ARTICLE III

SPECIAL SOURCE CREDITS ; AFFORDABLE HOUSING REQUIREMENTS

SECTION 3.01. Payment of Costs of Infrastructure.

The Company shall be responsible for payment of all Costs of the Infrastructure with respect to the Project as and when due.

SECTION 3.02. Special Source Credits.

(a) In accordance with and pursuant to the Infrastructure Credit Act, in order to reimburse the Company for qualifying capital expenditures incurred for Costs of the Infrastructure during the Investment Period, the Company shall be entitled to receive, and the County agrees to provide, annual Special Source Credits against the Company's Fee Payments for a period of twenty (20) consecutive years commencing with the Fee Payment to be paid with respect to the property tax year following the year in which the Project or one or more Phases thereof have been placed in service representing an investment in Costs of the Infrastructure which, in the aggregate, exceeds the Minimum Investment Requirement as certified in accordance with the provisions of subsection (d) below (the "***Credit Period***"). For all property tax years with respect to which the Special Source Credits are applicable as provided herein, the amount of such Special Source Credits shall be fifty percent (50%) of that portion of the Fee Payments payable by the Company with respect to the real property and improvements constituting the Project (that is, with respect to investment made by the Company in real property and improvements, but not in personal property, comprising all or part of the Project during the Investment Period) for such property tax year, calculated and applied after payment of the amount due the non-host county under the Park Agreement.

(b) Notwithstanding anything herein to the contrary, under no circumstances shall the Company be entitled to claim or receive any statutory abatement, credit against, exemption or other reduction of *ad valorem* taxes (a "***Tax Reduction***") for any portion of the investment in the Project for which a Special Source Credit is taken, other than as may be approved by County Council. The Company hereby waives the right, if any, to receive any Tax Reduction for any portion of the investment in the Project for which a Special Source Credit is taken. The Company agrees that notwithstanding such waiver, if it receives any Tax Reduction for any portion of the investment in the Project for which a Special Source Credit is taken, the amount of the Special Source Credit that the Company is otherwise eligible to receive shall be reduced by the amount of the Tax Reduction for the portion of the investment in the Project for which a Special Source Credit is taken.

(c) In no event shall the aggregate amount of all Special Source Credits claimed by the Company exceed the amount expended by the Company on Costs of the Infrastructure at any point in time.

(d) The Company shall be responsible for making written annual certification to the County Administrator, the County Assessor and the County Auditor with an annual certification as to investment in the Project and compliance with Affordable Housing Requirements. Such certification shall be in substantially the form attached hereto as Exhibit C, and shall be due no later than January 31 of each year, commencing with January 31 immediately following the year in which any portion of the Project is first placed in service. The Company's failure to provide such certification to such County officials by March 1, in a property tax year in which it is required pursuant to the preceding sentence, shall constitute an Event of Default. The parties shall then follow the procedures set forth in Section 5.01 hereof. Subsequently, following a failure to remedy the Event of Default, the County may, in its sole discretion, determine not to provide the Special Source Credit which would otherwise be applied to the Fee Payment to be made by the

Company with respect to such property tax year, and not to provide any further Special Source Credits under this Agreement until such certification has been properly made and received.

(e) Should the Minimum Investment Requirement not be met by the end of the Investment Period, any Special Source Credits otherwise payable under this Agreement shall no longer be payable by the County, and this Agreement shall terminate. Should the Affordable Housing Requirements set forth in Section 3.03 below not be continuously satisfied during the first five (5) years of the Credit Period, after the expiration of the cure-period set forth in Section 5.01 herein, any Special Source Credits otherwise payable under this Agreement shall no longer be payable by the County, and the Company shall be retroactively liable to the County for the amount of the Special Source Credits previously received by the Company, plus interest to the date such amount is paid to the County at the rate payable for late payment of taxes under the laws of the State. Any payment required under the foregoing sentence shall be made by the Company within forty-five (45) days after the end of the calendar year in which the failure to satisfy the Affordable Housing Requirements occurred, following which payment this Agreement shall terminate. Should the Affordable Housing Requirements set forth in Section 3.03 below not be continuously satisfied following the first five (5) years of the Credit Period, after the cure period set forth in Section 5.01 herein, any Special Source Credits otherwise payable under this Agreement shall no longer be payable by the County, and this Agreement shall terminate.

(f) Except as otherwise provided herein, each annual Special Source Credit shall be reflected by the County Auditor or other authorized County official or representative on each bill for Fee Payments sent to the Company by the County for each applicable property tax year, by reducing such Fee Payments otherwise due by the amount of the Special Source Credit to be provided to the Company for such property tax year.

