A new, 2023 model was recently located for sale in North Carolina for an additional cost. Funds are being requested for this additional cost so the asset can be used immediately.
- b. **Benefit project will provide the Community:** Better and safer access to patients suffering medical or traumatic emergencies in mass gathering events, eg Fall for Greenville, Artisphere, and to better access injured patients in a wilderness setting where an ambulance and life-saving medical equipment and supplies cannot otherwise be brought to a patient in need.
