roofing screened by architectural parapets. Additionally, the proposed building will have small awnings similar in style to the existing buildings' awnings, including one for the drive through.

**Access and Parking:**

The site will be accessed on Old Spartanburg Road. There will be 13 dedicated parking spaces for the proposed building on the parcel with TMS #0538130100105. Additionally, shared parking is permitted throughout Eastgate Village.

**Landscaping and Buffering:**

The applicant proposes a 4-ft. landscaped area along Old Spartanburg Road, as well as a new tree in landscape islands where there is no outdoor dining, underground trash, or other site feature.

**Signage and Lighting:**

The applicant is proposing a new monument sign and building signage for TMS #0538130100105. New building mounted lighting is proposed.

**CONCLUSION and RECOMMENDATION**

The subject parcels, zoned PD, Planned Development District are located along Old Spartanburg Road, a five-lane State-maintained arterial road. Staff is of the opinion that the requested zoning of PD-MC, Planned Development, Major Change, would allow for rebuilding of a commercial building on TMS #0538130100105, and would be consistent with the surrounding land uses.

The development would have to meet the following condition:

1. Submit Final Development Plan for review and approval prior to the issuance of any land development or building permits.

Based on these reasons, Staff recommends approval of the requested rezoning to PD-MC, Planned Development – Major Change with the aforementioned condition.
