**CONCLUSION and RECOMMENDATION**

The subject parcel, zoned NC, Neighborhood Commercial District, is located along Hatcher Creek Street, a one-lane County-maintained residential road, and Ellis Mill Street, a one-lane County-maintained residential road. Staff is of the opinion that a successful rezoning to NC – MC, Neighborhood Commercial – Major Change would allow for a change of uses that would not have an adverse impact on the surrounding area.

The development would have to meet the following condition:

1. Submit a Final Development Plan for review and approval prior to the issuance of any land development or building permits.

Based on these reasons, staff recommends approval of the requested rezoning to NC – MC, Neighborhood Commercial – Major Change with the aforementioned condition.
