**Describe your understanding of the role of a member of the board or commission to which you are applying** \_\_\_\_\_

The board holds fiduciary responsibility for the country libraries, from the employment of the chief librarian, to budgetary recommendations, grants, capital improvements, lease and real estate transactions, contract review, etc. In addition, and perhaps most important, is to make available to all residents of the county books and library materials.

**What specific skills do you believe you could contribute as a member of this board or commission?** \_\_\_\_\_

Prior to serving as Director of Marketing for AmerisourceBergen (Fortune 10), I worked at Penn State (8 yrs), governed by a Board of Trustees with fiduciary responsibility for the 30+ campuses across the state. I worked closely with the board on several university-wide initiatives/multi-million dollar projects and understand the challenges and rewards that a board deals with, including building coalitions and community support for major initiatives.
