8) Project Description: (Attach additional pages if necessary)

a. General Description: A project to initiate and complete a Strategic Planning effort for the fire service of Greenville County on behalf of the Greenville County Fire Chiefs Association. The detailed plan will be used to align the goals and objectives for service delivery with other emergency response agencies in the county. The plan is intended to be a "living" document for current and future fire service leaders to use as a guide for strategic decision-making moving forward.

b. Benefit project will provide the Community:

A comprehensive strategic planning tool provides the county's fire departments with long term goals and objectives to ensure that fire protection is delivered using the most modern and effective methods available. By working together to develop this plan, the fire service will have common goals that will benefit our taxpayers most.

c. Additional Comments: The budget for the Greenville County Fire Chiefs

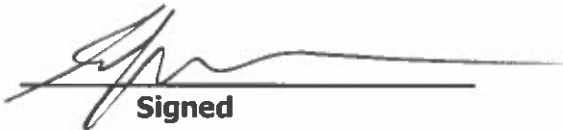

Association is derived from dues paid by the membership and is minimal, providing enough money for administrative operations only. Funding for this project will assist every fire department in Greenville County that participates in this long range planning effort.

9) Project Budget:

- a. Total Project Budget including all sources of funds: \$ 10,000
- b. Percent request equals of the total Project Budget? 100%
