of any instruments proposed to be executed together with a certificate from the County to the effect that (i) the continued use of the Real Property affected thereby will not be impaired or hampered thereby; (ii) access to the Real Property for ingress and egress will be adequate; and (iii) that the value of the Real Property to the County will not be significantly diminished thereby.

The Corporation may, with the prior written consent of the Trustee, if any, also terminate this Base Lease with respect to any portion of the Real Property deemed excessive or unneeded for the continued operation of the Project Facilities and the related facilities for the purposes for which they were designed or are then being used, and release its interest in such portion to the County, upon receipt by the Corporation of the following: (a) a plat showing the location of the Project Facilities and related facilities and the portion of the Real Property deemed excessive or unneeded; (b) an amendment to **Exhibit A** hereto revising the description of the affected parcel of property; (c) a certificate from an engineer or architect stating that the remaining Real Property will be adequate for the continued operation of the Project Facilities and related facilities for the purposes for which they were designed or are then being used, including a certification that there will be adequate access to the remaining Real Property for ingress and egress; and (d) a certification from the County that the portion of the Real Property being released from the provisions hereof is in excess to or unneeded for the continued operation of the Project Facilities and related facilities for the purposes for which they were designed or are then being used.

The County and the Corporation agree to amend **Exhibit A** to this Base Lease to substitute or release parcels of Real Property or portions thereof in accordance with the provisions of this **Section 3.6**. With respect to any particular item of Real Property, the County may, with the prior written consent of the

Trustee, if any, substitute another item of Real Property under the conditions set forth in Section 5.1(c) of the Facilities Agreement.

The County shall not be obligated to compensate the Corporation for the removal of any property or for any conveyance or grant of an easement or right-of-way under the provisions hereof and any consideration paid in connection therewith shall be transferred to the County so long as there is not an existing Event of Default under the Facilities Agreement and no Event of Nonappropriation has occurred that has not been waived by the Trustee. The Corporation shall have no obligation or responsibility to prepare or record any instrument authorized hereunder.

ARTICLE IV TERMINATION

SECTION 4.1. *Termination.*

(a) This Base Lease shall terminate upon the completion of the Base Lease Term; provided, however, in the event the County exercises the option to purchase the Project Facilities as provided in Section 9.1(a) of the Facilities Agreement and satisfies the conditions thereof, then this Base Lease shall be considered terminated through merger of the leasehold interest with the interest of the County and, provided further, that upon any partition of the Project Facilities pursuant to Section 2.4 of the Facilities Agreement, this Base Lease shall be terminated with respect to that portion of the Real Property (the “**County Real Property**”) relating to any County Facilities (as defined in the Facilities Agreement) and the County Real Property, if any, shall no longer be subject to this Base Lease and the Corporation shall have no interest therein. Notwithstanding the termination of the Facilities Agreement as a consequence of an Event of Default or Event of Nonappropriation, the County may thereafter purchase the Project Facilities not previously purchased by it upon payment of the applicable Purchase Option Price and the satisfaction of all other terms and conditions set forth in Section 9.1(a) of the Facilities Agreement.

(b) The Corporation agrees, upon any termination or completion of the Base Lease Term or the exercise by the County of its option to purchase as provided in Section 9.1(a) of the Facilities Agreement, to quit and surrender the Real Property and that all title and interest in the Project Facilities and the Real Property shall vest in the County free and clear of the encumbrance of this Base Lease and any other encumbrances except those permitted by Section 9.2(a) of the Facilities Agreement. The Corporation agrees, upon any partition of the Project Facilities provided for in Section 2.4 of the Facilities Agreement, to quit and surrender the County Real Property, if any, and that in those circumstances all title and interest in the County Facilities and the County Real Property, if any, shall vest in the County free and clear of the encumbrance of this Base Lease and any other encumbrances except those permitted by Section 9.2(a) of the Facilities Agreement.

