Action: As noticed on the County Council agenda, Councilor Ballard moved to open a special two-week application period for the Canebrake Fire District in order to fill an unexpired term due to a recent resignation.

Motion carried unanimously.

b. Greenville Area Development Corporation Assistance Resolution

Action:

As noticed on the County Council agenda, Councilor Harrison presented a resolution requesting that the Greenville Area Development Corporation provide assistance to County Council with respect to certain development projects seeking FILOT status and other incentives; he requested the resolution be referred to the Committee of the Whole.

Chairman Meadows referred the item to the Finance Committee.

- Councilor Seman stated Dr. Stacey Mills was recently appointed the new Executive Director for Racial Equity and Economic Mobility (REEM). She had served on that commission, along with Mr. Kirven, for a couple of years; she looked forward to Dr. Mills' implementing some of the potential solutions the commission had recommended to deal with the community's challenges. Ms. Seman suggested inviting Dr. Mills to speak at a Committee of the Whole meeting in order to discuss ways Greenville County could be supportive of his efforts.

Ms. Seman stated she recently attended a United Ministries Luncheon and the keynote speaker was Brian Stephenson. The luncheon was very moving. It reminded her that there were a lot of good things happening in Greenville County; however, there was still work to do.

- Councilor Fant stated Argo AI announced plans to establish a self-driving vehicle technology test facility at the ITIC test track located at SCTAC. The Pittsburgh-based company conducted a nationwide search for the perfect combination of test track amenities before selecting ITIC as its new strategic partner. He asked his colleagues to congratulate SCTAC and its entire team for a job well done. Mr. Fant stated Argo AI would be a great asset to the community.
- Councilor Ballard stated during the previous week, ReWa provided its quarterly wet weather program update; the program was coming along very nicely. MetroConnects and GADC also met to discuss revitalization of the new sewer system. It had been a long process and the end was in sight.
- Councilor Kirven stated he was very disappointed that Councilor Harrison's proposed GADC assistance resolution was referred to the Finance Committee, as opposed to the Committee of the Whole. Counties executed economic incentives based on the powers of authority as granted by state law; those powers were used judiciously. GADC operated under a strict set of parameters approved by County Council. Mr. Kirven stated full Council should have the opportunity to weigh in on the item. Funneling it through the Finance Committee could bring about major changes to the policy, possibly affecting the County's finances extensively.
- Councilor Dill stated later in the evening he planned to attend a meeting at Christian Release Time. The Christian Release Time Education program actually started at his church; and, he was one of the individuals responsible for establishing the program in South Carolina. He looked forward to the meeting.

Item (16)

Adjournment

Action:

Councilor Dill moved to adjourn the meeting.

Motion carried unanimously and the meeting adjourned at 6:42 p.m.

Respectfully submitted:

Regina G. McCaskill
Clerk to Council
