INDUCEMENT AGREEMENT

THIS INDUCEMENT AGREEMENT (this “*Agreement*”) made and entered into as of _____, ____ (the “Effective Date”) by and between **GREENVILLE COUNTY, SOUTH CAROLINA**, a body politic and corporate and a political subdivision of the State of South Carolina (the “*County*”), and Project Iron, a _____ (an entity known to the County and referred to herein as the “*Company*”).

WITNESSETH:

ARTICLE I RECITATION OF FACTS

Section 1.1. As a means of setting forth the matters of mutual inducement which have resulted in the making and entering into of this Agreement, the following statements of fact are herewith recited:

(a) The County, by and through its County Council, is authorized and empowered by the provisions of Title 12, Chapter 44 (the “*FILOT Act*”) and Title 4, Chapter 1 (the “*Multi-County Park Act*”), Code of Laws of South Carolina 1976, as amended (the “*Code*”), to allow for the payment of certain fees in lieu of *ad valorem* taxes with respect to industrial properties; to issue special source revenue bonds, or in the alternative, to provide special source credits against payment in lieu of taxes for reimbursement in respect of investment in certain infrastructure serving the County or the project, including improved or unimproved real estate and personal property, including machinery and equipment, used in the manufacturing or industrial enterprise (collectively, “*Infrastructure*”); through all such powers the development of the State of South Carolina (the “*State*”) will be promoted and trade developed by inducing new industries to locate in the State and by encouraging industries now located in the State to expand their investments and thus utilize and employ manpower and other resources of the State and benefit the general public welfare of the County by providing services, employment, recreation or other public benefits not otherwise provided locally.

(b) The Company requested that the County assist in the acquisition and installation of improvements, fixtures, machinery, equipment, furnishings and other tangible personal property to constitute a tooling facility in the County (collectively, the “*Project*”), which will result in an expected investment by the Company in the Project of at least \$35,000,000 (the “*Investment Target*”), all by December 31 of the fifth year after the first year in which any portion of the Project is first placed in service (the “*Investment Period*”).

(c) Pursuant to the authority of Section 4-1-170 of the Multi-County Park Act and Article VIII, Section 13 of the South Carolina Constitution, the County will use its best efforts to place the site of the Project in a multi-county industrial and business park (the “*Park*”) established by the County pursuant to qualifying agreement with Greenville County or other adjoining county in the State (the “*Park Agreement*”).

(d) The County has determined after due investigation that the Project would be aided by the availability of the assistance from the County under the auspices of the FILOT Act and the Multi-County Park Act, as the economic development incentives and inducements offered, will, to a significant degree, result in the Company determining to locate the Project in the County. Accordingly, the Company and the County have agreed to negotiate for payments to be made by the Company in lieu of *ad valorem* taxes as permitted by the FILOT Act.

(e) The County has given due consideration to the economic development impact of the Project, and as a preliminary matter, based on representations by the Company, hereby finds and determines that (i) the Project is anticipated to benefit the general public welfare of the County by providing service,

employment, recreation or other public benefits not otherwise provided locally, (ii) the Project will give rise to no pecuniary liability of the County or any incorporated municipality or a charge against the general credit or taxing power of either, (iii) the purposes to be accomplished by the Project (*i.e.*, economic development, retention of jobs and addition to the tax base of the County) are proper governmental and public purposes, (iv) the inducement of the location of the Project within the County and State is of paramount importance, and (v) the benefits of the Project will be greater than the costs. The County, therefore, has agreed to effect the issuance and delivery of this Agreement, pursuant to the FILOT Act, the Multi-County Park Act and a Resolution of the County Council dated _____, 2022.

ARTICLE II UNDERTAKINGS ON THE PART OF THE COUNTY

The County hereby agrees as follows:

Section 2.1. The County, subject to the limits set forth herein, agrees to enter into a Fee in Lieu of Tax with the Company with respect to the Project (the "*Fee Agreement*").

Section 2.2. The Fee Agreement will be executed at such time and upon such mutually acceptable terms as the Company shall request, subject to the provisions of Sections 2.6 and 4.2 herein.

Section 2.3. The terms and provisions of the Fee Agreement shall be substantially in the form generally utilized by the County in connection with the FILOT Act, as the same may be agreed upon by the County and the Company. The Fee Agreement shall contain, in substance, the following provisions:

(a) The term of the Fee Agreement will be for a period of thirty (30) years, commencing with the first year of the capital investment made under the Fee Agreement.

