APPLICATION FOR COUNCIL GRANT ASSISTANCE WITH LIFE SAFETY WATER LINE INSTALLATION

Applications will be based on health and life safety issues that include contaminated/non-potable wells, dry wells and fire protection. Greenville County Public Works Department, Engineering Division, will take applications for Council Grant Assistance with Life Safety Water Line Installation. Applications will be reviewed and scored by the Facilities Project Manager, Assistant County Administrator for Public Works, and the Engineering Division for completeness and criteria and will be submitted to Public Works, Planning and Development Committee for consideration on a first come, first serve basis.

This is a 50/50 grant program; therefore, the County of Greenville, upon approval by County Council, will provide 50% and the applicant will provide the other 50% for the installation of the water main and/or fire hydrant down the public road. The applicant has 60 days to secure their portion of the funding and remit to the County of Greenville. The respective property owners are responsible for the tap/meter fee and connection to the dwelling.

Applicant's Name Michael Rickard Phone Number 864-346-3277

Street Address 111 Adams Mill Rd Simpsonville SC 29681

Mailing Address (if different) 606 Tulip Tree Ln Simpsonville SC 29680

This estimate is based on an average residential well depth of 400 feet with a submersible pump and tank installed complete to the house. Size and price of the pump may vary based on the final well depth and the amount of water obtained.

Any additional drilling will be calculated @ \$12 per foot. Any additional casing will be calculated @ \$5 per foot.

Price for water line installation and ditching to house is included in the pump and tank installation total.

| Item Description | Price (\$) |
|---|------------|
| 6" Drilled Well: 400 feet @ \$12 per foot | 4,800.00 |
| 6" PVC Casing: 50 feet @ \$5 per foot | 250.00 |
| Bentonite Grout | 150.00 |
| Well Seal | 25.00 |
| Permit | 70.00 |
| Well Total | 5,395.00 |
| Pump and Tank Installation (Pipe, Wire, Switch, Misc. Fittings and Cover) | 2,430.00 |
| Estimate prepared for: | |
| Michael Rickard | |
| 111 Adam Mill Road | |
| Simpsonville, SC 29680 | |
| TOTAL: | \$7,825.00 |

Additional Comments:
Pump Warranty: 3 years
Tank Warranty: 5 years
Labor Warranty: 1 year

Wendell Lee Well Services Inc. makes no claim for the depth of the well and/or the quantity or quality of water obtained.

Subject: RE: Water Line Grant Application

Re: Adams Mill Rd
Simpsonville, SC
Tax Map 054020102300

Dear Paula Gucker:

This refers to your request for an estimate for a water main extension to serve the above referenced property.

According to our measurements, a water main could be extended 155 feet along Adams Mill Road to serve the property. The applicant is required to advance funds for a water main installation at \$30 per foot under a standard Installation Agreement with the Commission. Accordingly, your project cost would be 155 feet at \$30.00 per foot for a total of \$4,650.00. Price and policy are subject to change without notice.

In addition to the cost of the main extension, the requesting party must pay standard connection fees to Greenville Water (see <http://www.greenvillewater.com/development-fees/>) and all applicable plumbers' fees.

Please contact us at your earliest convenience if you would like to proceed with this project.

If we can be of further assistance, please let us know.

Sincerely,
Elise Harris

Good Morning Elise,

Here is the grant application I received for 111 Adams Mill Road. Can you please provide me with an estimate so we can process the grant for Mike?

Many thanks
