Additionally floodplain is not present on the site and there are no known historic resources on this site, nor are there any significant environmental or cultural features. There are also no schools located within 1 mile of this site.</p> <p>SUMMARY</p> <p>The subject parcel zoned R-R1, Rural Residential is 44.5 acres of property located on Davis Road, approximately 1.25 miles east of the intersection of Augusta Road and Garrison Road. The parcel has approximately 700 feet of frontage along Davis Road. The applicant is requesting to rezone the property to R-S, Residential Suburban.</p> <p>The applicant states the proposed land use is for a Single-family residential development.</p> <p>CONCLUSION</p> <p>The property is surrounded by R-R1, Rural Residential and R-R3, Rural Residential zoning districts. The <u>Imagine Greenville County</u> Comprehensive Plan allows of 0.3 to 3 units per acres under the <i>Residential Land Use 1</i> designation, however the more recent <u>South Greenville Area Plan</u> designates the subject site as <i>Rural Preservation</i>, which is intended for large lot single-family development. Staff is of the opinion that the current zoning is in conformance with the <u>South Greenville Area Plan's</u> Future Land Use designation and that the requested rezoning does not conform with this designation.</p> <p>Based on these reasons, staff recommends denial of the requested rezoning to R-S, Residential Suburban.</p>
