**MEMORANDUM**

**TO:** Chairwoman Liz Seman and Roads, Infrastructure and Public Works Committee Members

**FROM:** Joseph Kernell, County Administrator

**DATE:** July 11, 2023

**RE:** Proposal to install a plaque commemorating the 60th anniversary of District 25 at Lakeside Park

Councilor Ennis Fant and Vision25 have submitted a proposal to install a commemorative plaque in honor of the 60th anniversary of District 25 at Greenville County's Lakeside Park located at 1500 Piedmont Highway, Piedmont, SC 29673. Attached to this memorandum is a mockup of the plaque, including the design, layout, and proposed wording. If approved, the installation of the plaque will be carried out at no expense to Greenville County.

According to the County's established protocol, the County Administrator reviews such proposals to identify any potential concerns that may arise. Subsequently, the Greenville County Roads, Infrastructure and Public Works Committee will carefully consider the proposal and provide its recommendation to the County Council.

After thoroughly reviewing the proposal, I recommend that County Council approve the installation of the plaque on the grounds of Lakeside Park at an exact location to be determined through mutual agreement of the requestors and Greenville County Parks, Recreation and Tourism. Approval of the plaque installation will provide the public with an opportunity to recognize the exceptional contributions that District 25 has made to Greenville County and will serve as a tribute to the 60th anniversary of District 25.

Should you require any further information or clarification regarding this matter, please do not hesitate to contact me.
