My interest in serving on the Library Board of Trustees Commission:

My interest is to increase the flow of information that a strong library should provide it's citizens while helping preserve the history of Greenville County. Libraries are havens where people can come to learn, grow and enjoy the quiet power of reading.

Describe your understanding of the position for which you are applying:

The Library Board has the responsibility of managing the Greenville County Library System. The Board meets on the 4th Monday of each month at the Hughes main Library. There are 11 members that are appointed by County Council to serve a four year term currently there are 6 vacancies to fill this year.

Describe your strengths or skills that would positively contribute to the Library Board of Trustees Commission:

As a manager of a high volume restaurant down the street from the Hughes Main Library I work with employees, customers, vendors and anyone else that comes thru the doors on a daily basis. These interactions provide me with a solid foundation to use my communication, cooperation, delegation and leadership skills that I believe would make a positive impact on this Board.

My community topics of concern that relate to the Library Board of Trustees Commission:

Increased membership / circulation, Preservation of South Carolina History, better understanding of any security issues facing all branches, and increasing fundraising.