If an Event of Default under the Facilities Agreement occurs or if the County fails to continue the Facilities Agreement for the entire term thereof for any reason, the Corporation shall have the right to possession of portions of the Real Property, if any, (the “**Corporation Real Property**”) relating to the Corporation Facilities (as defined in the Facilities Agreement) as the result of a partition as provided for in Section 2.4 of the Facilities Agreement for the remainder of the Base Lease Term and shall have the right to sublease the Corporation Facilities or transfer its leasehold interest in the Corporation Real Property and in this Base Lease upon whatever terms and conditions it deems prudent; provided that the Corporation Facilities shall always be operated for a civic or public purpose to the extent such requirement continues to be applicable under State law and in compliance with all applicable governmental rules, regulations and orders. Both parties acknowledge that the County has an insurable interest in the Corporation Facilities but not in any additions, alterations, furnishings and fixtures provided in connection with use of the Corporation Facilities by the Corporation or any person to whom

the Corporation enters into a lease, license or other such agreement providing for occupancy, temporary or long-term. Therefore, the County's obligation to provide insurance and pay taxes under the provisions of **Section 3.5** hereof shall be limited to the portions of the Real Property and the Project Facilities and related property as they existed as of the Division Date (as defined in the Facilities Agreement). As to any additions, alterations, furnishings and fixtures provided in connection with use of the Corporation Facilities by the Corporation or any person to whom the Corporation enters into a lease, license or other such agreement providing for occupancy temporary or long-term, the Corporation shall provide the County with adequate public liability and comprehensive risk insurance covering such additions, alterations, furnishings and fixtures and the use thereof by the Corporation or such person, and shall pay all taxes relating thereto for the remainder of the Base Lease Term and will furnish the County with evidence thereof promptly upon written request from the County. In the event that the Corporation shall receive a payment for the transfer of its leasehold interest or total rental payments for subleasing that are, after the payment of the Corporation's expenses in connection therewith, including fees, costs and expenses of the Trustee, in excess of the principal amount of the Outstanding Obligations at the time of termination or default and the interest and premium, if any, due and to become due thereon (with amounts so received to be credited first to such interest and then to principal), then such excess shall be paid to the County by the Corporation, its assigns or its lessee.

SECTION 4.2. *Default by the Corporation.* The County shall not have the right to exclude the Corporation from the Real Property or the Project Facilities or to take possession of the Real Property or the Project Facilities (except pursuant to the Facilities Agreement) or to terminate this Base Lease prior to the termination of the Base Lease Term notwithstanding any default by the Corporation hereunder; except that if, upon exercise of the option to purchase the Corporation's entire interest in the Project Facilities granted to the County in Article IX of the Facilities Agreement and after the payment of the purchase price specified therein and the other sums payable under the Facilities Agreement, the Corporation fails to convey its interest in the Project Facilities to the County pursuant to said option, then the County shall have the right to terminate this Base Lease, such termination to be effective 30 days after delivery of written notice of such termination to the Corporation. However, in the event of any default by the Corporation hereunder, the County may maintain an action, if permitted in equity, for specific performance.

SECTION 4.3. *Quiet Enjoyment.* Subject to the Facilities Agreement, the Corporation at all times during the term of this Base Lease shall peaceably and quietly have and enjoy the Real Property and the Project Facilities.

SECTION 4.4. *No Merger.* Except as expressly provided herein, no union of the interests of the County and the Corporation herein or in the Facilities Agreement shall result in a merger of this Base Lease and the title to the Project Facilities. The Corporation and County confirm that the Project Facilities shall be property of the Corporation and title thereto shall remain vested in the Corporation as the Project Facilities is constructed and shall not merge into the leasehold estate of the Corporation in the Real Property subject to the provisions of this Base Lease and the Facilities Agreement; except that title to the Project Facilities shall revert to and be vested in the County upon termination of this Base Lease, irrespective of any Event of Nonappropriation or Event of Default under the Facilities Agreement. The Corporation shall have the power to convey undivided interests in the Project Facilities to the County from time to time as Acquisition Payments are made as contemplated by the Facilities Agreement.

