I currently serve on the Bruins Foundation board helping Bob Jones University raise money for athletics and to transition to NCAA Division III. I can provide names for references in the organizations about my contributions to each. I also helped to secure the training/practice facility for the Greenville Triumph.

Describe your understanding of the role of a member of the board or commission to which you are applying

Understanding of the arena ins and outs, what our workers there expect, what our paying customers expect, and what our advertisers expect. I believe I need to make sure the experience for our residents and out of county guests starts with a smile from the parking attendant when paying to park to a first class experience at the sporting event/show/event that makes them visit the BSWA website and not only return but to return with others do more downtown both before and after their next event.

What specific skills do you believe you could contribute as a member of this board or commission?

I can confidently say no individual in Greenville has attended more events and invested more personal money in the arena than I have since 1998. I attend between 60-80 events a year and invested 100,000's. I have been a season ticket holder to every sports team. My wife and I bring groups of people to other events. I am there talking to the ushers, eating the food options, listening to the sound system, talking to out of town visitors. No one sells the Well better to people than I do.
