

Parks and Recreation Development Fund (PARD)

Northside Park Athletic Court Renovation

PARD grant program is a non-competitive reimbursable grant program for eligible local government entities which provide recreational opportunities within each county. The actual grant awards are made on a project by project basis. Eligible project cost will be reimbursed at a rate of 80%. The fund is to be used for permanent improvements to public park and recreation facilities.

Greenville County’s annual state apportionment of funding for the 2022 grant cycle is \$74,358.61 and requires \$18,589.66 in local match. The department of Parks, Recreation, & Tourism has the local funds available to match the grant. The proposed project will renovate the existing athletic courts with new and improved tennis, pickleball, and basketball courts.
