I have been politically active in my party and volunteered in school throughout the education of my three children.

Describe your understanding of the role of a member of the board or commission to which you are applying

Having served on the trust in 2022, I have come to appreciate even more the goals we have and the work accomplished in preserving land and structures that reflect the natural and human history of Greenville County. With the rapid growth of the county, it is necessary to have direction and plans for keeping the very essence of this beautiful area for ourselves and future generations.

What specific skills do you believe you could contribute as a member of this board or commission?

I am a lifelong user of public lands...I walk our trails, I marvel at the wildlife, vegetation and remnants of South Carolina's distant past.
