The parcel has approximately 102 feet of frontage along Hilltop Avenue. The parcel is approximately 0.25 miles southeast of the intersection of Blue Ridge Drive and Hilltop Avenue. The property is not along a bus route and there are no sidewalks in the area.</li> <li>• Floodplain is not present on the site. There are no known historic or cultural resources on this site. There are three schools located within a mile of the site: Cherrydale Elementary, Lakeview Middle, and Monaview Elementary.</li> <li>• The applicant is requesting to rezone the property to R-7.5, Single-Family Residential District. The applicant is proposing single-family residential.</li> </ul> <p><b>CONCLUSION and RECOMMENDATION</b></p> <p>The subject parcel is located along Hilltop Avenue, a two-lane County-maintained local road. The subject parcel was platted for two separate parcels, which were then combined. Based on County records, it appears each initial parcel was slightly less than 7,500 square feet in area. Staff is of the opinion that rezoning the subject parcel to R-6, Single-Family Residential to allow the parcel to be subdivided is consistent with the surrounding area and would not create adverse impacts on the area.</p> <p>Based on these reasons, staff recommends approval of the requested rezoning to R-6, Single-Family Residential.</p>