(b) The Fee Agreement shall provide that the performance by the County of its obligations therein: (i) will not give rise to any pecuniary liability of the County and (ii) shall not create a charge against the general credit or taxing power of the County, the State or any incorporated municipality.

(c) The Fee Agreement shall contain a provision requiring the Company to make payments in lieu of taxes to the County for a period of thirty (30) years following the year in which such portion of the project is placed in service. The amounts of such payments shall be determined by using (i) an assessment ratio of 6%; (ii) a fixed millage rate of 298.8 mills for the portion of the Project located on the land described in Exhibit A(1) of the Fee Agreement and a fixed millage rate of 326.6 mills for the portion of the Project located on the land described in Exhibit A(2) of the Fee Agreement; and (iii) the fair market value of the Project property as determined by the South Carolina Department of Revenue in accordance with the FILOT Act. For purposes of computing the amount of such fee, in accordance with the terms of Section 12-44-50(2) of the FILOT Act, the property shall be allowed all applicable property tax exemptions except the exemption allowed under Section 3(g) of Article X of the Constitution of the State of South Carolina and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(d) The Company may dispose of and replace property subject to fee in lieu of tax payments, as set forth in Section 12-44-60 of the FILOT Act; the fee with respect to such replacement property shall be calculated in accordance with the provisions of said Section 12-44-60.

Section 2.4. The County hereby consents to the planning, design, acquisition, construction and carrying out of the Project to commence prior to the execution and delivery of the Fee Agreement. The Company in its sole discretion may enter into contracts for construction and for purchase of machinery,

equipment and personal property in furtherance of the Project or that are otherwise permitted under the FILOT Act.

Section 2.5. Subject to the matters contained herein, the Fee Agreement will be executed at such time and upon such mutually acceptable terms as the parties shall agree.

Section 2.6. Notwithstanding anything in this Agreement to the contrary, the authorization by the County of the Fee Agreement is subject to compliance by the County with the provisions of the Home Rule Act regarding the enactment of ordinances and shall not constitute a general obligation or indebtedness of the County nor a pledge of the full faith and credit or the taxing power of the County. Further, the County will perform such other acts and adopt such other proceedings, consistent with this Agreement, as may be required to faithfully implement this Agreement and will assist, in good faith and with all reasonable diligence, with such usual and customary governmental functions as will assist the successful completion of the Project by the Company. The County has made no independent legal or factual investigation regarding the particulars of this Agreement or the transaction contemplated hereunder and, further, executes this Agreement in reliance upon the representations by the Company that the Agreement and related documents comply with all laws and regulations, particularly those pertinent to industrial development projects in the State.

Section 2.7. Should the Company fail to collectively invest at least \$35,000,000 in connection with the Project by the end of the Investment Period, the Company shall be liable for the difference between the amount of payments in lieu of taxes actually paid pursuant to the Fee Agreement (taking into account all infrastructure credits actually received) and the amount of *ad valorem* taxes which would have been due and payable with respect to the Project had the Fee Agreement not been entered into, with interest at the rate payable for late payment of taxes. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Investment Period.

ARTICLE III UNDERTAKINGS ON THE PART OF THE COMPANY

Section 3.1. Except with respect to the Fee Agreement, the County will have no obligation to assist the Company in finding any source of financing for all or any portion of the property constituting the Project and the Company may endeavor to finance the Project to the extent required to finance the cost of the acquisition and installation of the Project.

Section 3.2. If the Project proceeds as contemplated:

(a) The Company agrees to enter into the Fee Agreement, including obligations thereunder to make the payments required by the FILOT Act including, but not limited to, payments in lieu of taxes at rates calculated in accordance with Section 2.3(d) hereof;

(b) With respect to the Project, the Company agrees to reimburse the County for all reasonable out-of-pocket costs, including reasonable attorney's fees of the County actually incurred, and other reasonable out-of-pocket expenditures to third parties to which the County might incur with regard to executing and entering into this Agreement and the Fee Agreement;

(c) The Company agrees to hold the County harmless from all pecuniary liability in connection with the Project including, without limitation, environmental liability, and to reimburse the County for all reasonable expenses to which the County might incur in the fulfillment of its obligations under this

Agreement and in the negotiation and implementation of its terms and provisions, including reasonable legal expenses and fees;

