a. **General Description:** The fire station roof needs to be replaced. There are shingles missing and the remaining shingles are deteriorating. There are several sheets of plywood that need to be replaced to ensure that the structural integrity of the room system is not compromised.

b. **Benefit project will provide the Community:** Ensure proper storage of fire apparatus and fire fighting equipment.

c. **Additional Comments:** The remaining \$2,475.99 that is needed will be taken from the firefighter turnout gear budget. This will deplete the turnout gear budget. Although turnout gear is vital to the operations of our organization, the condition of the roof will cause structural damage if not repaired soon. Therefore, the roof was categorized as a higher priority.