(g) THIS AGREEMENT AND THE SPECIAL SOURCE CREDITS BECOMING DUE HEREUNDER ARE LIMITED OBLIGATIONS OF THE COUNTY PROVIDED BY THE COUNTY SOLELY FROM THE FEE PAYMENTS RECEIVED BY THE COUNTY FOR THE REAL PROPERTY AND IMPROVEMENTS COMPRISING THE PROJECT PURSUANT TO THE PARK AGREEMENT, AND DO NOT AND SHALL NEVER CONSTITUTE A GENERAL OBLIGATION OR AN INDEBTEDNESS OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION (OTHER THAN THE PROVISIONS OF ARTICLE X, SECTION 14(10) OF THE SOUTH CAROLINA CONSTITUTION) OR STATUTORY LIMITATION AND DO NOT AND SHALL NEVER CONSTITUTE OR GIVE RISE TO A PECUNIARY LIABILITY OF THE COUNTY OR A CHARGE AGAINST ITS GENERAL CREDIT OR TAXING POWER. THE FULL FAITH, CREDIT, AND TAXING POWER OF THE COUNTY ARE NOT PLEDGED FOR THE SPECIAL SOURCE CREDITS.

(h) No breach by the County of this Agreement shall result in the imposition of any pecuniary liability upon the County or any charge upon its general credit or against its taxing power. The liability of the County under this Agreement or of any warranty herein included or for any breach or default by the County of any of the foregoing shall be limited solely and exclusively to the Fee Payments for the Project in the Park. The County shall not be required to execute or perform any of its duties, obligations, powers, or covenants hereunder except to the extent of the Fee Payments.

Section 3.03. Affordable Housing Requirements. The following requirements with respect to Workforce/Affordable Housing Units shall at all times be continuously complied with and satisfied from the date on which the Project or the initial Phase thereof is first placed in service through the end of the Credit Period:

(a) The Project shall be completed and placed in service on or before the end of the Investment Period, and shall contain and be comprised of approximately two hundred fourteen (214) Total Housing Units and approximately forty-four (44) Workforce/Affordable Housing Units. Workforce/Affordable Housing Units must be constructed before or concurrently with market-rate units (i.e., each Phase of the Project to be placed in service must include Workforce/Affordable Housing Units), and Workforce/Affordable Housing Units must at all times represent at least twenty percent (20%) of Total Housing Units in all completed Phases of the Project, or in the completed Project if applicable. For purposes of calculating the percentage of Workforce/Affordable Housing Units represent of Total Housing Units, fractional percentages equal to or in excess of half of one percent (0.5%) shall be rounded up to the nearest whole percentage. For example only, if the Workforce/Affordable Housing Units represent nineteen and one-half of one percent (19.5%) of the Total Housing Units in the Project, the percentage of Total Housing Units represented by Workforce/Affordable Housing Units shall be rounded up to twenty percent (20%) for purposes of determining satisfaction of these Affordable Housing Requirements.

(b) Of the Workforce/Affordable Housing Units established in the Project:

- i. At least twenty percent (20%) of the Workforce/Affordable Housing Units shall at all times be rented, reserved, or exclusively offered for rent as 40% AMI Housing Units;
- ii. At least sixty percent (60%) of the Workforce/Affordable Housing Units shall at all times be rented, reserved, or exclusively offered for rent as 60% AMI Housing Units; and
- iii. Not more than twenty percent (20%) of the Workforce/Affordable Housing Units shall at any time be rented, reserved, or exclusively offered for rent as 80% AMI Housing Units.

Notwithstanding the foregoing requirements, nothing in this Agreement shall limit or prevent the Company from conducting standard due-diligence procedures in vetting potential tenants, including but not limited to background checks and credit checks.

(c) Workforce/Affordable Housing Units must be distributed approximately evenly throughout the Project, and shall not be clustered or grouped together in a particular area or location of the Project, and must be comparable to the market-rate units contained within the Project in size, exterior appearance, interior fixtures, furnishings and appliances provided by the Company (if applicable), and overall quality of construction.

(d) The mixture of bedrooms per unit within each tier of Workforce/Affordable Housing Unit (i.e., 40% AMI Housing Units, 60% AMI Housing Units and 80% AMI Housing Units) must be substantially the same as the mixture of bedrooms per unit within the market rate units in the Project. By way of example only, if approximately fifty percent (50%) of the Project's market rate units are two bedroom units, then approximately fifty percent (50%) of the 40% AMI Housing Units must be two bedroom units, approximately fifty percent of the 60% AMI Housing Units must be two bedroom units and approximately fifty percent (50%) of the 80% AMI Housing Units must be two bedroom units.

(e) 40% AMI Housing Units, 60% AMI Housing Units and 80% AMI Housing Units must be distributed approximately evenly across all housing types contained within the Project. By way of example only, if the Project is comprised of (i) garden flat apartments and (ii) two story townhomes, the various tiers of Workforce/Affordable Housing Units must be approximately evenly distributed among these two types of housing, and cannot be significantly weighted to either garden flat apartments or townhomes.