(d) The Company agrees to apply for, and use commercially reasonable efforts to obtain, all permits, licenses, authorizations and approvals required by all governmental authorities in connection with the construction and implementation of the Project;

(e) The Company agrees to indemnify, defend and hold the County and the individual members, officers, agents and employees thereof harmless against any claim or loss or damage to property or any injury or death of any person or persons occurring in connection with the planning, design, acquisition, construction, leasing, carrying out or operation of the Project, including without limitation any environmental liability. The defense obligation shall be supplied with legal counsel reasonably acceptable to the County. The Company agrees also agrees to reimburse or otherwise pay, on behalf of the County, any and all expenses not hereinbefore mentioned incurred by the County in connection with the Project, including the review and execution of the Resolution and this Agreement; and

(f) The Company agrees to use commercially reasonable efforts to meet, or cause to be met, the Investment Target during the Investment Period.

ARTICLE IV GENERAL PROVISIONS

Section 4.1. All commitments of the County under Article II hereof are subject to all of the provisions of the FILOT Act and the Multi-County Park Act, including, without limitation, the condition that nothing contained in this Agreement shall constitute or give rise to a pecuniary liability of the County or any incorporated municipality or a charge against the general credit or taxing powers of either.

THIS AGREEMENT IS A LIMITED OBLIGATION OF THE COUNTY PROVIDED BY THE COUNTY SOLELY FROM THE NET FEE PAYMENTS RECEIVED AND RETAINED BY THE COUNTY, AND DO NOT AND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION (OTHER THAN THE PROVISIONS OF ARTICLE X, SECTION 14(10) OF THE SOUTH CAROLINA CONSTITUTION) OR STATUTORY LIMITATION, AND DO NOT AND SHALL NEVER CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE COUNTY OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER.

Section 4.2. All commitments of the County and the Company hereunder are subject to the condition that the County and the Company agree on mutually acceptable terms and conditions of all documents, the execution and delivery of which are contemplated by the provisions hereof, and the adoption by the County Council of an ordinance authorizing the execution and delivery of such documents and approving the terms thereof. If the parties enter into the Fee in Lieu of Tax Agreement, each party shall perform such further acts and adopt such further proceedings as may be required to faithfully implement its undertakings pursuant to such agreement.

Section 4.3. If for any reason this Agreement (as opposed to the Fee Agreement, which is contemplated to be negotiated, signed and delivered subsequent to the execution and delivery of this Agreement) is not executed and delivered by the Company on or before December 31, 2023, the provisions of this Agreement may be cancelled by the County by delivery of written notice of cancellation signed by the County Administrator and delivered to the Company; thereafter neither party shall have any further rights against the other and no third parties shall have any rights against either party except that the

Company shall pay the reasonable out-of-pocket expenses to third parties of officers, agents and employees of the County and counsel for the County incurred in connection with pursuing the authorization and approval of the Fee Agreement.

Section 4.4. The parties understand that the Company may choose not to proceed with the Project, in which event this Agreement shall be cancelled and, subject to parties' obligations described in Section 4.3 hereof, neither party shall have any further rights against the other, and no third party shall have any rights against either party.

Section 4.5. To the maximum extent allowable under the FILOT Act and the Multi-County Park Act, the Company may, with the prior consent of the County (which shall not be unreasonably withheld), assign (including, without limitation, absolute, collateral, and other assignments) all or part of its rights and/or obligations under this Agreement to one or more other entities, in connection with the Fee Agreement, without adversely affecting the benefits to the Company or its assignees pursuant hereto or pursuant to the FILOT Act or the Multi-County Park Act; provided, however, that the Company may make any such assignment to an affiliate of the Company without obtaining the consent of the County, to the extent permitted by law.

Section 4.6. This Agreement may not be modified or amended except by a writing signed by or on behalf of all parties by their duly authorized officers and approved by appropriate legal process. No amendment, modification, or termination of this Agreement, and no waiver of any provisions or consent required hereunder shall be valid unless consented to in writing by all parties.

Section 4.7. Nothing in this Agreement or any attachments hereto is intended to create, and no provision hereof should be so construed or interpreted as to create, any third party beneficiary rights in any form whatsoever nor any form of partnership or other legal entity relationship between the County and the Company.

Section 4.8. This Agreement constitutes the entire agreement between the parties regarding the matters set forth herein. This Agreement shall be interpreted by the laws of the State.
