**What specific skills do you believe you could contribute as a member of this board or commission?** \_\_\_\_\_

While I am not currently associated with any real estate organization now, I have my property manager's licensed in an  
inactive state. Several years ago, I worked for a residential real estate developer and also in commercial real estate. Because  
of my background, I am able to look at the County zoning ordinances and how they apply to different situations. While  
thinking carefully through situations, I am a firm believer in applying the ordinances accurately and fairly to all.