SECTION 4.5. *Waiver of Personal Liability.* All liabilities under this Base Lease on the part of the Corporation are strictly and exclusively liabilities of the Corporation as a corporation. To that end and for that purpose to the extent permitted by law, the County hereby releases each and every incorporator, member, director and officer of the Corporation of and from any personal or individual liability under this Base Lease, including without limitation the obligation to make payment of the Base Lease Rent and, to

the extent permitted by law, agrees to hold such individuals harmless against all suits, claims, actions and judgments arising out of this Base Lease. No incorporator, member, director or officer of the Corporation shall at any time or under any circumstances be individually or personally liable under this Base Lease for anything done or omitted to be done by the Corporation hereunder.

SECTION 4.6. *Maintenance of Premises.* Subject to the provisions of the Facilities Agreement, the Corporation covenants that it will maintain or cause to be maintained the Real Property, and will not cause, permit or suffer to be caused or permitted waste thereto. At the conclusion of the term hereof, the Real Property shall be returned to the County, together with the Project Facilities and any other improvements thereto, in substantially the condition thereof as of the date hereof or the date the Real Property is added hereto, subject to normal wear and tear. Except as contemplated under the Facilities Agreement, the Corporation shall not make or consent to any other improvements, modifications or alterations to the Real Property or the Project Facilities or any portion thereof, or remove any part thereof without the written consent of the County. Prior to an Event of Nonappropriation that has not been waived by the Trustee, in the event of any damage, destruction or condemnation of any of the Real Property, the provisions of Article VII of the Facilities Agreement shall be deemed to apply with respect to the Real Property in like manner as provided therein with respect to the Project Facilities, and the net proceeds from any insurance policies, performance bonds or condemnation awards shall be applied in the same manner for the benefit of Real Property as are Net Proceeds under Section 7.2 of the Facilities Agreement. After an Event of Nonappropriation that has not been waived by the Trustee, in the event of any damage, destruction or condemnation of any of the Real Property, the proceeds of any insurance, performance bonds, or condemnation awards allocable to the Corporation's interest in the Real Property shall be applied as directed by the Trustee either in the manner provided in Section 7.2 of the Facilities Agreement or to the retirement of any Obligations or indebtedness with respect thereto and the balance, if any, remaining thereafter to such use as the County may direct.

**ARTICLE V
CONTROL OF REAL PROPERTY AND PROJECT FACILITIES
DURING BASE LEASE TERM**

SECTION 5.1. *Control of Real Property and Project Facilities During Base Lease Term.* Subject to the Facilities Agreement, during the Base Lease Term the Corporation shall have complete control over the Real Property and the Project Facilities and its operation, provided however, that the Corporation shall not create any encumbrance against the Real Property or the Project Facilities, except pursuant to the Trust Agreement, during the Base Lease Term without the written consent of the County.

**ARTICLE VI
MISCELLANEOUS**

SECTION 6.1. *Binding Effect.* This Base Lease shall inure to the benefit of and shall be binding upon the County, the Corporation and their respective successors and assigns.

SECTION 6.2. *Severability.* In the event any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

SECTION 6.3. *Amendment, Changes and Modifications.* This Base Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee as provided in the Trust Agreement, except to the extent anticipated (i) herein in connection with the amendment of *Exhibit A* hereto to include additional parcels of Real Property herein, and (ii) in **Section 3.6** hereof in connection with the granting of easements, releases and substitutions.

SECTION 6.4. *Execution in Counterparts.* This Base Lease may be executed simultaneously in two or more counterparts, each of which shall be deemed to be an original and all of which together shall constitute but one and the same instrument.

SECTION 6.5. *Applicable Law.* This Base Lease shall be governed by and construed in accordance with the laws of the State.

SECTION 6.6. *Captions.* The Section and Article headings herein are for convenience only and in no way define, limit or describe the scope or intent of any of the provisions hereof.

SECTION 6.7. *Notices.* It shall be sufficient service of any notice, request, complaint, demand or other paper required by this Base Lease to be given to or filed with the County, the Corporation or the Trustee if the same is given or filed in the manner and at the addresses specified in the Trust Agreement.
