FROM: Mark Tollison, County Attorney *mt*
Kimberly Wunder, Assistant County Attorney *kw*

DATE December 9, 2020

RE: Memorandum of Understanding (MOU) In Support of Transfer of Sewer System

The governing bodies of Berea Public Service District; Marietta Water, Fire, Sanitation, and Sewer District; Wade Hampton Fire and Sewer District, and Metropolitan Sewer Subdistrict have recently met and authorized the execution of the attached MOUs reflecting an agreement on sewer collection services in the affected districts. The districts are committing in good faith to do all things necessary to carry out a voluntary transfer of sewer collection by March 31, 2021.

Greenville County is a necessary party to the MOUs. County Council will be called upon under the terms of the MOU to remove the affected districts from the consolidation and FSA ordinances and adjust the boundaries of the affected districts to reflect their transfer agreements. County Council is asked to approve and authorize execution of the MOUs on behalf of the County.

As always, if you have any questions about these MOUs, please do not hesitate to contact us.