The Company shall allow the County to audit its records in connection with satisfaction of the Affordable Housing Requirement on reasonable notice by the County, by making such records available at reasonable times and locations in or in close proximity to the County's offices in the City of Greenville, South Carolina, within ten (10) business days of receipt of such request.

ARTICLE IV

SECTION 4.02. Transfers of Project; Assignment of Interest in this Agreement by the Company. The County hereby acknowledges that the Company may from time to time and in accordance with applicable law, sell, transfer, lease, convey, or grant the right to occupy and use the Project, in whole or in part, or assign its interest in this Agreement, to others; provided, however, that any transfer by the Company of any of its interest in this Agreement to any other Person shall require the prior or subsequent written notification by the Project to the County Administrator (or his or her designee); and, provided further, that the assignee shall execute and deliver an assignment and assumption agreement to the County Administrator as soon as practicable following its execution.

SECTION 4.03. Assignment by County. The County shall not assign, transfer, or convey its obligations to provide Special Source Credits hereunder to any other Person, except as may be required by South Carolina law.

SECTION 4.04. Cessation of Operations. Notwithstanding any other provision of this Agreement, the Company acknowledges and agrees that the County's obligation to provide the Special Source Credits hereunder may end, and this Agreement may be terminated by the County, at the County's sole discretion, if the Company, after the Project is placed in service, ceases operations at the Project for a Period of twelve (12) months consecutively; provided, however, that the Special Source Credits provided for in this Agreement shall automatically terminate if the Company ceases operations as set forth in this Section. The Company agrees that if this Agreement is terminated pursuant to this Section, that under no circumstances shall the County be required to refund or pay any monies to the Company.

SECTION 4.05. Rights to Inspect. The Company agrees that the County and its authorized agents shall have the right at all reasonable times and upon prior reasonable notice to enter upon and examine and inspect the Project; provided, however, that the County shall not have the right to enter any tenant's unit to determine whether the Company is in compliance with the Affordable Housing Requirements. The County and its authorized agents shall also be permitted at all reasonable times and upon prior reasonable notice, to have access to examine and inspect the Company's South Carolina property tax returns, as filed. The aforesaid rights of examination and inspection shall be exercised only upon such reasonable and necessary terms and conditions as the Company shall prescribe, and shall be subject to the provisions of Section 2.04(c).

SECTION 4.06. Limitation of County's Liability. Anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder, including for the payment of money, shall not be deemed to constitute a pecuniary liability or a debt or general obligation of the County (it being intended herein that any obligations of the County with respect to the Special Source Credits shall be payable only from Fee Payments received from or payable by the Company); provided, however, that nothing herein shall prevent the Company from enforcing its rights hereunder by suit for *mandamus* or specific performance.

SECTION 4.07. Indemnification.

(a) Notwithstanding any other provisions in this Agreement or in any other agreement with the County, the Company agrees to indemnify, defend and save the County, its County Council members, elected officials, officers, employees, servants and agents (collectively, the "**Indemnified Parties**") harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project or the Land by the Company, its members, officers, shareholders, employees, servants, contractors, and agents, and the Company, further, shall indemnify, defend and save the Indemnified Parties harmless against and from all claims arising from (i) entering into and performing its obligations under this Agreement, (ii) any condition of the Project, (iii) any breach or default on the part of the Company in the performance of any of its obligations under this Agreement; (iv) any act of negligence of the Company or its agents, contractors, servants employees or licensees, (v) any act of negligence of any assignee or licensees of any assignee or lessee of the Company, or (vi) any environmental violation, condition or effect with respect to the Project. The Company shall indemnify, defend and save the County harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon notice from the County, the Company shall defend it in any such action, prosecution or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld).

(b) Notwithstanding the fact that it is the intention of the parties that the Indemnified Parties shall not incur pecuniary liability by reason of the terms of this Agreement, or the undertakings required of the County hereunder, by reason of granting the Special Source Credits, by reason of the execution of this Agreement, by reason of the performance of any act requested of it by the Company or by reason of the County's relationship to the Project or by the operation of the Project by the Company, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County or any of the other Indemnified Parties should incur any such pecuniary liability, then in such event, the Company shall indemnify, defend and hold them harmless against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Company shall defend them in any such action or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld); provided, however, that such indemnity shall not apply to the extent that any such claim is attributable to (i) the grossly negligent acts or omissions or willful misconduct of the County, its agents, officers or employees, or (ii) any breach of this Agreement by the County.

(c) Notwithstanding anything in this Agreement to the contrary, the above-referenced covenants insofar as they pertain to costs, damages, liabilities or claims by any Indemnified Party resulting from any of the above described acts of or failure to act by the Company shall survive any termination of this Agreement.

SECTION 5.04. Nonwaiver. No delay or omission of the County or the Company to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or an acquiescence therein; and every power and remedy given by this Article V to any party may be exercised from time to time and as often as may be deemed expedient.
