## MEMORANDUM

**To:** Greenville County Planning and Development Committee

**Cc:** Paula Gucker, Sarah Holt, Helen Hahn

**From:** A. Tyler Stone, Long Range Planning Manager

**Date:** March 18, 2019

**Subject:** Riverdale-Tanglewood Community Plan

---

Over the past year, numerous community residents, stakeholders, public officials, and county staff participated in a series of community meetings, task force meetings, and other public input sessions to develop the Riverdale-Tanglewood Community Plan.

The Riverdale-Tanglewood Community Plan reflects the Riverdale-Tanglewood Community's vision for its future and identifies goals and objectives in seven focus areas. These focus areas are: transportation, parks and recreation, community appearance, public safety, education and school performance, housing, and future land use. The plan provides direction for community leaders and stakeholders and serves as a guide for future development and redevelopment.

Therefore, staff is requesting that the Planning & Development Committee allow staff to send this plan to a public hearing to initiate the adoption process as an amendment to the Greenville County Imagine Greenville Comprehensive Plan.

A copy of the plan is available on the Greenville County Long Range Planning website at [www.gcplanning.org](http://www.gcplanning.org)
