	<p>property to FRD, Flexible Review District.</p> <ul style="list-style-type: none"> <li>The applicant states that the proposed land use is a Senior Living Community.</li> </ul> <p><b>PROJECT INFORMATION</b>  The applicant is proposing a senior living community. The site consists of three parcels consisting of 10.5 acres that will feature: independent living, assisted living, and memory care facilities on approximately 4.5 acres, and independent living cottages on the remaining 6 acres.</p> <p><b>Proposed Land Uses:</b>  The intended uses for the site are to include: care center, nursing care facility, townhomes and multiple-family dwellings.</p> <p><b>Architectural Design:</b>  The applicant states that the facilities and cottages will be traditional in design and material usage with similar style and aesthetics to adjacent residential developments. The applicant states that exterior façade will include a combination of brick, stone or cultured stone, fiber cement/composite horizontal siding, fiber cement/composite board and batten siding, and fiber cement/composite shake/shingles.</p> <p><b>Access and Parking:</b>  The site is accessed through two locations on Batesville Road and one location on Roper Mountain Road. The access on Roper Mountain Road is aligned with Edwards Circle and will provide right-in/right-out access only. The access on Batesville Road nearest the intersection with Roper Mountain Road will provide right-in/right-out access only, while the northern access on Batesville Road will provide full access.</p> <p><b>Landscaping and Buffering:</b>  The applicant states that cottages adjacent to single-family homes in the Orchard Farms neighborhood will be screened from view by either fencing or evergreen plant material in alignment with Section 12.9 of the Greenville County Zoning Ordinance.</p> <p><b>Signage and Lighting:</b>  The applicant states that monument signage is proposed for the project. Internal site lighting is proposed for the site.</p> <p><b>CONCLUSION and RECOMMENDATION</b>  The subject parcels, zoned R-S, Residential Suburban, are located along Batesville Road, a two-lane State-maintained arterial road, and Roper Mountain Road, a two-lane State-maintained collector road. Staff is of the opinion that a successful rezoning to FRD, Flexible Review District, which would allow for a senior living community, would be consistent with the residential uses in the area and would not have an adverse impact on this area.</p> <p>The development would have to meet the following condition:</p> <ol style="list-style-type: none"> <li>Submit Final Development Plan for review and approval prior to the issuance of any land development or building permits.</li> </ol> <p>Based on these reasons, staff recommends approval with conditions of the requested rezoning to FRD, Flexible Review District with the aforementioned condition.</p>
<p><b>P&amp;D</b></p>	<p>At the May 16, 2022 Planning &amp; Development Committee meeting, the Committee voted to accept Staff's recommendation of approval with the aforementioned condition for the rezoning request of FRD, Flexible Review District with the addition of the following four conditions (making a total of 5 conditions):</p> <ol style="list-style-type: none"> <li>Submit and replace the previous plans matching that of the plan dated 5/13/2022 that was presented to the Planning &amp; Development Committee on May 16, 2022;</li> </ol>
